

2025-26 SAHA RAFFLE INFORMATION

All players registered with the Superior Amateur Hockey Association for 2025-26 are required to sell five (5) tickets in this year's raffle, as was agreed upon during the player registration process. Families also have the option of buying out the fundraiser at \$20 per unsold ticket.

Ticket stubs and money for all tickets sold must be turned into the SAHA office.

All required tickets must be turned in by Sunday, February 1, 2026. Players/families will be responsible to pay for any unsold tickets assigned to them.

Raffle ticket sales will be used help keep the costs associated with registration, and team fees more affordable for all families.
