2025-2026 PLATFORM VOLLEYBALL CLUB PARENT – PLAYER CONTRACT

Participation Agreement is entered into by Platform Volleyball Club (PVC) as an entity including its staff and the below listed Parents/Guardians and Players. This contract is effective for the 2025-2026 season which begins upon signing of this form and concludes post final session of participation.

Athlete Contract

My primary goal is to become the very best player I can be. Only I am responsible for my own actions. I am fully committed to Platform Volleyball Club and therefore will:

1. **Conduct** myself in a manner to bring credit and prestige to myself, to my team, and to Platform. **Budget** my time to meet all the responsibilities of work, school, and other personal areas because I understand that I have signed and committed to participate in Platform practices, tournaments, and events that take precedent.
2. **Attend** every possible practice, tournament, and team function. If I am unable to attend, I will personally notify my coach ahead of time per *Tournament & Practice Policies listed below*. I understand that by not attending all practices, tournaments, or team functions I may face penalty at the coach's discretion such as loss of playing time.
3. **Be ready** for practice on time (15 minutes early) and adhere to all Practice Policies as listed below.
4. **Pursue** mental and physical conditioning outside of practice and maintain my training schedule.
5. **Communicate** – both on and off the court – with my teammates and coaches for mutual understanding. I will personally communicate with my coach if I have any questions regarding my team, position, or playing time. I will not ask my parent to interfere.
6. **Discipline** my body, including getting adequate sleep, maintaining a healthy diet, and ABSTAINING from alcohol, tobacco, and illegal drugs, including vaping & marijuana use as both are illegal for individuals under 21 years old (see Maryland Department of Health Retail Sales Guidelines: <https://health.maryland.gov/notobaccosalestominors/Documents/T21,%20Retailer%20FAQ,%20July%208%202019,%20v3.pdf>). **If I am caught using any of the for mentioned substances, I may be dismissed from the program with all of my remaining club fees due immediately within two weeks of notice of release.** Additionally, if I am found in any situation that may compromise my reputation or reflect negatively on Platform, I may face consequences at the discretion of the Director which can include suspension or dismissal with all fees due within two weeks of notice of release.
7. **Recognize** the unique aspects of volleyball yet learn from my mistakes and never make excuses or lay blame.
8. **Accept** all coaching comments and assignments only as ways in which the team and I might improve. I understand that my attitude is also an important part of the game and that I will work hard to have the best attitude I can. I will accept positions on my team that I may not usually play because I understand that this is for the good of the team.
9. **Ignore** the errors of my teammates, as I believe no one is trying to make a mistake.
10. **Support** the full effort and good skills that my teammates exhibit.
11. **Perform** with full effort and intensity to the best of my ability in all practices and tournaments
12. **Concentrate**, never causing distractions nor worry about worrying.

13. **Clean** our tournament areas and practice facilities of all trash. Leave the area as I found it, if not better.
14. **Realize** that a team is made up of individuals and everyone cannot start. Accept my role on the team and what it takes to be the best. (*Review Tournament Policies and Playing Time Defined for more clarification*).
15. **Understand** that I represent Platform Volleyball Club and the Chesapeake Region at all attended events and I must conduct myself in a respectful manner.
16. **Follow** any club or region policies listed below without exception

Parent Contract

I have given permission for my child to participate in Platform Volleyball Club. We have discussed the risks, commitments, and sacrifices involved and are committed to contributing to the success of the program. I understand and accept the financial and time obligations of participating, with the following in mind:

