

Rink Use Protocols

- Mask are always required inside the building, except when eating or on ice surface
- Before entering everyone is required to answer COVID-19 screening questions
- There will be one-way entrance and exit
- No one will be allowed to hang out in the lobby area. The only time people are allowed in the lobby is for pro shop use, bathrooms, or concessions
- Teams will not be allowed into the building until 30 mins before their scheduled time
- Players will be required to stay in locker rooms and not allowed to walk around the building
- Max number of players in each locker room is 6
- Teams are given 15-20 mins to clear locker room after practice
- For practices max amount of people allowed on the ice is 30
- If parents don't stay for practice must give phone # for contact purposes
- Max number of spectators allowed for practice is 60
- For games the bleachers can hold 500 spectators so max capacity is 125 with the 25% rule
- Locker rooms will be sanitized after each use
- Player benches will be sanitized after each use
- All players need individual water bottles
- Any cones or other equipment must be sanitized by coaches after use, this use includes nets. Wipes will be supplied for coaches to use.
- Spectators can only watch from the bleacher area while practicing social distancing
- High touch areas will be cleaned/Sanitized every hour
- At the end of the day arena will be deep cleaned and sanitized
- No spitting anywhere
- These are subject to change, and will be updated as need
