FORTY-FOURTH ANNUAL *Iowa High School Football Yearbook - 2025 Edition*

A WORD FROM THE EDITOR

This yearbook is the result of the cooperation of the High School Football Coaches in the State of Iowa and other football enthusiasts. The book is an in depth record of what transpired in football during the 2024 season. It also includes the 2025 schedules for all football playing schools. The Yearbook originated 46 years ago by IFCA Hall of Fame Coach Norris Hale. The Yearbook is now a project of the IFCA Board of Directors.

Thank you to all those who contributed to this edition of the yearbook. Without your cooperation we would not be able to provide this book.

HALL OF FAME

IHSAA Football Hall of Fame: Class of 2024

CHANSE CREEKMUR, Marshalltown

The quarterback behind a record-breaking offense that led the Bobcats on a memorable run to the Class 4A championship game in 2009. A two-year letterwinner who threw for 3,589 yards, 256 completions, 35 touchdowns as a senior, Creekmur won all-state and CIML player of the year honors. Combined with his junior season, he threw for nearly 6,000 career yards and 50 touchdowns. He was also Marshalltown's all-time leading scorer in basketball (20.7 points, 7.2 rebounds, 3.1 assists per game in career), which was the sport that led him to attend Arizona State out of high school (2010-12). He then continued his college career with Iowa State football and Lindenwood basketball. The son of Ron and Kelli Pope, and Mark and Jennifer Creekmur, he now works as a production manager for Safe Foods Chemical Innovations in Kieler, Wisconsin.

JEFF CRISWELL, Lynnville-Sully

The Searsboro native was a standout quarterback for the Hawks and a two-time all-conference player before graduating in 1982, also playing defensive end and punter. After playing four sports for Lynnville-Sully, he attended Graceland University, starting as a tight end and moving to offensive tackle, where he eventually became a Graceland and NAIA Hall of Fame inductee. Criswell's development continued as he jumped from brief USFL and CFL opportunities to become a 149-game starter in the NFL on the offensive line. Signed by Indianapolis in 1987, he played for the Colts, Jets (1988-94), and Chiefs (1995-98) over 12 seasons. Criswell has one daughter (Hailey) and now lives in Greenwich, Connecticut with his wife Lisa, where he works in finance and real estate, and coaches at Brunswick School.

JONATHAN McLAUGHLIN, Sigourney/Keota

An all-state running back for semifinal and title teams (2004-05), McLaughlin logged 4,878 rushing yards and 77 touchdowns in his award-winning three-year varsity career. Growing up on a small farm outside Sigourney, he was twice named all-state in football and was a three-time state qualifier and two-time medal winner in wrestling. He attended Iowa Central before enlisting in the U.S. Army in 2009, where he served with special forces on tours in Afghanistan – including a 2016 incident with an improvised explosive device causing life-threatening injuries – and Iraq. McLaughlin medically retired in 2021 as Sergeant First Class and has received the Bronze Star, Purple Heart, and numerous other medals for his service. McLaughlin now lives in Meridian, Idaho with his wife Colleen and four sons: Wilem, Warick, Waylin, and Orley. He is attending the College of Western Idaho and works as an apprentice plumber.

ROGER "RJ" MEYER, Central Lyon/George-Little Rock

A star fullback and linebacker for the 1996 runner-up in Class 3A, Meyer rushed for 3,187 yards and 35 touchdowns, and recorded 272 tackles in his three-year varsity career. His memorable senior playoff run included nine rushing touchdowns and 40 solo tackles in first three rounds and earned him 3A player of the year honors. Meyer also participated in basketball, baseball, track & field, FFA, student government, and band at Central Lyon. He went on to play linebacker at Iowa, recording 229 career tackles and serving part of senior leadership team in 2001. Meyer was Academic All-Big Ten for four years and his final game was coach Kirk Ferentz's first bowl win in the Alamo Bowl over Texas Tech and coach Mike Leach. He now lives in Cedar Falls and works as a senior vice president of acquisitions for Forward Health and serves on the Cedar Falls school board. Meyer and his wife Summer have four children: Asher, Siri, Shai, and Kalle.

