## ***“ALL IN” with Board President Becki Prigg***

The Board has been hard at work navigating through the normal end of year things and planning for the start of a new soccer year. The spring season always brings clarity. We see what’s working well, and most importantly, we can determine where our focus needs to be for next year. Over the next several months, we will really start to define our strategic goals for the next three to five years. We have done well as a new organization, but now that we have found our footing, it’s time to launch forward. I’m very excited at what the future holds for this club, its players, and all its members. Now, more than ever before, it is time to remain “ALL IN”. We say that phrase all the time, but what does it mean? What does it look like to be “ALL IN”?

I have spent many hours this past season on the sidelines of soccer games. I see so many parents cheering in their Impact logo gear. Many of them have invested in tents and fancy chairs. Our parents, for the most part, behave beautifully. They don’t berate the referee crew and they are yelling encouragements, and not corrections, to the players as they run by. This is the look of “All IN”. It’s the feeling of being a part of something bigger than just one player, just one team, just one game. It’s the joint frustration – or excitement- we all feel when we share the sideline space. Our players, parents, the Board, and the entire leadership team of this club are “ALL IN”. All day, every day, all year long. Let’s keep our focus on being “ALL IN” going into the fall season. Enjoy the summer break – see you at Tryouts!

## ***Director of Coaching/Bobby Holden***

First to our Coaches and Managers- Thank you so much for an amazing spring season. It was great to see so much growth from our players and to see the fun they are having! We appreciate all of the work you do at training and behind the scenes to keep everyone informed and at the right places at the right times. Great job!

As we are winding down the spring season (already!), we are excited to be looking forward to tryouts on June 12<sup>th</sup>. We are anticipating a record number of players attending tryouts, so please plan on joining by registering, or by signing up for the Early Commit option. Tryout times are listed on the next slide. Also be sure to utilize our website: [IndianaImpactSC.com](http://IndianaImpactSC.com) for information, tryout details and registration. If you know of anyone outside the club who is interested in trying out for Impact, feel free to forward them Impact's website address and tryout details after June 4<sup>th</sup> (per ISL recruitment).

For those who have remaining games and tournaments, focus on finishing the season strong and have fun!

## 2012 Girls Black 1 and 2

These two teams had a sister event on May 27<sup>th</sup>. Both teams watched the other with back to back games and pizza/ popsicles afterwards. A HUGE thank you and shout out to our team moms, **Tiffany Drake** (Black 1) and **Jenn Perry** (Black 2), for their help relaying info to the parents this season and organizing extra events for the girls to build friendships off the field. They've been a big blessing to this large group of girls.

The 08 Girls Elite, after being Challenge Cup Champions last season, looked forward to taking on Presidents' Cup. The week of the tournament injuries hit the team hard, but the players stepped up and got a draw against a top level team and finished with a win, going 1-1-1 for the weekend.

Classic at the Rock is next for the team prior to tryouts.
