# Thank you to our Seniors!

**Max Rensch and Everett Hanson have been a dynamic presence for Lakeville North Boys Lacrosse as senior defensive midfielders.**

**Max plans to attend Normandale Community College to pursue a degree in Business and Everett will continue his academic journey at the University of Wisconsin-Madison, where he plans to major in Biochemistry and minor in Spanish, demonstrating the same dedication in the classroom that they've shown on the field.**

**Their commitment, grit, and team-first mentality have left a lasting impact on the program, and they will be missed both on and off the field.**
