

# SCEYFL - AAU CONFERENCE

*Amateur Athletic Union – California AAU – Southern Pacific Region*

## Memorandum

Date: Friday, September 15, 2023

To: All Chapter Presidents, and Chapter Staff

From: SCEYFL-AAU Executive Board

Re: **SCEYFL-AAU Drone Policy**

Subject to local discretion, drones may be used in compliance with any local, homeland security, or FAA regulations / laws for practice purposes only.

Drones may not be used in association with any scrimmages, contests or games, other than as specifically allowed by the playing rules of the contest.

Drones are not allowed over the field or the team area when squad members are present within the playing enclosure. Outside the limit lines, game management (or conference policy) govern drone activity. This governance will include all federal, state, and local laws including campus policy where appropriate.

For SCEYFL-AAU purposes, drones are not allowed to fly over the footprint of the stadium/playing field when team members, officials, and other spirit groups are present.
