We would like to invite everyone to our monthly board meetings. These are held the second Wednesday of the month at 7:00 pm in the New Rink Conference Room.

### Secretary's Report:

Fully approved minutes for month of February 2019 (these have been posted on the BYHA website). We had to changes: The date the at the Pro Shop will be closing and then that next season the PW/12U skaters will be switching to sublimated jerseys. Mat will need an estimated count from HOC on our numbers for the upcoming season.

- Hans 1<sup>st</sup>, Mat 2<sup>nd</sup>. No Discussion. All Approved and motion passed (5-0).

Watch your in-box for our end of the season survey (this will be getting sent out the beginning of April). Please take the time to fill out the survey so we can better prepare for the upcoming season.

### Treasurer's Report:

#### **Actuals:**

1. Cash Balance (from prior month): \$90,230.59 as of February 28, 2019
2. Expenses paid: \$78,952.12 in expenses in February 2019
3. Estimated expenses upcoming: Anticipate expenses of \$78,000 in March 2019
4. Income received (prior month): \$49,269.96 in revenues in February 2019
5. Estimated income upcoming: Anticipate revenues of \$56,000 in March 2019

- Lena 1<sup>st</sup>, Danielle 2<sup>nd</sup>. All Approved, No Discussion and motion passed (5-0).

### Registration Report:

No updates at this time.

### Tournament Report

Home / Away Tournaments should all be wrapped up now for the season. Planning for next year's tournaments will be starting soon so we can get advertising in the Let's Play Hockey Tournament edition.

### SAFE Sport / TEAM Before Ice / SCORE Report:

**TEAM:** Solider Project. Our Mites and Mini-Mites have been collecting donations this past month for the Army Recruitment center in Buffalo. They are working on creating care packages to send to our local soldiers that are away from home. Packages were sent out...our kids were able to bless a lot of soldiers with the items that they collected.

**SCORE (Skaters Creating Opportunities for Reaching Excellence):** The BYHA would like to recognize those skaters that maintained a B or higher grade point average during the hockey season. We had a great SCORE party on Saturday, March 9<sup>th</sup>.

#### One Goal:

Nothing new to report at this time.

#### Fundraising Report:

Working with a few BYHA members on putting together a Fundraising committee.

#### Manager Report:

Nothing new to report at this time.

#### Equipment Report:

We will be switching 12U and Pee Wee's over to the sublimated jerseys. Mat will be working with HOC on their estimated #'s for next year.

We have received a few requests from Mites to use goalie equipment over the summer.

Equipment turn in dates for the team practice jerseys, game day jerseys and puck bags is on March 21<sup>st</sup> and 22<sup>nd</sup>. Managers are signing up for a time slot to turn in their equipment.

#### Volunteer Report:

Thank you for everyone that volunteered their time this season. We couldn't operate without your help and dedication.

### Hockey Operations Report:

Next meeting will be Sunday, April 1st @ 7:00 pm.

Starting to look at numbers for the upcoming season. Biggest concern is at the 15U level. The HOC is working with Dave Carothers and the Girl's Coordinator on a plan.

Potentially we will be adding another squirt team for the 2019-2020 season.

5000 Puck Club awards have been handed out – the prizes were well received by the participants. We are also looking at ways to track this digitally next season.

Yuri reached out to the city about the condition of the ice. It sounds like they will be pulling the ice out in May to look at repairs. He also talked to Lee about renaming the "NEW" rink as it is not new anymore.

### Concessions:

We will be looking at having one more Rock On Ice in the month of April to help eliminate some of the inventory that we have.

### Apparel:

No new updates at this time.

### Pro-Shop:

Inventory has been completed.

### City of Buffalo:

Brandon will be meeting with Lee to discuss upcoming projects for the rink.

### Marketing / Recruitment / Retention Report:

No new updates at this time.

### Advertising / Sponsorship / Marketing BYHA to the Business Community:

Adam is still working on his list of sponsors/logos for the BYHA website. He will be sending an update to the board. Also, he is working on updating the sponsorship form that is posted.

### District 5 Report:

There was not a D5 meeting for the month of March.

### Additional Notes:

The HOC and BOD is going to be working on their job descriptions that can be added to the handbook. We will also be working on this for the other positions in the association.

877 Endowment Scholarships.

Our BYHA Annual Survey will be going out in April. (Watch your inboxes!)

The 12U Team had a balance in their team fund of \$133.83 and they donated that money to the Scholarship Fund. Thanks Ladies for your contribution! 😊

The BOD would like to invite all BYHA members or anyone else that is interested in the BYHA to our monthly board meetings. These meetings are open to everyone. They are held the 2<sup>nd</sup> Wednesday of the month at 7:00 pm in the New Rink Conference Room.