1. **Team selections** are made by a group of experienced coaches. I trust their collective judgment and will support my child and the team.
2. **I understand** that if my child experiences any issues with her team or teammates, **she is first personally responsible to discuss the issue with her coach. If the issue is not then resolved, I may request a conference with the Director.** The Director may request the coach's and/or athlete's presence. More about the Grievance Procedure can be found below.
3. **I understand** that I will withhold any negative comments directed towards players and coaches. If I have any concerns, I will speak directly with the Club Director. I understand the responsibility of my daughter's coach is to coach the players and team as a whole and I WILL NOT interfere with this in any manner.
4. **If I** need to speak with the Club Director in regard to a practice or tournament event, I will wait a minimum of **36 hours** before doing so following the practice or last match of the tournament; however I understand the Club Director will not discuss my athlete's playing time or any athlete's position on the team. The Club Director may also wait 24 hours or more to respond to any emails.
5. **I will not** speak to a coach directly about my daughter's playing time; I understand that it is ultimately a coach's decision, and that no player is guaranteed a set amount of playing time. I understand that it is my daughter's responsibility to speak to her coach regarding this matter
6. **Once** my child is selected for a team, I will be responsible for paying the non-refundable club fees in a timely manner. Please review the Financial Policy below.
7. **We will** participate in community & club events as asked of us if possible.
8. **Club fees** do not include player travel, food or lodging expenses.
9. **Athletes** are responsible for sharing team expenses whether they participate in a particular travel event or not – expenses are distributed amongst rostered players. Any exception to this must be approved in advance by the Club Director. This includes AAU Nationals for Black Teams.
10. **I realize** that we are role models and will conduct ourselves accordingly, at all times, with appropriate sportsmanship.
11. **I may** be asked to refrain from attending practices and tournaments if my conduct is inappropriate.
12. **I will** see that our daughter is at practices and team functions on time per the Practice and Tournament Policies outlined below.

13. **I will** do my best to cheer on all Platform athletes and support our club in any way possible.
14. **I understand** that any player using illegal drugs, tobacco or alcohol will be immediately expelled from the club and all remaining monies will become due and payable. Additionally we understand that if our athlete is caught participating in any event that may compromise her reputation or the reputation of the club, she may be released immediately or face penalty at the discretion of the director with all fees still due immediately within two weeks of the release date.
15. **If I** do not agree with coaching style or decisions made by Platform, I have the ability to withdrawal my athlete at any time during the season, but I will not receive a refund and the remainder of the season fees will be due immediately within two weeks of the notice of release.
16. **Platform** staff will ask for a copy of the athlete's birth certificate for age verification as necessary for tournament purposes.
17. **I may** ask for clarification or detailed communication from my coaches or Director if I believe I am not receiving adequate information.
18. **I will follow** any club or region policies listed below without exception.
19. **I understand** that if I receive a Purple Card at a tournament for my behavior, I am fully responsible for reimbursing Platform for any and all fees incurred, and may face disciplinary action, such as suspension or termination of ability to attend tournaments.

General And Region Policies

Both parties of parents and players entering into this agreement with Platform Volleyball Club agree to adhere to the following:

1. **Understand** that we are contracting with Platform Volleyball Club for the 2025-2026 season and not with the Chesapeake Region. Platform coaches and staff are contracted with Platform and not the Chesapeake Region. The Chesapeake Region acts as a governing body over Platform.
2. **Although** we are not contracted with the Chesapeake Region, Platform will require us to abide by all Chesapeake Region Policies as listed below
 - a. **Chesapeake Region** prohibits any coach, player, or parent discussing movement from one club to another during the season (time of signing club contract until the end of USAV Nationals). Parties seeking to move clubs must obtain written permission from Platform's Director. The Director has the authority to approve or deny the release.
 - i. If players or parents are involved in this discussion, the club may be fined up to \$250 and will pass this fine along to parents involved
 - b. **Chesapeake Region** allows that clubs may request sanction-suspensions of USAV current and future members if club fees are not paid in full. Suspension prevents players from participating in USAV club and will remain in force until payment received and club sends region a release. Member will be allowed due process.
 - c. **Chesapeake Region** requires that each player is required to register with USA Volleyball and maintain a current membership for the duration of the season. Additionally, it is the responsibility of the player or parent to cover this cost upon registration.
 - d. **Chesapeake Region** requires that any team volunteer working for Platform Volleyball Club must also register with USAV and maintain a current membership for the duration of the season. Only registered Volunteers may participate in sanctioned events such as any ref duty, score keeping duty, assistant coach duty, or assisting during tournaments on the bench.