LUKE VANDER SANDEN, West Lyon

A two-time all-state lineman who starred for West Lyon on both offense and defense on the 1998 and 1999 championship teams. As a three-year starter, Vander Sanden went 32-2 as a varsity player and was cited by Jay Roozeboom as best lineman of his coaching career. The Wildcats lost just one game in his final two seasons. He was a three-year letterwinner on Iowa State's offensive line, winning two bowl games and serving as team captain and earning All-Big 12 honorable mention as a senior. Vander Sanden won multiple ISU Scholar-Athlete awards and was on the Big 12 Commissioner Honor Roll. The son of Connie and the late Jerry Vander Sanden, Luke works as a fifth grade teacher in Altoona. He and his wife Sara have one daughter, Mara.

BRANDON WEGHER, Bishop Heelan, Sioux City

The three-time all-state running back led the Crusaders to the 2008 title in Class 3A and rushed for 6,825 yards and 105 touchdowns in his sterling varsity career. Wegher played offense, defense, and kicked in his record-breaking senior season, including a mark of 3,238 rushing yards that still stands. His five-touchdown performance in the 2008 title game included a 100-yard interception return, and capped a career that included 114 total touchdowns and 789 points (both No. 2 all-time). Wegher went on to play at Iowa (2009-10) and Morningside (2013-14), setting the Hawkeye freshman rushing record before breaking records at Morningside with 2,610 yards in 13 games during the 2014 season. IFCA AWARDS

Each year, the Iowa Football Coaches Association recognizes current and former members with induction into its Hall of Fame. Inductees are honored at an IFCA ceremony. The Coaching with Character Award goes annually to a coach who embodies the high character, integrity, and concern for student-athletes and service to the profession that were evident throughout Coach Walt Fiegel's career.

Iowa Football Coaches Association Hall of Fame

Cory Brandt

A product of northwest Iowa football, Brandt graduated from Maurice-Orange City in 1987, attended Northwestern College, returned to MOC-Floyd Valley as a volunteer assistant. He then took his first head coaching job in Burke, South Dakota before setting up the foundation of Boyden-Hull/Rock Valley football and never looking back. In 25 seasons at BH/RV, his squads went 185-73 with 17 playoff appearances and six trips to the UNI-Dome, capped by a state championship in 2016. From 2011 until his retirement in 2021, the Nighthawks advanced to the quarterfinals or further eight times. The run included five semifinal appearances in the span of six years, with three undefeated regular seasons. The emphatically won 2016 title in Class 2A earned him IFCA Coach of the Year honors. He and his wife Susan are teachers at Rock Valley and Brandt continues to coach track and field.

DREW CLEVENGER

The active head coach for 20 playoff teams in 25 seasons at Saint Ansgar, Clevenger has built a perennial powerhouse in north Iowa. With a record of 194-71 following the Class A semifinals, the 1993 graduate of PCM has taken a program that had four previous playoff appearances on a journey that includes seven UNI-Dome appearances, the 2011 championship, and seven undefeated regular seasons. A multi-time district coach of the year, he was named IFCA Coach of the Year in 2011. After graduating from Iowa State in 1998, he worked at Saint Ansgar for two seasons as an assistant coach before getting the head coaching spot. Clevenger works as a social studies teacher and he also serves as Saint Ansgar's head track and field coach.

ROGER JANSEN

A 1981 graduate of Bishop Heelan, Jansen kept success coming to his alma mater as head coach for 18 years and an assistant coach for 15 years. His Crusader teams won 166 games, made the playoff 15 times, logged four undefeated regular seasons, and appeared in six state finals, winning the Class 3A title twice (2008, 2013). His time across the 1990s and into the 2010s included seven conference championships and seven district titles, helping him earn two IFCA Class 3A coach of the year awards. Jansen also spent time as an assistant coach at Lawton and Morningside College.