We have 7 open positions on the BYHA Board of Directors. We have 17 candidates running for the board. Elections for these positions will take place at the board meeting April 10<sup>th</sup> @ 6:30 PM – 8:00 PM. It is great to see this many candidates running for the board. Check out their bio's below and come out and vote on April 10<sup>th</sup>.

BYHA Election Ballot

Select up to Seven (7) Directors by filling in the box next to their name:

- ☐ Melissa Altschul
- ☐ Lisa Chrest
- ☐ Nathan Dixon
- ☐ Alyssa Domagala
- ☐ Jessica Fudali
- ☐ Tiffany Grube
- ☐ Adam Hennen
- ☐ Mike Honsey
- ☐ Hans Iverson
- ☐ Angela Kinneberg
- ☐ Shawn Kirschner
- ☐ Aaron Levin
- ☐ Jodi Martin
- ☐ Mat Meyer
- ☐ Michelle Otto
- ☐ Maria Rosso
- ☐ Justin Westerlund
- ☐ Write In Candidate(s): \_\_\_\_\_

**Melissa Altschul**

Our family has resided in Hanover for the past 5 years. My husband, Ben and I have 3 boys who are heavily involved in youth sports. All 3 are skaters for BYHA, Everett will be a Squirt next year, Foster is a Mite and Barrett has participated in One Goal and will be a first year Mite. They also play lacrosse for Buffalo and

soccer through Wright County. My husband Ben has been coaching for BYHA for 4 years and I have been a team manager as well as the Mite Manager Co-Coordinator for the past 2 years. I am sure you can tell we are passionate about growing youth hockey within Buffalo.

My day job is as the Director of Software for Minnesota Gastroenterology. My career requires me to be responsible for a large annual budget, management of a team, head of committees, proposal writing as well as providing presentations to our board. I feel my skills from my job will connect nicely to the needs of an association board member.

My goal as a board member would be to support our skaters and provide a great experience for our kids. I also feel as a board member, I could help to grow the association and bring in a fresh perspective as a parent who has young skaters looking to participate in hockey for years to come.

#### **Lisa Chrest**

My name is Lisa Chrest. My family has been part of BYHA for 8 years, my son a player, my husband a well-respected coach and myself the Bison's #1 fan and cheerleader. In addition to BYHA hockey, The Chrest family has run many off-season hockey teams. Hockey is a wonderful opportunity for physical and emotional growth of our young athletes and future adults. I believe it should be a safe, positive, fun and challenging youth sport.

My passion is helping young people reach their fullest potential. I enjoyed many years as a special education/instructional paraprofessional and daily volunteer in our great BHM school district prior to going back my Accounting education and background. I am currently employed as a part-time bookkeeper.

Fiscal responsibility, safety, fairness and growth of our program are areas I would like to see improvements within our already great hockey program. I believe this can be obtained with an open-door policy for feedback from athletes and parents, fiscal transparency and equal opportunities for all athletes. When we all work together as a team we can accomplish great things! Thank you for your consideration, I look forward to serving my fellow hockey families. Please feel free to contact me with any questions, suggestions or concerns.

[Corysmom26@gmail.com](mailto:Corysmom26@gmail.com).

#### **Nathan Dixon**

I was born and raised in the Hanover/Buffalo community. I live in Buffalo with my wife and 4 boys and I am a 4th generation farmer. I'm proud to have played hockey for Hanover/Buffalo Hockey Association since I was 7. I have had the vantage point of being a player for all of these years – personally experiencing the association through the programs offered, coaches in action, funding and more. I also have experience as a parent with two boys (1 upcoming Squirt and 1 mini Mite) My wife has been a mite manager for the past 3 years and our family looks forward to continuing to support and be a part of the BYHA events. I want to continue to build a strong organization that puts the focus on the kids – including every kid that is interested regardless of their experience

or level and help them to develop a love for the game and continued skill growth and to keep involvement high is also a priority for me. I love hockey and I love what it taught me; how to work hard, how to lose, how to be a winner, respect, and most importantly teamwork. I am excited to a part of an association that I think is strong and look forward to implementing change to continue to improve the association and programs offered to our kids in the community.