- e. **Chesapeake Region** requires that all members of each club are to be held to a “No Tolerance Policy”. If found in violation, parties responsible will be asked to leave the event and potentially suspended from future events. Any fines issues to Platform Volleyball Club in reference to a violation of this policy (the “Purple Card”) will be passed to the offender and due immediately.
- f. **Chesapeake Region** requires that players and parents are responsible for maintaining uniforms once received by club.
- g. **Chesapeake Region** requires that all members officiating a match must be on time with no exceptions maintaining that the score keeping tables are kept clean with no food, drinks, or CELL PHONES allowed.
- h. **Chesapeake Region** requires that all members may not engage in sexual harassment of another Chesapeake Region member.
 - i. **Platform Volleyball Club** requires that any engagement of sexual harassment to any Platform Member or by any Platform Member must be reported to the coach and Director immediately. Any engagement of sexual harassment is subject for immediate dismissal and further legal action upon discretion.
 - 1. **Sexual Harassment** can be defined as unwelcome and unwanted sexual advances, requests for sexual favors, verbal or physical conduct of a sexual nature such as sexual jokes, gestures, graffiti, posters, writings, touching or other physical contact
 - i. **Chesapeake Region** requires that if any concerns or complaints are to be submitted to the Region, these are remitted in writing with first-hand knowledge, not hearsay. Obtain a statement with signatures prior to submitting.
- 3. **I grant** Platform Volleyball Club & the CHRVA Region full permission to use pictures, media, videos, etc of my athlete on their social media pages, website, or any product for presentation purposes.

Practice Policies

Both parties of parents and players entering into this agreement with Platform Volleyball Club agree to adhere to the following:

- 1. **All Practices** are mandatory attendance for all competition levels
 - a. **Exceptions** to this are by player notification to the coach with at least 7 days’ advance notice
 - i. **If Sickness or Injury** occurs within 7 days’ notice, the player or parent may notify the coach. The player will not be required to attend practice if she does not attend school with sickness. The coach (at his or her discretion) may require a doctor’s notice of injury preventing player from participating.
 - ii. **If Family Emergency** occurs within 7 days’ notice, the player or parent may notify the coach upon learning of the emergency.
 - iii. **If inclement weather** – see #10 below
- 2. **Be Prepared** for practice which means arriving at a minimum of 15 minutes early, gearing & warming up prior to practice start time, wearing appropriate clothing and shoes, and BRINGING VOLLEYBALLS if provided as this will be used for practice. Coaches have discretion on penalty actions if these are not met.
- 3. **Practice T-shirts** may be required at the discretion of the coach, however no other club t-shirts are to be worn via Platform’s requirements. If a player arrives to practice or an event in another

club shirt, they will be asked to change or turn their shirt inside out for the remainder of the practice or event.

4. **Cell Phones** are not to be used during practice at any time including water breaks. Cell phones will be allowed to update parents of any changes and in any event of an emergency. Cell phones at tournaments are at the coach's discretion and may be collected by the coach/chaperone, available for emergency communication.
5. **AirPods** or similar ear buds are to be removed PRIOR to the beginning of practice.
6. **Understand** that practices are for instruction and training. It is important to be fully aware and mentally prepared to participate. All athletes should offer 100% effort in each drill and training to maximize learning. Tournament playing time is an extension of practice input as outlined in the Tournament Policies below.
7. **Communicate** with your coach if you receive injury during practice, have questions regarding drills or training, need additional assistance outside of practice, and generally attempt to understand the situation.
8. **Upon entering** into this agreement, we understand that Platform requires practices, tournaments, and sessions are priority over other school sports, extracurricular activities, or personal events. You may receive an unexcused missed practice if this is not upheld.
9. **Due** to limited practice facilities and any coaching assistance needed, practices may be combined with other teams of similar age or skill level, practices may shift locations, or practices may shift times. Notification of any location or time change will be released with as much notice as possible.
10. **Inclement Weather-** If Montgomery County Schools (location of practice facilities) are closed due to inclement weather, Platform MAY cancel practices as well. Notice will be sent to confirm or cancel practice.
 - a. Our three primary locations are private schools/churches that are NOT required to follow MCPS closures. They may close or open their facilities at their own discretion.
 - b. If canceled, we will do our best to make the practice up, but this may not be guaranteed. If players are traveling from other counties and schools are closed, it will be up to the player and parent to determine if travel is still safe to our practice facilities. Communicate this with your coaches as soon as possible and understand that practices may still be conducted. No credit or refund will be provided if practices cannot be made up due to inclement weather.
11. **Missed Practices-** If practices are missed for any reason other than defined in section "1" or approved by the coach, the following may occur:
 - a. **Sanctioned playing time at following tournament (Discretion of Coach)**
 - b. **Transition to different position:** Please understand that by missing a practice, the player forfeits valuable training time, and the team forfeits the ability to prepare for competition. Another player may be asked to step in to fill the role of the missing athlete. This could be temporary or indefinitely at the discretion of the coach. This should not be considered a penalty as it also provides the athlete with an increased opportunity to learn.
 - c. **Upon three unexcused missed practices, the player may be suspended from the team indefinitely.** The coach will bring this to the attention of the Director, and the Director will implement this policy. Missed practices may or may not be consecutive. If the player is released due to three unexcused missed practices, all remaining unpaid fees become due immediately and must be paid within 2 weeks of notice of release.
12. **Coaches** may offer additional policies per their own teams.