CURT RITCHIE

A graduate of the reorganized Deep River-Millersburg in 1987, Ritchie began his coaching career as an assistant at local English Valleys and took over as head coach after four years on staff. That began a now 32-year run with 245 wins and 23 playoff appearances after eight seasons at English Valleys and his current 24 seasons at Williamsburg. Ritchie has won over 200 games with the Raiders, capped by the 2023 championship in Class 3A, the first football title for a program that Ritchie developed into a consistent power in eastern Iowa. Williamsburg has made eight UNI-Dome trips across three decades with Ritchie in charge, finishing as runner-up three times (2002, 2017, 2022) before finally lifting the top trophy last season.

MARSHALL SCHICHLONE

A native of Pennsylvania who arrived in Iowa after attending Iowa Wesleyan, Schichlone went 154-77 in 24 years as a head coach at St. Albert (1980-96) and Woodbine (1997-2004). His teams appeared in eight playoffs, including six with St. Albert while playing in the Nebraska Centennial Conference, then two with Woodbine. The Tigers reached the Class A title game in 1997, which remains their best ever finish. Two of his teams went unbeaten in the regular season (1991, 1997) and Schichlone capped his run as a head coach with a final playoff run in 2004.

Walt Fiegel Coaching with Character Award

BUTCH PEDERSEN

The late coach Pedersen was the face of West Branch football and the key figure in its proud history as a small, hard-nosed program outside Iowa City. His tenure spanned from 1983 through 2022 and included 28 playoff teams, three state championships, and thousands of relationships through the West Branch community and its schools.

Pedersen's mantra was simple: "Football is a tough sport that is played by tough people. Not everyone is tough enough to play it." His first team included future All-American and All-Pro tight end Marv Cook, but the Bears waited until 1988 to make their first ever playoff appearance. They won a title the next season and back-to-back in 1991 and 1992, and had a 62-game regular season win streak from 1990 until 1996 that set the high bar for West Branch's successful program.

Pedersen was inducted into the IFCA Hall of Fame in 1994, was named national coach of the year by NFHSCA in 2017, and retired with a 338-84 record. He passed in April 2023. Butch and his wife Jenny – a West Branch grad – have three children (Lance, Kari, Kip) and he was a proud grandfather in their growing family.

IOWA SHRINE ALL STAR FOOTBALL GAME

**“ Strong Legs Run,
So Weak Legs May Walk.”**

Everyone is a winner in the annual Shrine All-Star football game: The outstanding players and coaches who work together and play the game; businesses, individuals and Shriners who support the game; the biggest winners are the children in the Orthopedic hospitals and burns centers' program.

This game not only helps raise funds for the hospital programs but it also makes the public more aware of the free services available to a child who needs special orthopedic or burn care and rehabilitation.

The game is once in a lifetime experience for players and coaches and it will be the “high point” in some of their athletic careers, not only the game, but the visitation with the children in the hospital

Thank you – coaches, players, parents, businesses and Shriners

2024 IFCA STATE COACH OF THE YEAR - CLASS 5A Scott Chandler, Iowa City Liberty

Scott Chandler was raised in Southlake, TX where he attended Carroll High School. He played under legendary coach Todd Dodge and was a member of the 16-0 2002 5A State Championship team. The 2002 team was the first team in Texas HS history to move up a classification and win the State Championship.

Chandler then attended the University of Iowa where he played for another legendary coach in Kirk Ferentz. As a WR and TE he was a member of 2004 Big Ten Championship Team. Chandler ranks 2nd All Time in Iowa history in receptions by a TE with 117 (LaPorta 153) and 3rd All Time in receiving yards by a TE. In his Senior year, Chandler was a 2nd Team All Big Ten selection and John Mackey Award Semifinalist.

Chandler was drafted in the 4th Round of the 2007 NFL Draft by the San Diego Chargers. Over a 9 yr NFL career, he also played for the Dallas Cowboys, Buffalo Bills, and New England Patriots. He recorded 205 receptions for 2,379 yards and 21 TDs in his 9 yr career.