#### **Alyssa Domagala**

My twin boys are skaters in BYHA. They are currently 2<sup>nd</sup> years Mites, and they love hockey! My husband Nathan and I are from Annandale, 3 years ago, while our boys were participating in Annandale's Rink Rats program we attended a meeting in Annandale regarding the future of Annandale hockey. Our boys weren't old enough to play yet but we knew they would, so we attended the meeting, and we were in full support of the Union with Buffalo. We have been so happy with BYHA. It has been a great experience and an awesome place for our boys to play. My husband and I are originally from Luverne, MN, my husband grew up playing hockey and I was a figure skater so we both spent a lot of time at the rink. Nathan's family was always very involved in the Luverne Hockey program and we still have a lot of ties to the program there. I own my own business in Annandale and am currently on two Boards. I just completed my 2 year term as President of the Annandale Chamber of Commerce and will remain on the board in a Past President role. I was also nominated and elected to join the Board at our local church. I am interested in joining the board because I feel I can offer a unique perspective as a newer hockey parent as well as be a voice for Annandale if there isn't anyone from Annandale currently on the board.

#### **Jessica Fudali**

My name is Jessica Fudali and I am running for one of the open positions on the Buffalo Youth Hockey Association (BYHA) board of directors. I have two boys currently in hockey-a Bantam and a Squirt. We have been a part of BYHA for 5 years. In the past two years I have been a team manager at the Squirt and Bantam level. I am an RN that manages the care of 36 senior residents and a staff of 50+ unlicensed caregivers at Cokato Charitable Trust in Wright County. I am responsible for budgeting, marketing, admissions, discharges, adhering to state rules and regulations, hiring competent staff, supervising staff and the care of our residents. I have strong leadership skills with a customer first approach guided by teamwork, communication, organization and problem-solving skills.

I support putting kids first within BYHA that gives them an opportunity to be successful in their highest potential, have fun and remember their experience to build the next generation of hockey players. I will advocate to continue to improve the BYHA mission of "promote a fun, fair hockey environment that develops respect for others, self- confidence, leadership and teamwork in all the student athletes (BYHA Handbook)." I would like the opportunity to contribute to BYHA by serving as a board member. Thank you for your support.

### **Tiffany Grube**

Hello Buffalo and Annandale families! I grew up in Northeast Iowa and moved to Minnesota right after college, and finally to Annandale in 2015. We have been involved in BYHA since Annandale was welcomed into the Hockey family in 2017. My husband Josh and I have 3 children, 1 Squirt soon to be Pee wee, 1 U8 soon to be U10, and 1 soon to be mini-mite.

In our spare time my family and I love the outdoors, particularly the winter months. We can often be found snowmobiling, skiing, just playing outside, and of course playing Hockey! In the summer we like to swim, ski, tube, fish, and are willing to try just about anything else you can do outside.

I am excited for the opportunity to apply my experience and knowledge from my role in Community Education to the Treasurer Position on the BYHA Board. In my professional life, I am the Director of Community Education in the Annandale and Maple Lake Schools. The Community Education Teams roles and responsibilities consist of managing all Youth Sports Offerings, before and after-school care, early childhood family education, adult enrichment activities, as well as managing all facilities and grounds. The Team and I are responsible for all activities related to registration, billing, scheduling, marketing, customer service and any other role that may be required on any given day.

I am looking forward to actively participating and helping to provide great experiences for the youth and their families in the Buffalo and Annandale Communities!

### **Adam Hennen**

Hello my name is Adam Hennen, I'm thirty five years old, I am married to my wife Kristen Hennen with two wonderful children. Evan who is a second year mite and Ellie who is sixteen months old. We live in Annandale, and are a part of the Buffalo Youth Hockey Association. The days I am not at the rink you can find me and my family on our pond/rink skating and playing hockey behind the house. I work in Heavy Equipment sales, and you can usually pick my truck out in the parking lot at the rink with all the Heavy Iron Sales decals all over it. I would love to join the board to help grow and better the program. I'm extremely passionate about the sport and Buffalo Hockey and feel I could help the program out.

### **Mike Honsey**

My name is Mike Honsey and I am running for the BYHA Board for the upcoming year. I have been involved with BYHA for 3 years and have 3 daughters all in hockey. Marley will be a 10U skater this next season and Harper and Hayden will finish up their last year of Mites. Our family moved to Buffalo in 2010 for my wife to further her medical career as an OBGYN at Allina Health. I made the decision to stay home with our children after that move as we had 3 children under 2 years of age. Prior to the move to Buffalo I worked for 12 years as

a VP at Bank of the West specializing in Commercial Lending and Cash Management. We have made Buffalo our home and have been blessed to meet so many great families in the community and through BYHA.

I did not grow up playing hockey as it was not offered at my school in southern MN. My wife figure skated growing up and I played every sport besides hockey including college baseball at Winona State. I have developed a passion for the game and love to watch my girls play. I believe that through sports there are so many life lessons that can be learned and practiced. Sportsmanship, a strong work ethic and growth through competition are all qualities that I believe our children can learn through hockey. I would like the opportunity to add my time and talent to the BYHA board in hopes to further support that vision for my children and yours.

