- All families are required to fulfill their volunteer hour requirement of their choice by no later than **May 31, 2020**.
- All hours must be logged into the Dibs section of the website by no later than **May 31, 2020**.
- Team Managers are available throughout the season to help with any issues that may present when claiming your Dib item.
- If, on **June 1, 2020**, all your required hours are not logged, your volunteer check will be cashed.
- To help alleviate any unforeseen issues, it is not advised to wait until the very last minute to log your hours. Support is available throughout the entire season.

I certify that I have read and understand the above information and have reviewed the Havre Youth Hockey Handbook as it pertains to the Dibs Volunteer Program. I understand that failure to have all my required hours logged into the website by June 1, 2020, I result in my volunteer check being cashed.
