

2025 South Lyon Panthers Sponsorship Information

The Panthers sponsorships help grow our program, provide scholarships to Panther athletes undergoing financial hardship so they can continue to play, help provide quality equipment and instruction to ensure our athletes' safety, and offer collegiate scholarship opportunities to former Panther athletes. The success of our youth program would not be possible without the support of our local community, we genuinely appreciate your support.

Our sponsorship opportunities allow for a variety of ways to advertise your business through online media, printed materials at Panthers events and live announcements at home games in both South Lyon football locations.

Attached is our 2025 sponsorship form. If you have questions or would like more information, please contact Kathleen Brossy at ksbrossy@gmail.com.
