

RICHARDSON MEMORIAL WRESTLING TOURNAMENT

JANUARY 3-5, 2025

Coaches,

We are excited to be hosting the Richardson Memorial Tournament. Last year, we received positive feedback with the division of JV and Varsity tournaments instead of running them simultaneously. As such, we have adapted our tournament to run both a JV and Varsity tournament at different periods of each day. The schedule details are below.

Teams

-The following teams will be attending:

Bear River
Box Elder
Evanston WY
Fremont
Layton
Malad ID
Morgan
Mountain Crest
Murray

Northridge
Olympus
Ridgeline
Sky View
Snake River ID
South Summit
Spanish Fork
Star Valley WY
Viewmont
Weber
Westlake

Tournament

-On both Friday and Saturday, JV will wrestle during the morning session and Varsity will wrestle during the afternoon session.

- **The team fee is 450 dollars.**

The fee pays for up to 14 varsity and 14 JV wrestlers. If you would like to add additional wrestlers beyond 28, there is a \$15 fee for every wrestler beyond 28. Coaches will be responsible for having their roster input by the Monday before the tournament. We will have extra slots available at both varsity and JV.

- Extra slots will be prioritized at the varsity level based on the seeding criteria of the wrestler. **Priority will be given at the JV level to those who have their rosters in by the Monday before the tournament.**

Coaches should provide us a list on the Monday before the tournament of all wrestlers they would like to be entered into the tournament as extra Varsity wrestlers or extra JV wrestlers. In addition, please enter extra wrestlers in the varsity or JV tournament you want on track wrestling.

We plan to provide input back to the coaches on Tuesday for any additional wrestlers they can enter into the bracket. We will run a last check of the brackets on Thursday. **Please DO NOT JUST SEND A CHECK FOR \$450; if you have extras be sure to count your extras and add that cost to the \$450.**

Seeding and Scoring

The top wrestlers will be seeded by TrackWrestling and by a final seeding committee based on previous Richardson placing (champions have a higher priority), returning State placing (champions have a higher priority), head-to-head wins, and overall winning percentage. Coaches are responsible for entering seeding criteria for their

wrestlers into TrackWrestling upon entering their team roster. Head-to-head wins should be entered by coaches by the Monday before the tournament

We will take the highest-scoring wrestler at a given weight for a team when there is more than one wrestler from a team at a given weight. We are only utilizing the scorer identification to establish who your first choice of a wrestler at a given weight class to establish the bracket. The scorer identification will be removed before the tournament has started and once the brackets are completed.

ADMISSION:

1- Day Single Pass \$10 (Under 5 Yrs. Old = Free)

2- Day Single Pass \$18 (Under 5 Yrs. Old = Free)