#### **Hans Iverson**

My name is Hans Iverson and I would like to be re-nominated for an open position on the Buffalo Youth Hockey Association Board of Directors. I have been the Treasurer on the hockey board for the past 3 years. I've enjoyed helping the association improve, grow and I am proud of our work to provide affordable hockey to the Buffalo and surrounding communities. My son Garrett will be a first year PW next year and our daughter Ella will be a 2nd year skater in the U8's. We are also active in the lacrosse association where I coach at the U12 level. I moved to Buffalo in 2011 with my wife Sadie and our two children. I am originally from Lamberton, a small town in southwest MN, have a degree in finance from UMD and have 18 years of experience in financial services. Currently I am the COO of a credit union based in Plymouth MN. I feel my background and experience will continue to bring value to the BYHA board. I'd love the opportunity to continue my work with the hockey association to build on its successes and to help ensure it continues to bring great value to the local communities.

#### **Angela Kinneberg**

Greetings BYHA Families, I would like to ask for your consideration and vote for a position on the BYHA Board of Directors. I have three daughters who play for BYHA hockey (Claire, Natalie & Gracelyn). From October until March the hockey rink truly is our second home.

I am a proud military wife for the last 18 years. While stationed at our last active duty base, I was involved in the non-profit spouses club. I held the positions of Secretary, Vice-President, and President. I understand the complexity and responsibility to have a board position, along with finding what is best for the organization as a whole.

Since our daughters started playing hockey at BYHA in 2013, I have managed 5 teams and enjoyed doing that each year. Managing is a wonderful way to get to know the players and their families better. I strive each year as a manager to support the coaching staff in what they would like to accomplish in a season so they can focus on their job as a coach.

I am excited to see the growth overall BYHA has had over the years and would like to serve on the Board of Directors to represent the wonderful families in the Buffalo Youth Hockey Association.

Thank you for your vote!

### **Shawn Kirschner**

My wife and I have lived in the area since 2003. We have 4 children: Alexandra (10 – U10), Landon (8 – Mite), Gabrielle (6) and Ryan (4) – all of whom skate and will all play hockey at some point I am sure! I have been a coach (off and on) with BYHA since 2007. I am heavily involved in the community through several different philanthropic activities, including Cooks for Kids and Adopt-a-family. I founded the STFX Open six years ago which is a golf tournament fundraising event for St. Francis Xavier School. I currently own and operate a few different companies and have purchased and sold businesses in the past. My business experience, coupled with my passion for hockey and the better good of our community, would make me a great fit for a position on the Board of Directors. I am excited about the direction our association is headed, and envision many great things to come with the right team in place. It is important to make sure the youth currently in our association have the best opportunities to play such a great sport, but it is equally important to look at the big picture and set the association up for success for the thousands of kids to come in the future. It would be an honor to serve on the Board.

### **Aaron Levin**

As with many of you, hockey has been my way of life. For the past 35 years I have been fortunate enough to live and breathe hockey through being a player, coach, official and father. I believe that all the different perspectives are critical in being able to understand the many layers of the game and to equip me with the knowledge and perspective of how to evolve with it effectively within our association.

I currently have two skaters within Buffalo Youth Hockey – as a Squirt and a Mite (who have continued to make me grow as a father, person and coach)! I have been actively involved in the BYHA as a coach for the past four years and will continue to coach into their future. I also have experience coaching multiple “off season” teams through Buffalo Breakaway in both the fall and spring seasons. Outside of the BYHA, I have officiated for the past 25 years across Minnesota from the Mite to High School to College levels. I believe this extensive perspective of hockey, across all levels, allows me to have a broader lens to which I can see the effectiveness of which various associations are running on the ice, as well as how they function off the ice and in the off season. The perspective of player, coach, official and father of current players has made it clear to me that an active, knowledgeable and consistent youth hockey program is the key to the long-term success of our kids. All of our kids!

Professionally, I am a Product Development and Strategy Director for a large financial firm. In this role, I’m responsible for looking at both the business and competitive markets to understand what is evolving and how. Based on information gathered, my team creates and executes 3-5 year initiatives that will ensure our competitive advantage.

How can this translate to hockey as a board member? My ability to work within a team to understand long term growth and execute competitive plans can assist BYHA now and into the future development of the hockey program. Hockey as a game has evolved and our approach also needs to take that into consideration. To stay competitive, I believe BYHA will need to continue to grow and evolve and look at long term growth vs year to year programming. I also believe we need to encourage more family involvement, solicit constructive feedback on daily operations and better promote our overall organization. We have the ability, with a growth mindset, to set the youth hockey standard both on and off the ice.

