SKILLS COMPETITION

Get ready for some high-energy fun! We're excited to bring you this year's Skills Challenge, featuring three competitive stations that put your players' talent to the test:

STATION 1: Around the Horn Challenge

Think you've got speed and accuracy? In this timed challenge, **Four Players** from your team will make clean throws in the classic "Around the Horn" pattern: **Home → 3rd → 2nd → 1st → Home**

- The clock starts on the first throw and stops once the ball returns to home plate.
- Fastest time with no errors wins!
- Miss a throw or drop the ball? Time keeps running, so stay sharp!

STATION 2: Base Path Relay Race

It's a race around the diamond — with a twist! You will need **Four Players** for this skill challenge. Relay team players will take their base... starts at home plate, mini bat in hand like a baton. They'll sprint to first base, hand off the bat to the next runner, who races to second base runner, then to the third base runner, and finally back home! Fastest team to complete the full circuit wins!

- Clean hand-offs are key — no dropping the baton (bat)!
- Runners must stay in base path lanes and hold the bat while running!

STATION 3: Power Hit Challenge

One player per team gets three swings to hit a ball into a net while a radar gun tracks exit velocity. The goal is to record the highest exit velocity out of the three attempts.

- Balls must be hit cleanly into the net to count.
- Bats must be USABat compliant.
- The player with the top recorded speed wins!

TEAM PARTICIPATION: Each team may enter 9 players total — one player per event, no repeats. This is a great way to get everyone involved, build team spirit, and let individual skills shine. We encourage all teams to join in the fun!

PRIZES: Winners will be celebrated and awarded on Sunday, June 29th. Don't miss your chance to earn bragging rights and some exciting prizes!

The Dickinson Mustang Baseball Club is not liable for any damage or harm occurring during the Badlands Battle of the Bats Tournament. Refund policies in the event of a rain out are as follows:

- **After Two Games:** No refund.
- **After One Game:** \$200 refund.
- **No Games:** Full refund.

UNIFORMS AND EQUIPMENT: Participating teams are responsible for their own uniforms and equipment. The host will assist with any equipment compliance issues.

Expectations: Players, coaches, and fans are expected to conduct themselves with integrity and sportsmanship.

Consequences: Gross misconduct by any participant or spectator may result in the removal of the individual and/or team from the tournament. Such behavior could also affect the team's eligibility to participate in future tournaments.

PITCH COUNT REPORTING INSTRUCTIONS

Accurate pitch count tracking is critical to protecting young arms and ensuring safe pitching practices. The Dickinson Mustang Baseball Club will provide a **pitch count sheet** for each team at every game. It is the **responsibility of each team** to have a coach complete the sheet accurately. The following information must be recorded:

- Date, Division, and Game Number
- Home and Away Teams
- For each pitcher: Jersey #, First Initial, and Last Name
- Total Number of Pitches Thrown
- Name of the Coach Completing the Sheet (for verification, if needed)

After the game:

- The coach should take a clear photo of the completed pitch count sheet.
- Send the photo to **Kaylee Lapp at 701-212-6761**.
- Then, hand the original sheet to the umpire.

All pitch counts will be compiled in a shared Google Sheet for transparency and rule compliance.

SCOREBOOK, SCOREBOARD, AND PITCH COUNT PROCEDURES

For each game, Dickinson Mustang Baseball Club will provide a scorecard, scoreboard remote, and pitch count sheet. The home team is responsible for managing the official scorebook, scoreboard, and submitting the required documents at the end of the game.

- The home team must maintain the official scorebook. Teams may also keep their own, but the final score must be recorded on the provided scorecard and submitted to the umpire after the game.
- A representative from both teams must sign the scorecard before handing it to the umpire.
- Each team must complete their own pitch count sheet and submit it to the umpire and to Board President Kaylee Lapp, as outlined in the Pitch Count Reporting section above.
- The home team is responsible for running the scoreboard using the provided remote. This duty should be assigned to a coach, parent, or team representative.
- If it's the last game of the day, the scoreboard remote must be returned to the concession stand.

HOME TEAM DETERMINATION

Pool or Round Robin Play: The home team will be decided by a pre-game toss. Each team's starting pitcher will underhand roll one ball from the mound toward the front edge of home plate. The ball that stops closest wins. If both balls roll past the plate, pitchers will roll again. The umpire will determine the winner.