After retiring from the NFL, Scott started a real estate investment company with his brother, Nathan. Chandler Real Estate Investments manages multiple investment types including commercial office, medical office, and express car washes. In 2021, Chandler joined the Liberty HS staff as WR Coach and Co-Offensive Coordinator. In 2022 and 2023 he served as the Lightning Offensive Coordinator and led the Bolt's offense to top 5 scoring offenses and led the State in passing yards per game both seasons. In May 2024 Chandler took over as Head Coach at Liberty and in his first season led the team to an 8-1 regular season record, #1 RPI ranking going into the playoffs, and State Semifinal appearance. Liberty finished with a school record 10 wins on their way to a 10-2 season in Chandler's first season as Head Coach. The Lightning led the State in Total Offense, TDs, Passing TDs, Passing Yards, All Purpose Yards, Defensive Interceptions. They were also 5th in rushing, 2nd in Turnovers, and 2nd in 1st downs. 5 Bolts were voted to the IFCA All State Team.

Chandler is a resident of North Liberty, IA where he lives with his beautiful wife Alissa, and 4 children (Lyla 15, Vayda 13, Ivy 11, and Townes 8). He credits his wife and kids for their sacrifices in supporting him in his football endeavors as a player and coach. In addition to coaching, Chandler helps with Liberty FCA, volunteers at Grant Elementary, and is an avid supporter of the Iowa Hawkeyes, Buffalo Bills, and all other Liberty Sports.

"I think of the impact of my high school coaches," Chandler said. "The effect that they had on me, not just football-wise, but the men that they were and the integrity and discipline that they had in their lives."

2024 IFCA STATE COACH OF THE YEAR - CLASS 4A

Tim TeBrink, North Polk

A native of Alton, Iowa, Tim TeBrink is an accomplished football coach with a distinguished career spanning over two decades. After graduating from MOC/Floyd Valley High School in 2000, TeBrink was recruited to play football at Iowa State University under Coach Dan McCarney. He played for five years with the Cyclones and earned a bachelor's degree in elementary education in 2005.

TeBrink began his coaching career in 2005 at Urbandale High School, where he spent 14 years as an assistant under Coach Sam Anderson. In 2019, he became the head varsity football coach at North Polk High School, where he has worked tirelessly with his coaching staff to build a competitive football program.

In his first three years as head coach of the Comets, TeBrink faced significant challenges but laid the foundation for future success. Despite a difficult start, his perseverance and dedication began to pay off in the following years. Under TeBrink's leadership, North Polk football has achieved remarkable milestones with an 8-3 record and advancing to the Class 3A quarterfinals in 2022,, a 9-3 record and capped off with a trip to the Class 4A semifinals in 2023, and most recently, a perfect 13-0 season, culminating in the Class 4A state championship title in 2024.

TeBrink's coaching philosophy earned him a well-deserved place among the state's most respected coaches. With a career record of 37-25, TeBrink has been named Regional Coach of the Year twice – for Class 3A in 2022 and Class 4A in 2023.

TeBrink is deeply grateful for the unwavering support of the North Polk community, including students, teachers, coaches, parents and administration. Special recognition is given to Activities Director Matt Eichhorn and the dedicated football staff for their hard work and commitment to the program: Evan Groepper, Tony Oros, Casey Coy, Al Christian, Anthony Capaldo, Bill Capaldo, Chris Capaldo, Bill Ocker, Rob Sinclair, Sam Mosiman, Ben Zizis, Kolby Richter, Blake Brauer, Brad Dagger and Matt Cox.

Beyond football, TeBrink enjoys time with his family. He and his wife, Kristen, are the proud parents of three children: Kaylynn, Treyson and Melaney and they love watching their children in all of their activities.

"This award is more than just one person. It's a testament to our dedicated coaching staff, a team of tough, unrelenting athletes, and a supportive community. This past season was incredibly special, with 21 seniors who led our underclassmen and helped foster a culture of continuous improvement week after week, culminating in a well-earned state title."

