

Pacer FB News & Notes - Preseason Week 1

The 2021 football season is here! Here's the link again to this week's [News and Notes](#) document. Here also is the link to our [2021 Calendar](#) with a few updates that I made since sharing it with you last week.

For Monday morning, I've got a registration period scheduled to open up at 7:30am so that we can start taking care of some details before our official start time of 8:00am. Remember to wear athletic clothing and shoes as we will be doing some speed/fitness testing as part of our time together. We will be providing water again this year but I would still encourage you to bring your own from home for the sake of good hygiene.

If you have any questions or concerns, please let me know. I look forward to seeing all our players tomorrow morning and all our parents at the 6pm meeting tomorrow night!