Tournament & Travel Policies

Both parties of parents and players entering into this agreement with Platform Volleyball Club agree to adhere to the following:

1. **All Tournaments** are mandatory attendance
 - a. **Exceptions** to this are by player/parent written communication via email and must be approved by the Club Director and the team coach(es).
 - b. **If Sickness or Injury** occurs the athlete/parent must communicate to the coach with as much notice as possible to allow for alternate preparation. A doctor's note may be required at the coach's discretion
 - c. **If Family Emergency** occurs the athlete/parent must communicate to the coach with as much notice as possible to allow for alternate preparation.
 - d. **If inclement weather** – the Region will cancel the tournament and reschedule as necessary. Platform will ensure this information is provided along with any other tournament weather notifications as received. Platform will not withdrawal from a tournament and will expect attendance unless: Cancelled by the Region or the local count school system where the tournament is located is cancelled the Friday prior to the tournament.
2. **Tournament gate fees**, travel expenses, lodging expenses, food expenses, team bonding expenses, and other purchases are not included in the season fees.
3. **Coaches** and the Director will work to ensure that the athletes are performing at the competitive level required at the tournaments assigned. If this is not the case, the coaches and Director will work with Parents and Players to reevaluate the tournament schedule and adjust it to remain or become competitive. This could include increasing fees if another tournament or change in tournament is incorporated.
4. **Parents** and players are encouraged to wear Platform apparel at tournaments.
5. **Players** are required to wear Platform warm-ups, sweat shirts, or t-shirts to all tournaments, and during breaks between matches, with the exception of overly cold environments where "Comfys" or similar warm-wear is needed. No college, school, or other club gear may be worn.
6. **Certifications** are required by Platform and the Chesapeake Region. Every team will be assigned officiating duties in which they are to provide an R1, R2, a Scorekeeper, a Libero Tracker, a Score Flipper, and two Line Judges.
 - a. All players are expected to obtain all required trainings and associating ratings to perform officiating duties.
 - b. Those performing these tasks are expected to operate efficiently and professionally during the responsibilities. This means paying attention with no distractions. Cell phones and other electronics (iPod, laptops, etc) are NOT allowed to be out during officiating duties.
 - c. All players are expected to work the same or close to the same number of work team assignments in each of the positions, unless otherwise decided by the coach.
7. **Athletes** are not to leave the court during "off" matches or officiating duties at any time unless dismissed by the coach.
8. **Parents** agree to stay in designated hotels at Stay to Play events when required for Tournament acceptance. Stay to Play is defined as a tournament that the Region or another Region requires athletes to stay in a hotel on a pre-determined list. The season tournament schedule will notate the events that are Stay to Play. Any fee that Platform receives due to lack of follow through with these tournaments will be passed along to the family.

9. **Both** players and parents/guardians are required to wait at least 36 hours before discussing any issues following the tournaments.
 - a. Players may directly speak, **IN PERSON**, to coaches following this time frame about: playing time, positions, concerns, suggestions, etc.
 - b. Parents may only contact the Director regarding concerns or issues per bullet “4” in the “Parent Contract”
10. **Coaches** may request meetings, team bonding, etc while at tournaments. Players are to be involved in any coach’s request unless extenuating circumstances arise or the coach is aware in advanced that the athlete cannot participate.
11. **Unsportsmanlike** conduct will not be permitted at any time from the player, parent, friend, or any member representing that of a Platform member or the club in its whole. The member (player or parent) or representative of the member will be asked to leave. a. This can include rude behavior, unnecessary comments to another player, coach, official, fan, or parent, or bad language. A player may be benched or asked to leave if this occurs at the coach’s discretion.
12. **Parents** and players agree to arrive at the tournament site at the time assignment of the coach. Additionally, if the coach requests a meeting prior to the tournament the player and parent will oblige unless discussed with coach.
13. **Coaches** may offer additional policies per their own teams.