2024 IFCA STATE COACH OF THE YEAR - CLASS 3A

Jamie Marshall, Dubuque Wahlert

Jamie Marshall is a dedicated and accomplished football coach with over two decades of coaching experience across high school and collegiate levels. A Dubuque Iowa native, Wahlert Catholic alum, he graduated with a B.S. in Secondary Education with a Mathematics Endorsement at Drake University in Des Moines, Iowa. During his time at Drake, Jamie was a three-year starter on the football team at cornerback and safety and was a key contributor to Pioneer League Championship teams in 1995 and 1998. He earned All-Pioneer League honors in 1997 and 1998. Coaching Career

Jamie began his coaching journey at Ankeny High School (1999) as a Varsity Assistant Coach working with defensive tackles. He quickly transitioned to collegiate coaching at Drake University, where he served in various roles from 1999 to 2006, including Defensive Coordinator and Linebackers Coach. From 2007- 2015, Jamie was on staff at Montana State University in Bozeman, MT. He held key positions: Defensive Coordinator, Assistant Head Coach, and Defensive Backs Coach. In 2016 Jamie moved to Lindenwood University in St. Charles, MO, where he served as Assistant Head Coach, Defensive Coordinator and Safeties Coach through the 2018 season.

In 2019, Jamie returned to his alma mater, taking over as Head Varsity Football Coach at Wahlert Catholic High School. Over six seasons, he has led the Golden Eagles to an impressive 39-22 record, and four playoff appearances. In 2022, Jamie guided the Golden Eagles to a Class 2A semifinal appearance. He has been named District Coach of the Year three times, and in 2023 he was a Shrine Bowl Assistant Coach for the North Team where the North Team

won 29-15. Further cementing his reputation as a program builder and leader, Jamie led the Wahlert Catholic team to a Class 3A State Championship in 2024.

Jamie currently serves as Assistant Principal and Head Football Coach at Wahlert Catholic. He and his wife Kristi, live in Dubuque with their two children, Cole (15) and Piper (12). A lifelong Golden Eagle, Jamie's commitment to football and education reflects his dedication to fostering excellence, discipline, and teamwork in the next generation of student-athletes.

"This past season was as rewarding as it gets. Our senior leadership was outstanding from start to finish and played a pivotal role in helping us reach our full potential. This was truly a player-led team, showcasing a level of talent unmatched in my six years as head coach. The coaching staff was exceptional, especially in the biggest games, making critical adjustments and communicating effectively with our players. The selflessness displayed by both the staff and players was the foundation of our success and is a hallmark of what it takes to sustain excellence."

2024 IFCA STATE COACH OF THE YEAR - CLASS 2A

Josh Bolluyt, Spirit Lake

Coach Joshua Bolluyt was born and raised in Spirit Lake, Iowa. The honor of being named Iowa 2A Coach of the Year reflects years of hard work, leadership, and a commitment to building young athletes into champions both on and off the field.

A graduate of Spirit Lake High School, Coach Bolluyt earned his degree from Northwestern College in Orange City, Iowa, where he began his coaching career in 1996 as a student assistant. Under the mentorship of Coach Orv Otten, he learned the importance of relationships, discipline, and teamwork. After graduating in 1999, Bolluyt served as a position coach at Northwestern College for two years, and became defensive coordinator in 2001. During this time, Coach Bolluyt developed his understanding of both the technical and leadership aspects of coaching, a foundation that would serve him well in his future endeavors.

In 2005, Bolluyt moved back to Spirit Lake, where he worked in banking and insurance. Despite stepping away from coaching, his passion remained, and he volunteered as a 7th-grade coach before moving into high school coaching in 2007. In 2008, he took over as head coach of the Spirit Lake Indians, inheriting a program that had struggled for years with a 10-year record of 15-75.

Under Bolluyt's leadership, the Spirit Lake football team transformed into a perennial contender. With a 135-50 record, the team has won 9 district championships, made 13 playoff appearances, and finished as state runners-up in 2011 and 2024. In 2012 & 2015, Coach Bolluyt led the Indians to a 2A State Championship.

Coach Bolluyt emphasizes the importance of relationships in his coaching philosophy. He credits much of his success to the athletes, assistant coaches, and supportive community. The 2024 season was especially meaningful, as a dedicated group of seniors exemplified passion, grit, and teamwork. Bolluyt also values the contributions of his coaching staff, which includes former players and several coaches who have been with the program since 2008.

