February ice invoices were not paid until April due to the city needing to make a correction on the billing. That expense will be recognized in April along with the last ice invoice of \$8,585 for March.

Income was primarily the tournament registration for the hosted tournaments offset by the end of the year invoices for concessions and pro shop.

April income will be the cashing of the volunteer checks and then final deposit from pro shop operations.

Our 2018-19 taxes are due May 15th. We are making good progress on them and it should not be a problem.

As we start the process for budgeting for the 2020-21 year we will need to be mindful the lost revenue from the gambling association as bars will be closed for at least 45 days. This will result in the association needing to find cost savings for the next fiscal year.

BYHA Voting:

The Board is planning to have the BYHA voting on May 13th. We are hopeful that things will be back on track by then, but please continue to watch your email or the website for any changes that may occur.

We have 1 open position on the BYHA Board of Directors. We have 2 candidates running for the board. Elections for this position will take place at the board meeting in April. (Please watch your email to see how it will be run this year). Check out their bios below and be sure to vote.

My goal is to fill the open position on the Buffalo Youth Hockey Board of Directors. I believe I would make a great candidate for the open position on the board of directors based on my experience with the program, leadership skills, and training. Those that know me in and around the community would agree that I would be a great advocate for the players and families involved in the program. I am also interested in the position to have a better understanding of the operations and planning that go into running this program, as well as, provide answers to the many questions we, as parents have over the course of the season. Above all else I want a clean, fun, safe and fair program for the kids. Hockey is a great game, in my opinion, the best game. I want the best for the kids and their families. I hope to help as a board member.

EXPERIENCE:

1998 – 2002 HEAD COACH, BYHA BANTAM B2 Co-head coach - Bantam B2 boys.

2015 – CURRENT COACH, BYHA Coach / Assistant coach – Mites and Squirts

EDUCATION:

JUNE 1997 GRADUATE, BUFFALO SENIOR HIGH SCHOOL Football, Hockey, and Baseball. Member of the leadership council 1996-97

SKILLS:

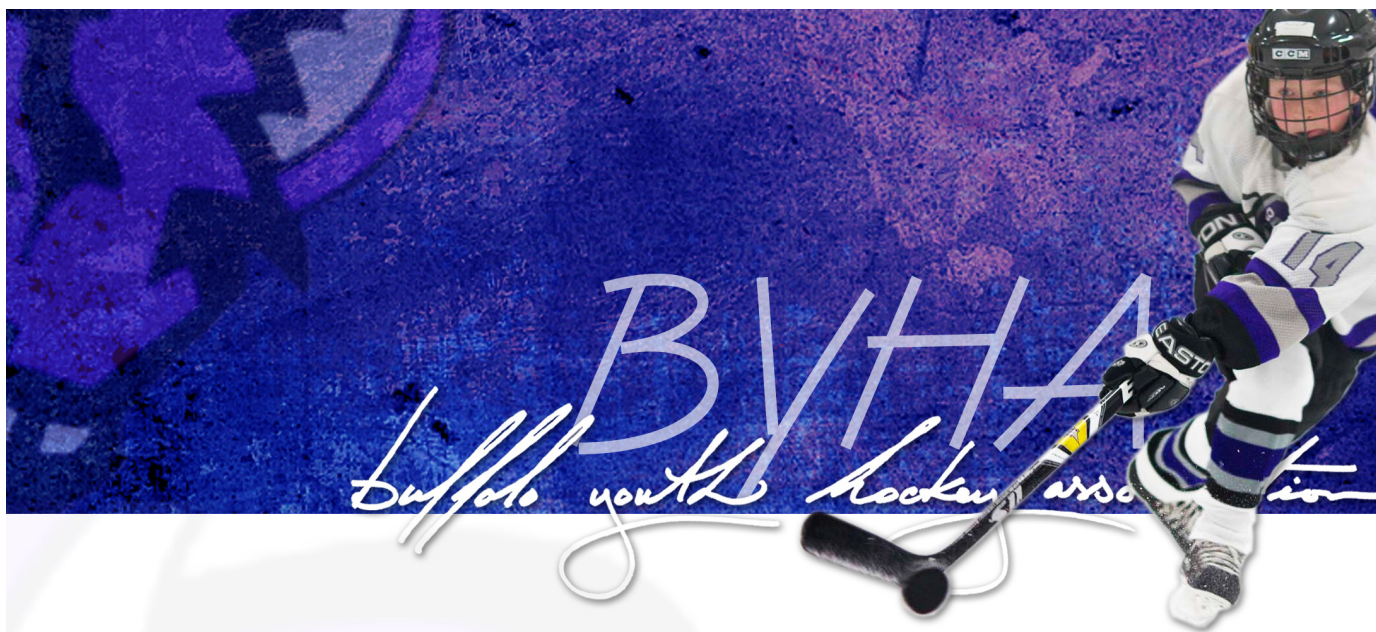

- 5yr Cub Scout Den leader for two den groups with a total of 16 scouts currently
- Heavy Equipment Operator, Foreman and member of the safety committee – work
- Former BYHA bantam coach 1998-2002
- Current assistant coach for Mites & Squirts
- Church council member at Grace Lutheran

I have been a part of BYHA most of my life beginning in the early 1980's as a player at the youth level and finishing it off as a 3-year varsity player graduating in 1997. I coached bantam hockey out of high school for 5 years before moving away from home. Since then I have worked hard, traveled, got married, and started a family. My wife Joleen and I relocated to South Haven 6 years ago and our children are in the Annandale school district. My boys started hockey and here I am right back in the very system I grew up with. Scouting has been a source of pride in our family because of the emphasis on giving back to the community and doing one's duty to God and country. There are no "try-outs" all are welcome, all participate, and all contribute. I am a member of my church council at Grace Lutheran Church in South Haven, MN. We have small but wonderful church family. Our hearts are always by the water, frozen or not!! I enjoy any and all outdoor activities when we have time. Hunting, fishing, water sports, boating, camping and swimming to name a few and it always involves family and friends. We love to get out in our community whether it be fund raisers, local fish fry's, or concerts. We like local shops, and restaurants in and around our area as well and never shy away from a garage sale or two in summer. We love to spend time with friends and family on the lake or near the fire. All are welcome!

I am seeking a position on the Buffalo Youth Hockey Program Board of Directors. Anyone that knows me would say that I truly do give 100% to those things that I am passionate about. Having grown up a small- town girl, in a small town that didn't offer Hockey, I never thought that Hockey was going to be one of those things. My twin daughters, Sydney and Avery, wanted to learn to skate and asked to try the One Goal Program and very quickly fell in love with skating. We started with the BYHA program just 2 years ago and were excited to be a part of the first U8 all girls team here at Buffalo and are currently part of the U10 program. I personally have also been actively involved in the program from the very start, stepping onto ice with skates on for the first time ever in 2018 so that I could become an assistant coach for the girls' team. Again, having grown up in a small town that didn't offer Hockey, I didn't know all the rules of the game, and have learned so much through being a coach, working with the girls on the teams, and watching all the amazing BYHA parents/families around me. I believe that our program is unmatched from any other program out there. You can see the passion and love that all the BYHA families have for this association and sport. While I LOVE being involved on the bench as a coach with the girls, I believe that I can offer even more to the program by being a part of this Board.

Professionally, I am the CFO at Wellbeats, Inc for the past 3 years. My team is accountable for planning, reporting and management of the Company's financial and operational results. I am responsible for guiding financial decisions, working closely with the CEO and driving results through strategic partnerships. I have a 15+ career in

accounting and finance including roles at Boulay, US Bank and most recently as the Controller/Director of Accounting at North Memorial Health. I have a B.S degree from St. Cloud State University and an active CPA license. I have also been very active in Buffalo-Hanover- Montrose School from the day our children started school. I currently serve as the Treasurer for the Hanover Elementary School PTO Board.

As a member of the BYHA board, I would bring a new and fresh perspective. To be a part of giving ALL the Youth current and to come, the "BYHA experience" would be an honor. I look forward to actively participating and helping to continue grow this amazing association to be the best it can be.