Bracket Play: The higher-seeded team will be the home team. If both teams share the same seed, the pre-game ball toss will be used.

2025 CAL RIPKEN LEAGUE RULES & REGULATIONS

The Dickinson Mustang Baseball Club is sanctioned by Cal Ripken and follows the rules and regulations set by the Babe Ruth League. All games will follow official Babe Ruth League 2025 Baseball Rules & Regulations and Official Playing Rules rules unless noted otherwise.

BAT RULE:

All bats must have the USA Baseball logo to be legal. This adheres to the USA Baseball USABat Standard, ensuring safety and consistency in the game. Wood bats are allowed. Bats without the USA Baseball sticker are not permitted.

BASE STEALING: 9U & 10U Division

We follow the Cal Ripken 60-ft. Baseball Special Base Running Rule, which includes specific restrictions on when runners may leave the base. This rule is outlined in detail on *page 14* of the *Babe Ruth League 2025 Baseball Rules & Regulations and Official Playing Rules* book.

Rule: When a pitcher is in contact with the pitcher's plate and in possession of the ball and the catcher is in the catcher's box ready to receive delivery of the ball, base runners shall not leave their bases until the ball has been delivered and has reached home plate. Once the catcher has secured the ball and the runner has stopped his forward progress, all runners must immediately return to base.

Note: The ball remains live and should the catcher make an errant throw to the pitcher or make a play on the runner, the runner can then accept to advance.

POOL PLAY FORMAT: 9U, 10U & 12U Divisions

Teams will be divided into two pools (Orange & Black) of 4 teams. Each team will play 3 pool games, facing each of the other teams in their pool once. After all pool games are completed, teams will be ranked 1st through 4th within their pool using the criteria below.

Ranking Criteria (Applied Within Each Pool): Teams will be ranked in the following order within their respective pools:

1. Overall Record (Wins–Losses)
2. Tiebreakers (if teams have identical records):
 - A. Head-to-Head Result (only if all tied teams played each other)
 - B. Runs Allowed
 - C. Run Differential (Runs Scored – Runs Allowed, maximum 10 per game)
 - D. Coin Toss (last resort)

Bracket Play Format

Following pool play, each team will advance to one bracket game against the team that finishes in the same position in the opposite pool.

- 1st Place-Orange vs. 1st Place-Black (Championship)
- 2nd Place-Orange vs. 2nd Place-Black (3rd Place)
- 3rd Place-Orange vs. 3rd Place-Black (5th Place)
- 4th Place-Orange vs. 4th Place-Black (7th Place)

These bracket games determine final tournament placement for each team.

ROUND ROBIN FORMAT: 11U Divisions

The 11U division has an odd number of teams, which does not allow standard pool play. Instead, teams will participate in a random round robin, with each team playing 3 games. One designated team in each division will play 4 games to balance the schedule. In this case, the Dickinson Mustang AAA team will play two games on Friday and two on Saturday. At the conclusion of round robin play, all teams will be ranked to determine bracket placement. Rankings will be based on the following criteria:

1. Overall Record (Wins–Losses)
2. Tiebreakers (if teams have identical records):
 - E. Head-to-Head Result (only if all tied teams played each other)
 - F. Runs Allowed
 - G. Run Differential (Runs Scored – Runs Allowed, maximum 10 per game)
 - H. Coin Toss (last resort)

For the team scheduled to play 4 games, only their top 3 results (based on wins) will count toward rankings. The lowest-performing game - either a loss or a win with the smallest margin - will be excluded from tiebreaker calculations.

EXAMPLE: Dickinson AAA (Plays 4 Games)

Game Results:

- Game 1: Win 10–2
- Game 2: Loss 3–6
- Game 3: Win 7–4
- Game 4: Win 5–3

Step 1: Remove Lowest-Performing Game

In this case, the loss (Game 2) is the lowest-performing result and will not be counted.

Step 2: Use Best 3 Results for Rankings

The following games will be counted:

- Win 10–2
- Win 7–4
- Win 5–3

Step 3: Calculate Ranking Criteria

- Record: 3–0 (only best 3 games counted)
- Run Differential:
 - Game 1: +8
 - Game 3: +3
 - Game 4: +2
 - Total = +13
 - Runs Allowed: 2 + 4 + 3 = 9
 - Runs Scored: 10 + 7 + 5 = 22

Dickinson Mustang AAA would then be ranked based on these stats, along with the other teams in the division.
