What specific skills can you provide to help support and build AYHA?

Knowledge and experience of developing, supporting, maintaining a whole program.

Commitment to identify improvements

Support current and new coaches

Briefly explain your reasons for wanting to run and be part of the AYHA Board. This information will be shared on the voting forms at the Annual Meeting:

I have a passion for youth sports and I strongly believe in giving all children in our community the opportunity to participate in quality athletic programs. I feel that I can bring a variety of experiences to support and improve the current program in regards to coaching and being an active board member.
