

# 2026 SPRING REC LEAGUE PRACTICE LOCATIONS

(Updated 3/18/26)

To make finding practice locations for Rec Soccer easier, we have created a list of locations around town that are suitable for holding practices. Some locations have soccer goals, and some do not. Practice locations are available on a first come first serve basis (rec coaches do not reservations) and will most likely require sharing the space with other teams.

**Absolutely NO** practices are to be held on **Game Fields 1, 5, and 6**. Please see the field map page if you are unsure of these field locations. You will be asked to move if your team is practicing on these fields without permission.

GSC travel teams have already established their practice locations and schedules for the season. Their practices are labeled in **RED** on the chart below. These fields will be unavailable to Rec teams from 5:15-7:30 pm on those days.

Locations labeled in **GREEN** are available at any time. Practice location availability is subject to change. We will attempt to make updates to the spreadsheet as needed.

Locations highlighted in **ORANGE** are possible options, but require asking permission first. For Hazelwood East, please contact David Wolak at [dj.wolak@outlook.com](mailto:dj.wolak@outlook.com). For St. Malachy's, you'll need to call the church to see who to speak with about getting permission to use their space.

Geneseo Practice Locations	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Richmond Hill: Fields 2a - 2d (4v4)						AM Rec Games	
Richmond Hill: Fields 3a - 3d (4v4)						AM Rec Games