The success of Spirit Lake football is also due to the unwavering support from the community and school administration, particularly Spirit Lake Superintendent Dr. David Smith and community supporter John Brown. Away from the field, Coach Bolluyt is supported by his wife, Dana, and their two children—Lucas, a junior on the football team, and Leah, a sophomore. While Coach Bolluyt is grateful for the recognition, he is quick to remind everyone that awards like these are a byproduct of the efforts of great people—his players, coaches, and the Spirit Lake community.

2024 IFCA STATE COACH OF THE YEAR - CLASS 1A Ryan Hetzler, Wilton

Ryan Hetzler graduated from Wilton High School in 2006. He then attended and graduated from Iowa Wesleyan in 2011.

Hetzler was assistant coach from 2010 to 2012 at Wilton before going to Durant High School as assistant coach in 2013. He then returned to Wilton High School as head coach in 2014 where he has a 64-40 record. The team has been district champs three times and gone to the playoffs six times.

Hetzler has previously been named IFCA 1A Coach of the Year, District Coach three times, and was a Shrine Bowl Assistant in 2019.

He is married to his wife, Whitney Hetzler and they have three daughters, Harper, Berkley, and Reese.

The 2024 Wilton football team made school history by qualifying for the state semifinals. The Beavers finished their season with a 10-2 record and a share of the 1A district 5 title. The team outscored opponents 356 to 169 on the season. The postseason was filled with tradition rich programs such as Aplington-Parkersburg, MFL MarMac, Regina, and Grundy Center. In the quarterfinal game at Regina, the team was able to overcome a longtime conference rival to send the Beavers to the UNI Dome for the first time in school history. The season

ended in the semifinal round with a loss to eventual state champion Grundy Center. Although the ultimate goal wasn't achieved, the team united the community through this unforgettable experience.

Hetzler reflected, "This season will be one to remember for Wilton High School. Many achievements, records, and accomplishments throughout the journey, but none of those are what made this team special. The bond amongst individuals on this team is what made them special as individual goals were set aside for the betterment of the team. Extremely proud of their commitment and dedication to their teammates and our football program."

2024 IFCA STATE COACH OF THE YEAR - CLASS A

Ryan Schroder, Tri-Center

A graduate of Tri-Center High School, Ryan went on to attend Iowa Western Community College. Ryan is passionate about promoting health and safety in sports and serves as the leader of the Strength and Conditioning Program at Tri-Center High School. Certified through the International Sports Sciences Association (ISSA), Ryan brings a wealth of expertise and dedication to enhancing athletic performance while prioritizing injury prevention.

Ryan's coaching career spans over a decade at Tri-Center High School (2013–2024), where he cultivated a culture of discipline, teamwork, and sportsmanship. He also volunteered extensively with the local youth football program. As the head football coach at Tri-Center, Ryan achieved a commendable overall record of 36-30, including a remarkable 12-1 season in 2024. His leadership guided the team to five playoff appearances, and his 2024 accomplishments earned him multiple accolades, including: Class A State Coach of the Year (2024), KMA State Coach of the Year (2024), Class A District 8 Coach of the Year (2024), IHSAA Coach's Achievement Award Class A (2024)

Beyond his coaching career, Ryan is a devoted husband of 29 years and a proud father of two grown children. His son Seth is recently married to Emma, and his daughter Sage is engaged to be married this summer to Jalen. Ryan enjoys spending time working on the family farm alongside his son, Seth. His daughter, Sage, is set to graduate from Iowa State University in May and has joined the DLR Group in Des Moines as an architect this summer.

"When we meet as a program in the preseason, we set three key goals: 1) win a district championship, 2) make the playoffs, and 3) achieve the first playoff victory in school history. Not only did we accomplish these goals, but we exceeded them with an extraordinary run to claim our school's first-ever Football State Championship. Our story is one that will live on, a testament to the power of determination, teamwork, and the amazing support of a small southwest Iowa community that came together as a unified TEAM both on and off the field.

