

Competitive Team Head Coach

Bismarck Gymnastics Academy is looking for passionate, energetic, competitive, and dedicated team head coach of our women's USAG compulsory and optional teams. The ideal coach will have optional coaching experience through level 10 and will be up-to-date on recent techniques and coaching methods. We are committed to a raised standard and high expectations in all aspects of our program, and are looking for coaches who are eager to learn and work together as members of a team to help maximize the potential of our gymnasts. Our facility is fully equipped to train and develop successful gymnasts. Pay is commensurate with experience.

Primary Responsibilities will include:

- Help oversee the day to day operations of our USAG program
- Assist with coaching and team training schedules
- Train athletes in preparation for competitions
- Create and implement a training curriculum for optional athlete development
- Provide guidance to staff on matters related to training, recruitment, and team selection
- Travel with team to in-state and out-of-state meets

Preferred qualities the ideal candidate will possess:

- Professional, respectful, kind and compassionate
- Team player in a collaborative environment
- Reliable and timely
- Enthusiastic, energetic and animated
- Passion for working with children in ways that build confidence

Must be willing to work nights and weekends during the school year and days in the summer. Also must be willing to travel to meets as necessary with the gymnasts.