Regardless of experience or knowledge, for me, serving on the board needs to be driven by the passion and desire to make our kids the center of everything that is done. As long as they continue to be our sole focus of decisions, we can work together to set them up to be successful in both hockey and life beyond.

#### **Jodi Martin**

My husband and I have 4 boys, all who have participated in many sports including, baseball, track, football, swimming, basketball and HOCKEY! Over the years I have had the opportunity to coach and manage many of their teams. Now that our 3 oldest have graduated and have moved onto college and careers, I find myself with extra time that used to be split between all their different activities and sports.

In my many years supporting youth sports I have come to believe that for a team/association to be successful all positions need to work together. I believe athletes thrive best when they play with teammates who are at a similar skill level. I also feel that honest and encouraging coaching plays a significant part in the success of the player. As a parent, I want to be sure I set a positive example, be supportive, not only of my player, but also to his team and the association he plays for. It is essential that all parties involved have trust and confidence in the people making the decisions. I believe everyone should trust that they can bring their concerns, ideas, and compliments to the board.

Annandale is new to the BYHA, but hockey is not new to my family. My husband was raised in Canada, so hockey has always been a huge part of our lives, including a hockey rink in our back yard. Our youngest son just finished his 1<sup>st</sup> Bantam year with BYHA.

We have lived in Annandale for 20 years and I have worked for Wright County Human Services for almost 10 years. My primary responsibility is to prioritize the needs children while maintaining strict confidentiality. I have a Bachelor of Science in Management/Accounting.

#### **Mat Meyer**

My name is Mat Meyer and I am seeking reelection on the BYHA board for a second term. My son will be a second year Peewee and has been involved with BYHA since 2011. Currently I am holding the positions of equipment manager and I also oversee and schedule the Pro Shop operations. I previously was the mite manager coordinator from 2013-2016.

Professionally, I am a mechanical design engineer for Turck, a global automation company.

I have been involved in youth sports for many years. I have been a coach for youth baseball, softball, and football. Each opportunity has had both rewards and struggles. I take pride in guiding the athletes through their journey. It is quite rewarding watching them succeed in their accomplishments.

I still feel I have more to give and strive to keep the association moving forward and in the right direction.

#### **Michelle Otto**

My name is Michelle Otto and I am seeking one of the board positions.

I have been a BYHA hockey mom for almost 25 years  
4 kids in the program and now currently also have a grandson.  
The reason I would like to be on the board is to bring back the reason we are all here  
and that is for ALL the kids in the association to have fun playing a sport they love and  
to leave the politics out of it.

I have been attending many board meetings and have made it a point  
to make the current board members more transparent, meaning making sure  
the budget is on line for members to view, budget accountability and having the newsletter reminders sent to  
our members to keep you updated on what is going on.

I believe our try out process needs to be changed ,, and that would entail having outside evaluators  
I believe in accountability, transparency and doing what's right for all involved!  
I would appreciate your vote in April so that together we can make BYHA a great place  
for all!

#### **Maria Rosso**

I was born and raised in Buffalo, and all three of my children have been skating here since they were mini-mites. Next season we will have a first-year peewee, a first-year 10U and a mite. My husband Derek grew up playing hockey in Buffalo and we have enjoyed watching our kids make friends and have fun playing in the BYHA for the past 6 years. With our children getting more independent at home and at the rink, I am looking to get involved and help the association on a different level. There isn't enough safety equipment (for me or the kids) to get me out on the ice during practices, so I am looking to join the BYHA board. I was cheering in the

stands when our new rink opened during the 2000-2001 season, and I am excited to help keep our association and our facilities strong.

### **Justin Westerlund**

I have been part of the BYHA organization for 8 years. My son is a hockey player and I have been a coach for most of the 8 years we have been in the BYHA organization. In addition to BYHA hockey, I have helped coach some off season hockey.

I think it is important to remember that BYHA is about our kids development into young athletes! I will make sure that is a priority along with a safe, positive, and fun environment for our kids while they play hockey in the BYHA organization. It is a passion of mine to help and watch our young athletes grow and develop!

With that said, I believe we have a pretty good BYHA program but I also believe we can do much better and I would like to see some improvements within our hockey program. It is important that BYHA board be transparent to all the members within BYHA, be open to feedback from athletes and members, not be afraid to make changes when needed based on feedback, and be fair to all athletes based on their skill level.

Thank you for your consideration and I look forward to serving on the board for BYHA.

**Motion to adjourn @ 7:54 pm.**

## BYHA Board of Directors (BOD)