With our first playoff win, the journey truly began, sparking a phrase that resonated throughout the postseason. 'Make History' was embraced by our players, school, and community, becoming a unifying motto for all of us. I am incredibly grateful to have been a part of this unforgettable season, and conclude it with the fitting phrase, 'History Made.'"

2024 IFCA STATE COACH OF THE YEAR - 8-MAN Cole Bonde, Lenox

Coach Bonde grew up on a family farm in Blockton, Iowa. He went to school in Bedford and graduated in 2013, having a great four-year career.

He then went to Northwest Missouri State University for school and played four years of football under Head Coach Adam Dorrel and defensive coordinator Rich Wright, where he played linebacker. They won the National Championship three of the four years he attended Northwest. In 2015 season before an early ACL injury, and 2016 were the two years he played his biggest roles on the team, starting on all special teams and being a role player at linebacker. He feels his time at Northwest is how he learned about what it takes to have a successful program. He learned that it takes everyone on the team to buy into their role from the scout team players all through the starters. He has taken many things he learned from Northwest and implemented it to the Lenox Football Program.

Lenox has always had a high standard for football and that all started under the late Allen Dukes. Coach Dukes took Lenox to the Dome several years and bringing titles to Lenox. Coach Bonde's first year at Lenox (2017) he was a volunteer assistant under Coach Matt Malausky for a year. He then took the Co-Head coach (Defensive Coordinator) role in 2018 where he and Co-Head coach Michael Nardini (Offensive Coordinator) started to work on getting Lenox back to the tradition Coach Dukes started. In the time he has been at Lenox, the Tigers have an overall record of 59-12. The Tigers have made the playoffs every year with a playoff record of 9-5, with

two State Semi Finals appearances.

As all coaches know, everything starts with the coaching staff and players. Lenox has been very fortunate to have assistants that care and want to get the best out of their players. The players have been nothing but the best. They set the standard for Lenox Football, and it filters through to the junior high and pee wee football teams. It takes a village to have a successful program, and at Lenox we are lucky enough to have that.

"I would like to say thank you to all the players, players parents, AD Mandy Storks/Bill Huntington, school admins, coaching staff, and to many others in the Lenox community. Our football success wouldn't be possible without you!"

2024 IFCA STATE COACH OF THE YEAR - 8-MAN

Michael Nardini, Lenox

Coach Nardini is a native of Madrid, Iowa and graduated from Buena Vista University in 2012. After graduating from college he returned to Madrid and served as a Junior High football and basketball coach for three years, and a Varsity football coach for two years under Hall of Fame Coach Randy Hinkel, and Steve Perkins.

After completing his Masters Degree in 2017 he took the K-12 School Counselor position at Lenox Community Schools and joined the football program as a volunteer assistant for one year. Following a 6-4 season he took the Co-Head Coach position with Cole Bonde in 2018. During their 7 years as Co-Head coaches of Lenox, Nardini and Bonde have amassed a career record of 59-12, with a winning season each year, three district titles and five playoff appearances with one Quarterfinal finish in 2023, and two semi-final appearances in 2022 and 2024. They have been named the district coaches of the year twice, and finished their latest season with an 11-1 overall record.

“The Lenox program has been built on the pillars of hard work, perseverance, and everyone doing their part. The 2024 campaign was a culmination of all of those pillars coming together to create a tremendous season and finish in the semi-finals at Cedar Falls. The seniors that we had were incredibly motivated, talented, and dedicated to making themselves, and their teammates better, and this was shown from the way they attacked each day. It has been an incredible joy to coach them, and their example will help maintain the high standard

that we have at Lenox. We have tremendous support from our community, and a special thanks goes to our outstanding coaching staff of Nick Hodges, Todd Parrish, Tyler Peterson, Caleb Lange, Seth Willets, and Leevi Marshall. Thanks also to our athletic director Mandy Stoaks, our stat keepers, and our athletic trainer Kelsi Huseman for patching us together throughout the season. This honor would not have been possible without all the support that we receive.”