Playing Time Defined

Both parties of parents and players entering into this agreement with Platform Volleyball Club agree to adhere to the following:

1. **Playing time is guaranteed for our Developmental 10/11 & 12s team.** We believe that it is necessary to foster the desire of the game early and give these players the best opportunity to grow which can be during tournament time. Playing time will not be considered *equal*, but it will be **fair**. Fair is described as receiving multiple opportunities during each tournament to learn and experience success along with failures as this is how a player gets better.
2. **Playing time is NOT guaranteed for our 13 and Older Programs.** While Platform is a Teaching & Training Club, the tournaments each team participates in are designed for the players whose ultimate goals will be to succeed in each tournament that they participate with. To do so, coaches will create rotations that may ensure competitiveness and winning opportunities. Playing time is earned as laid out in bullet “3” below.
 - a. **Playing time** may vary per tournament based upon the team composition, level of competition, and other external and internal factors.
 - i. **BLACK teams are competitive and all court time must be earned.** This is done during practice through attitude, attendance, effort, and skill development.
 - ii. **PURPLE teams are developmentally competitive.** Court time is more equitably distributed during Pool Play, while Playoffs will be played with competition as the focus.
 - iii. **WHITE teams are developmental and equitable.** All players will equitably contribute during pool play of tournaments. During playoffs, coaches will begin to focus on competitive play based on the day’s pool play
 - b. **ALL players** will receive the same teaching & training during practice, regardless of their playing time during tournaments.

- c. **ALL PLAYERS** fill an invaluable role on their team from whatever position they play on the court, on the bench, and at practice.
 - i. **Injured players** able to attend practices and tournaments are encouraged and required to do so, as their role on the team is still impactful & invaluable.
3. **Please be reminded and understand that** not all players will play every set, match, or day during our tournaments. Although some playing time is guaranteed at some levels, it is the coach's discretion based on the following: player's current abilities, potential abilities, strengths, weaknesses, attitudes, behavior, position, efforts in practice, practice attendance, opposing teams, current performance and future matches.
 - a. **All players will touch the court during a tournament**
4. **Athletes are NOT guaranteed to play the position they desire.** Athletes may take on another role or position based on the team dynamic and should strive to embrace this and excel with it.

Injury Policies

Both parties of parents and players entering into this agreement with Platform Volleyball Club agree to adhere to the following:

1. **All players** and parents are expected to report any injury sustained during a USAV or Platform sanctioned event to your coach or Director immediately.
2. **Players** will not be released back to practices or tournaments unless a doctor has made the official release.
3. **Platform** will provide any forms that may be required by the Region to fill out after sustaining an injury.
4. **Players** are required to continue to attend practices & tournaments if physically able to do so. Their role on a team may change temporarily/indefinitely, but their value & impact on their team does NOT. Any accommodations necessary will be made at the best effort of the coaches & Club Director (chairs, props, ice, etc)

Grievance Procedure

In order to best resolve any situation that may arise during the season both parties of parents and players entering into this agreement with Platform Volleyball Club agree to adhere to the following Grievance Procedure:

1. **The Player** will first reach out to the coach requesting a meeting to discuss the concern in person.
2. **If Unresolved** the parent may seek a meeting with the Club Director in writing via email. In keeping with our policy, parents are not to discuss play time or positional based issues with coaches. However, upon moving into step # "2" of the Grievance Procedure, the Club Director will directly and immediately contact the coach to determine if he or she will want to be a part of the meeting and will update the parent.
 - a. **The Player must be in attendance with any conversation between a parent and a coach / Club Director that directly relates to the player**
 - b. **The only exception** to this would be a private adult matter in which it is not appropriate for the player to be in attendance for. Ex: Custody or financial topics.

3. **The Club Director** will meet separately with the coach following the parent meeting to discuss issues and resolutions if coach is not initially involved.
4. **If Unresolved** the Club Director will determine if issue relies with coaching staff or player/parent and once determine appropriate actions will be taken which could include removal of coach or athlete.
 - a. **If athlete** is removed, remaining owed fees will be due ***WITHIN 2 WEEKS***, since the costs for the team have already been paid for/promised.
 - b. **Please** keep in mind that there is a **36 hour period** following the practice or tournament in which the parent is not to contact the Director. Additionally, the Director will not discuss coaching decisions or personalities with parents.

7. **I understand** that ALL travel invoices for the team are a required part of my financial responsibilities, and I must pay my athlete's invoice regardless of attendance at a travel tournament, unless approved in writing by the Director for rare & unusual circumstances.
