

City of Lakes Youth Hockey Goalie Application

The City of Lakes Youth Hockey Association is excited to offer our goalies a discount on registration to help offset some of the additional costs incurred by goalies during the season. Goalie applications will be considered on a player-by-player level and must be submitted to the association president by October 31st or by the start of tryout dates, whichever comes first.

Applicants should register their skater as normal and submit their application to president@minneapolisitanshockey.com. The board, with coach input, will consider each application and will notify applicants of their status. When applications are verified, a refund will be applied to the applicant's account. If three or more applications are received by the board for one team, the awarded applicants will be determined by means of tryouts conducted by the level coaches. Tryouts will take place at the same time and place as Squirt level tryouts.

To ensure proper skill development, applicants may skate out but will be expected to play and practice at the goalie position the majority of their time on the ice. Coaches will determine the game and practice rotation and the applicants are expected to abide by these decisions. Any issues or concerns should be brought to the association vice president, vicepresident@minneapolisitanshockey.com.

I am interested in the goalie discount for: PeeWee _____ Squirt _____
