## TEAM of the MONTH

Team 4-2 is having a great season!! we started with a championship at the Osseo Maple Grove tournament and again this last weekend at the Centennial tournament. The girls are improving individually and as a team every time they step on the floor. We are working on passing ahead in transition and finishing. They are having so much fun sharing the ball and cheering each other on!!

## GREAT ATTENDANCE AT TROJAN MADNESS!

Wayzata Girls varsity season officially kicked off last week and did so with a boom at Trojan Madness, the inaugural "hype night" aimed at celebrating the mutual support between the WGBA and the WHS varsity program. Over 300 WGBA

players, parents, siblings and friends of Trojan Basketball were in attendance cheering on the youth and high school players as they competed with and against one another in dribble relays and shooting contests before the night's main event a Blue vs. White intrasquad varsity scrimmage. WGBA President Chad Greenway and Player Development Lead Peter Stewart got and kept the place rocking all evening long, and Booster President Chris Braun and Julie Stewart closed it down celebrating the love and how we're all #BetterTogether.
