Congratulations on advancing to the 2023 MAHA State Playoffs!

It is quite an accomplishment to reach the MAHA State Finals. We look forward to a weekend of great competitive hockey! Please help us ensure we all display good sportsmanship and make it a memorable time for all the participants.

Attached you will find the schedule for your division. Please make sure you reach out to the host in advance for any last-minute instructions. You should also make sure your team reviews the State Playoff handbook, so you are familiar with the tournament rules.

New This Year:

Teams no longer make payments to the host site. Payments for all divisions will be processed through the MAHA website. [Click here to begin that process.](#) When you make your payment you will also be asked to upload an Excel spreadsheet of your teams' roster. This will help make sure local programs are complete and accurate.

All games will be streamed under a new partnership with Youth Sports Plus. Visit the [Michigan Hockey TV page](#) to get information on how to watch these events. Many of the semi-final and final games will include a live broadcast with announcers.
