3-District Playing Up Permit Rules

1. 3 Districts Reps are responsible for identifying their District Playing Up Permit designates, and for tracking the permits.
2. The league shall grant a player registered with a team playing in the league permission to play for a 3-District league team operated by the same club, provided the player has the consent of their registered team and the approval of the youth district, as follows:
 - a. Players playing in the 3 District League U-11 to U-12 may play on permit for a league team in the same Club playing at a higher calibre in their own age group, or may play in an older age division at an equal or higher calibre.
 - b. Each division within an age group (Div 1A, Div 1B, etc.) is not considered a different calibre.
3. A Playing Up Permit will be allowed for league games only.
4. Registered Out-of-District players shall not be eligible to play under permit.
5. Players under suspension shall not be eligible to play under permit.
6. Any player requesting a Playing Up Permit must apply for permission by completing a permit form supplied by the 3 District Rep. or appointed designate. The application form bearing the consent of the releasing team must be approved by the District Designate prior to the game (digital signatures are permitted). Each District may set additional conditions for approval or elect to not approve any Playing Up Permit as it deems appropriate. Permits

must not be approved if doing so would imperil the player's registered team's ability to meet its scheduled commitments.

7. A Playing Up Permit is valid only for the team, day and league game stated on the permit application form.

8. An approved Playing Up Permit form for the permitted player must be presented to the game official and the opposing coach prior to the start of the game.

9. From October 1st onwards, any 3 District U-11 to U-12 player with a Playing Up Permit must also present a valid ID card to be eligible to play.

10. Teams shall not be granted permits for more than three (3) players for any one league game. A player shall not play on a permit more than three (3) times in one season.

11. Teams shall not exceed the maximum players allowed per team by adding players on a Playing Up Permit (ie max 14 players for U11 to U12, max. 18 players for U13 to U16, max. 20 players for U17 to U18).

12. Any disciplinary action applied from misconduct reported while playing in a game under permit shall be served during future games of their registered team, as per discipline rules.

13. Any team playing a player on a permit that does not conform to the above rules risks suspension, a fine of up to \$250 for playing an ineligible player, and will have permit privileges withdrawn. Any District approving permits not conforming to the

above rules can be sanctioned by withdrawal of permit privileges for its District for up to one year, as well as a fine of up to \$250.
