

Time to Play Hockey!

Step 1

Pack your hockey bag and
grab your stick.

Step 2

Pack your hockey bag and
grab your stick.

Step 3

Drive to the arena. Sometimes it will be at a different arena.

Step 4

You arrive at the arena and walk inside.

Step 5

Walking into the arena, it may be cold, it is bright, and it is noisy. Others will probably be skating when you arrive.

Step 6

You need to get dressed in the locker room. It will be loud, it might smell, and stuff will be everywhere. This is where you need to put on all of your equipment.

Step 7

When you get on the ice you will listen to your coach and assistant coaches. They will blow their whistle to get your attention.

Step 8

If you are playing a game you will also need to listen to a referee. He will blow a whistle like your coach does.

Step 9

During games you will also spend time on the bench waiting for your turn to go out on the ice again.

Step 10

Sometimes a buzzer goes off when the clock is on. It is really loud but should not be scary.

Step 11

You will be on the ice with your teammates.

Step 12

Sometimes you may bump into some other players. This is not allowed, but could happen and others will also try to take the puck away from you. This is part of the game.

Step 13

When you are done you will go back in locker room to take off your equipment.

Step 14

Then it is time to pack our bag, and don't forget your stick.

Step 15

Time to go home
