1. When you register and login you will come to the following screen:

2. Click on the ZYSA logo to navigate to the ZYSA landing page.

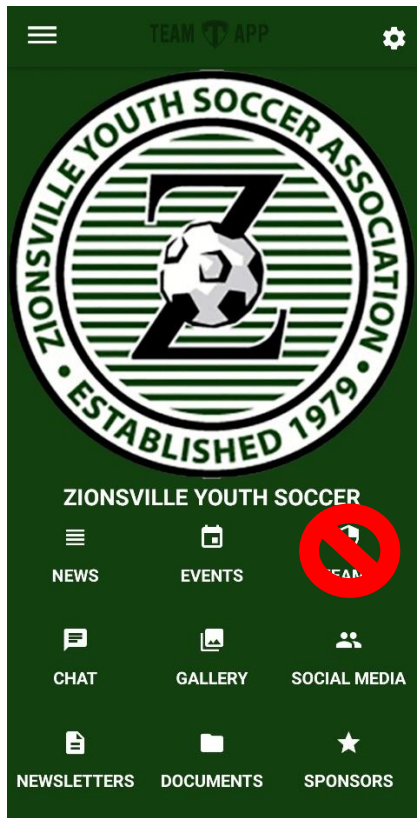

3. Click on the settings icon to see the team(s) to which you've been assigned.

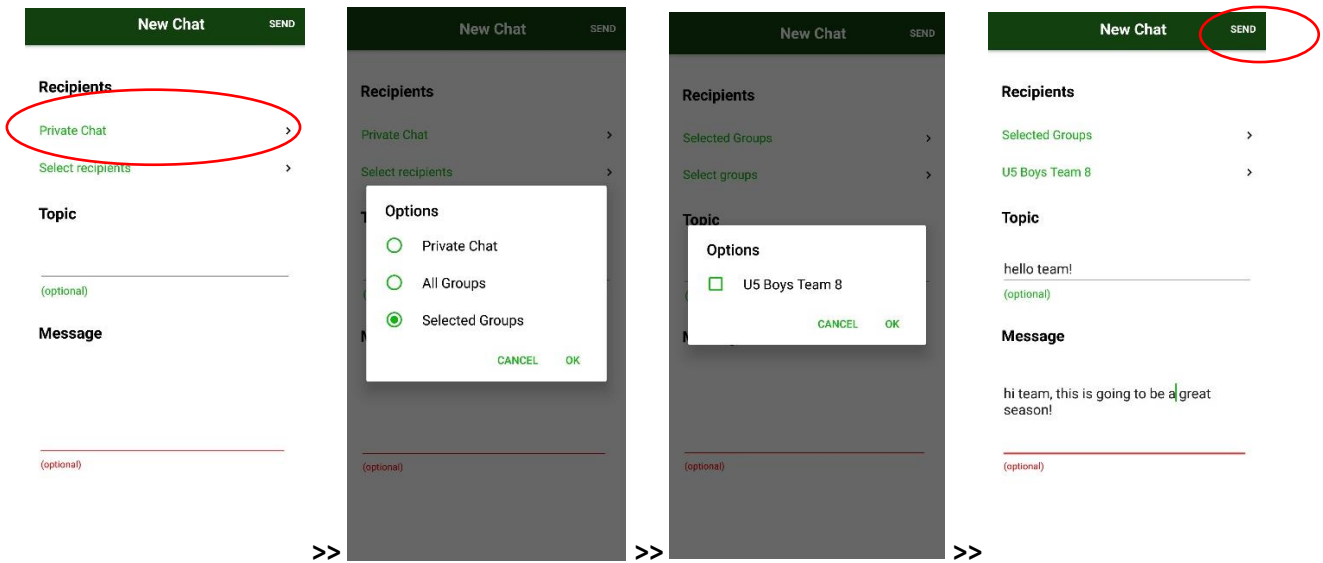

4. If you don't see any teams (access groups) don't worry. Just send Leah Brendel an email to get setup properly.
5. If you click the TEAMS TAB, you won't see anything. This tab will be disabled as we will not be using it.

