

# Welcome 2024 Sponsors!

Mountainside Lacrosse has been a part of the Maverick community since our inaugural season in 2018. Since that time both the men's and women's teams have had successful seasons, along with many of our men and women making an All-Metro team over the past six years.

Lacrosse is a club sport, and not part of OSAA, therefore we are not subsidized by the school district or the state. This means we must charge registration fees and fundraise to cover the costs to allow our players to play. We do everything we can to make the sport accessible to all that want to play, including offering full or partial scholarships. Unfortunately, this means the true cost to play is much higher than the registration fees we charge, therefore sponsorships and fundraising are very important for the club's future.

This is where you, our beloved community members, can help. Mountainside Lacrosse is a non-profit organization. We would gratefully appreciate your consideration to become a sponsor for the upcoming season to help us maintain our club's financial stability and ensure all who want to play can play.

Please review the various sponsorship opportunities and consider which ones best align with your business and interest in Mountainside Lacrosse.

As we move into the 2024 season, we aim to continue to build an organization for our Mountainside Maverick Men's and Women's players that brings pride and accomplishment to our community. We appreciate your support.
