PLAYER / PARENT CODE OF CONDUCT

Youth sports should be a fun and rewarding time for the players, parents, coaches, officials, and fans. Through football, the Prosper Youth Sports Association (“PYSA”) seeks to enhance the physical, mental, and emotional well-being of every child that takes part. It is the League’s express goal that every player will be a better citizen and have a greater chance for success in future endeavors, because of their Youth experiences. As such, the PYSA expects the highest degree of sportsmanship from its members.

In keeping with this philosophy, the following Code of Conduct has been adopted to better promote fairness, teamwork, trust, good citizenship, sportsmanship, responsibility, and respect among the members of PYSA.

The Prosper Youth Sports Association asks that the following behaviors be kept in mind whenever in attendance at a PYSA sanctioned event:

- Applaud effort on the field, regardless of the score.
- Remember that the league exists for players to learn, grow in understanding of the game of football, and to have fun. Even though football is competitive in nature, winning is secondary performance.
- Be supportive of coaches. Remember that coaches are volunteers giving of their time, and often their financial resources, in order to coach. Please model respect of all coaches, in front of players, at all times. Voice any concerns about a player’s role on a team expressly to the coach(es) in a private setting, never in public and wait 24 hours after a game to discuss grievances, should they arise.
- All officials will make mistakes occasionally, but coaches and parents are expected to treat officials with the respect their position within the game deserves.
- Booing, taunting or ridiculing player is not acceptable behavior, ever.
- Teach players that they have a responsibility to learn and to try their best. Effort leads to achievement and respect.
- Players will learn these values by the examples they see from those around them, and to this end, the following rules will be strictly enforced:
- Verbal abuse of an official, coach, player, or spectator, including obscene gestures, will not be tolerated. The offender may be removed from the PYSA fields at the discretion of an official or PYSA board member.
- Football is a game of physicality and emotions, and as a result, disputes will occur from time to time, however; it is important that players learn respect. All disputes that are taken up with the official will be handled in a civil manner. Only the head coach may initiate such discussions with an official.
- All discussions will be held in conversational tones. Under no circumstances will a coach, fan, or player yell at an official, coach, fan, or player.
- Profanity is expressly forbidden at all times at PYSA practices and games.
- Alcoholic beverages and the use of illicit drugs are prohibited at all PYSA practices and games.

- The use of tobacco products on any PYSA fields is prohibited.
- The use of sunflower seeds at PYSA turf fields and game locations is prohibited.

If asked to leave, the offender must exit the event and leave the premises completely and may not wait in the parking lot or access roads. **In addition, if you are ejected from a PYSA game, for any of the above mentioned misconduct, it will also result in the ejection of your child from the game as well.

Anyone removed from the PYSA fields must leave all fields and the access roads to the fields. Such persons may not remain in the PYSA parking lot or access roads. Any infraction of the above rules will result in a report being delivered to the PYSA Board for consideration of further action, as appropriate.

First Offense: Upon the reporting of a first offense by an individual, the Board of Directors, at a minimum, will provide a written warning to the offender, detailing the consequences of future infractions. Depending upon the severity of the infraction, nothing precludes the Board of Directors from banning a repeat offender from all PYSA activities, including, but not limited to, practices and games, for a period deemed appropriate by the Board of Directors.

Second Offense: The Board of Directors may institute a wide range of penalties for repeat offenders, beginning with the second offense, as deemed appropriate by the Board. Such penalties include, but are not limited to:

- A ban from participating in all PYSA activities for a set period of time, or number of games.
- Severe violations can result in suspension from all PYSA activities for the remainder of the current season.

Third Offense: The Board of Directors may choose to apply any of the penalties listed above for a third offense and, in the most extreme of circumstances, the PYSA Board of Directors may additionally hold a meeting to determine whether the individual should be permanently banned from all future PYSA activities. The individual in question must receive a certified letter of such a hearing at least one week prior to the meeting and must be given the opportunity to speak at the meeting.

Physical Abuse - Physical abuse of an official, coach, player, or spectator will result in *immediate expulsion* from the PYSA event at the direction of an official or a PYSA board member. Anyone expelled for this reason may not return to the PYSA event or participate in any PYSA activity until the PYSA Board of Directors approves.

Any parent, fan, or player who has been suspended or banned from league activities may petition, in writing, to the Board of Directors for a review of the penalty. The petition should be delivered to the league commissioners, and the Board of Directors will meet as soon as reasonably possible to consider the petition. The aggrieved parties will have the opportunity at the meeting to present their appeal.