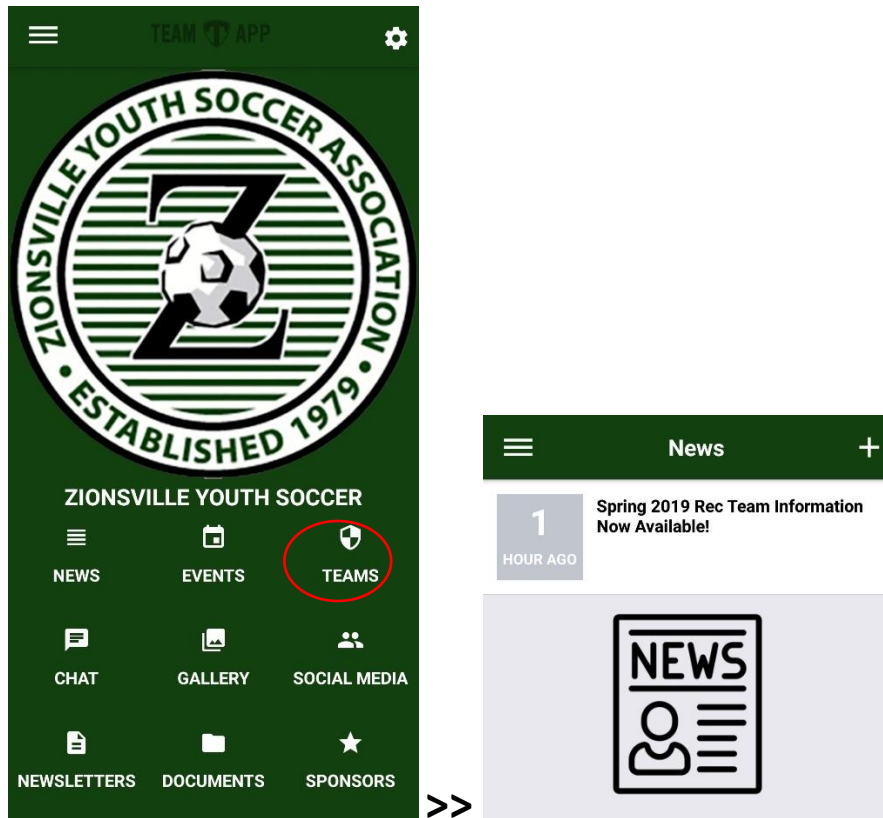

ACCESS GROUP = YOUR TEAM

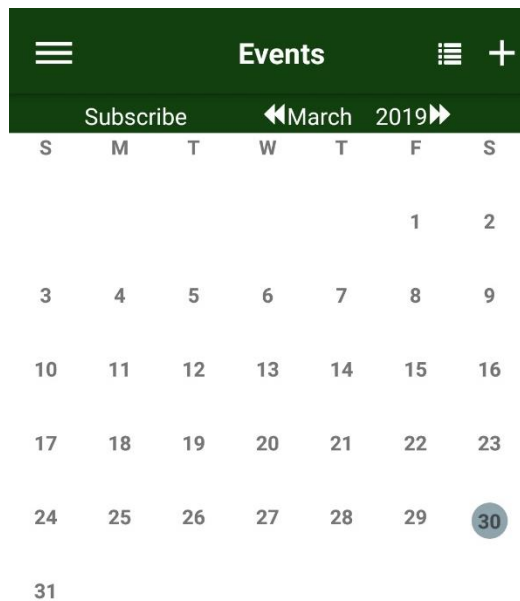

6. To contact your coach and team members, please use the chat tab/function.
 - a. All Groups or Select Groups will create a group chat room among your available team(s)
 - b. Private Chat will create a private individual message to a specific team member or coach.

7. News will be used by Leah & Dan to communicate throughout the season. You should get notifications every time something new is posted.

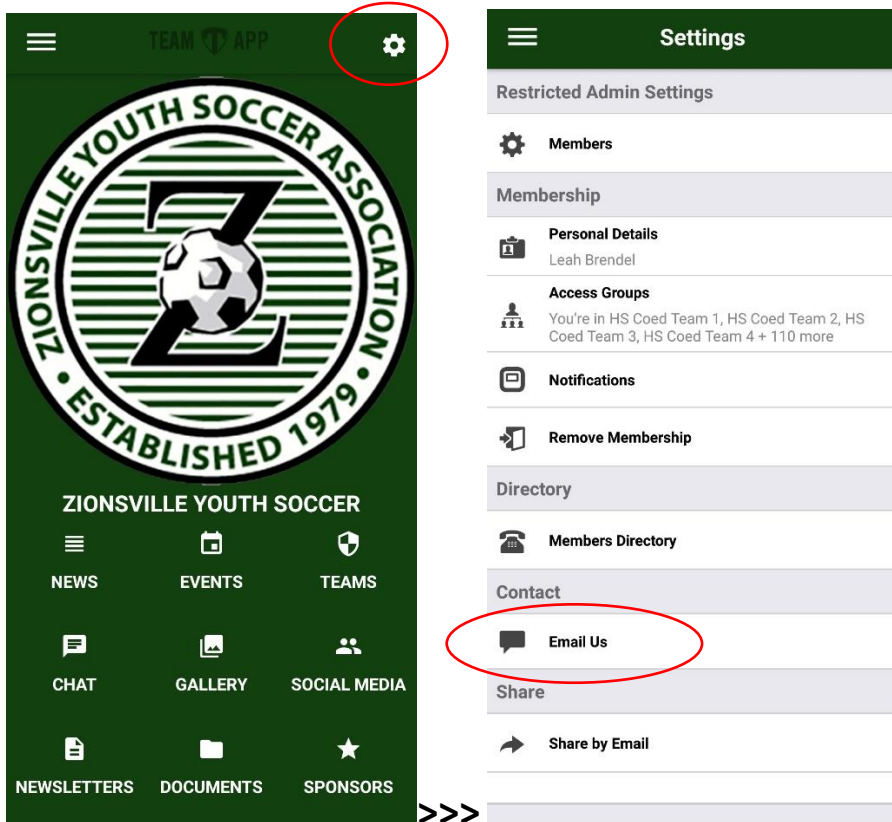

8. Practice & games schedules will be posted to the Events tab. Tab may also be labeled “schedule”

9. You can upload pictures of your team throughout the season to the Gallery Tab.

10. TeamApp support can be reach via the “email us” link in the settings menu.

11. To confirm your assigned team(s) you can click the profile icon and then the Access Groups button.

ACCESS GROUPS = YOUR TEAM
