

WELCOME TO THE 2021 WILD BEAR ENDURO SCRAMBLE

On behalf of the Cascade Family Motorcycle Club my name is Armand Menard your trail boss and I personally thank you for coming out and supporting our event. If you have any questions please reach out to me at 203-915-3519. On race day you can reach out to any club member, or look for myself on a Honda CR250 with the number "261".

Due to Covid-19 restrictions set by the state and county to avoid large gatherings of people this will be considered the riders meeting. Mask mandates set forth by the state and county will be enforced whatever they are on June 13th 2021 the day of the event.

Once you're parked each rider needs to make their way to the club trailer near the gate to receive their signup bag. Your score card needs to be mounted to the front number plate or front fender before heading to sound test, **98db and a spark arrestor will be strictly enforced. Sound test will be located near the entrance gate.** Key time will be posted at the club trailer.

We have two loops setup for today. Long course riders will start on Loop 1 and short course riders will start on loop 2. Both courses have one observation check. First riders out are at 9.01am, your score card will have what minute you are leaving on and plan accordingly getting down to the start. Once you have completed your first loop you may choose the order in which you complete your remaining loops. Short course riders must complete each loop twice, long course riders must complete each loop 3 times. Please make sure you complete all of your loops. If you miss one you will be DNF'd. **You must START YOUR LAST LOOP BY 2pm.**

There will be signs directing the riders to the starts for each loop and the pit area. You may bring 1 gas can to the pit area or you may choose to ride back to your vehicle and pit there. PLEASE LIMIT SPEEDS ON THE ROADS TO 5MPH. I WILL NOT HESITATE TO DISQUALIFY ANYONE BLASTING ON THE ROADS.

Once all of your loops are complete the finish check crew will remove your score card. Due to the covid restrictions at the time of event organization we are forced to not hold a trophy ceremony the day of the event. We will tally the score cards after the event and post the results online the next day. Our trophy plaques and overall trophies will then be mailed out to the winners.

Thanks Again and have a great time today :

Armand
