Mission Statement

Our mission is to provide area players the opportunity to continue play after their school season. The club's objective is to create a positive environment that challenges the athlete, personally and athletically. Our goal is to help the player develop skills, understand the game, and have fun throughout the process.

Practice Schedule

Schedule is posted on the JAG website. Practices will be on Sundays and Wednesdays, or Sundays and Thursdays. We encourage everyone to be at all practices. We understand that players miss practice (illness, school conflict, family emergency); however, communication is necessary. Please contact your coach, 60 minutes or more before practice, if you will not be attending.

Practice Rules

- Be on time (in fact be 20 minutes early, players will be setting up and taking down the nets)
- Dress appropriately in volleyball attire – volleyball shoes should only be worn at practice
- Always have your volleyball with you
- Practice time necessitates utilizing each minute – hustle between drills and shag all volleyballs
- Avoid socializing, concentrate on drills and skills
- No cell phones, use before and after practice
- Be coachable, accept instruction and criticism to improve
- Bring your own water bottle
- Report any injury to your coach
- Work hard, learn, and have fun
- Wear JVC t-shirts to practice

Inclement Weather

In case of bad weather check the JAG website and keep an eye on your email. Generally, if the Dells School District has cancelled, practice will also be cancelled. But Check!! (prior to leaving for practice). Players/Parents are encouraged to use their best judgment when attempting to travel to practice. The safety of your family is our first concern and priority. If you will not be at practice due to weather, please call you coach ASAP.

Playing Time

It is hard to guarantee equal playing time in the game of volleyball. When assessing the amount of playing time, make sure that the comparison is being made about players who play the same position. More playing time is earned by being at practice and executing the skills when given the opportunity to play. Attitude toward teammates and coaches, willingness to learn and apply, communication and comprehension, all go into playing time consideration. Please keep in mind substitutions rules and rotations. We encourage the athlete to communicate, in person, with their coach about any questions they have. Do not approach a coach during a competition, but set up a time before or after practice. If the situation cannot be resolved, communicate concern to the Director through a phone call or email.

Tournaments

Schedule will be posted on the JAG website. Please check and see if there are any conflicts that may interfere with the tournaments (ACT, SAT, Prom, spring break, wedding). Tournaments are rarely, if ever, cancelled because of weather.

- Athletes should be in the gym, ready to warm up 45 minutes before tournament start time, or the time given by their coach.
- Uniform/equipment is the responsibility of the athlete. (Pack the night before the tourney.) You must bring your volleyball to each tournament.
- Schedule information is usually received and given out the practice before a tournament. Each facility has its own rules regarding food and chairs.

- Once a tournament starts the next match begins 10 minutes after the previous match. After our match is concluded, help with clean-up of team bench.
- Most tourneys should be done around 6:00 p.m., but depends on the format. The team stays at facility until all team reffing duties are finished.

Scorekeeping and Officiating Duties

All players are expected to help officiate in one of the following areas: 2nd referee, scorekeeper (visual or paper), libero tracker, and line judge. Training will be provided to all club members prior to the first tournament.
