LIFEletes Mission

LIFEletes. Inc. 'Volleyball Club' is a 501(c)3 Non-Profit organization created in order to serve as an outreach program to provide access to individuals with limited financial means that would otherwise be excluded from participating in competitive volleyball outside of the school day. We pride ourselves on establishing an atmosphere where all players and family members feel a sense of belonging and family ties. Our program focuses on youth development on and off the volleyball court. Our goal is for players/athletes to become effective citizens by learning to work with others, strive for excellence, build character and enjoy the sport of volleyball. Learning these key principles is the foundation in which this program rests on.

LIFEletes Developmental Recreation Volleyball League

Developmental Rec Volleyball fills a gap between expensive club volleyball programs and intense tryout competition for schools and club volleyball teams. LIFEletes provides girls/boys the opportunity to learn the sport of volleyball regardless of playing experience, income, and/or athletic ability. Participation in sports can help build self-esteem and confidence, can motivate children to excel academically and can help build social skills. Participation also can teach children the benefits of goal-setting and practice. Our Program starts with youth 12 years of age and above. Rec players will play games every Saturday thru AAU or LIFEletes Volleyball competitive recreational league and May - July for AAU sanctioned events.

LIFEletes Club Volleyball League

To participate in LIFEletes Club Volleyball League, all players must have a current annual USA Volleyball membership. Your annual USA membership also serves as your secondary insurance in case of injury. The annual membership fee is only \$55, and is good for a full year from the day you join. Club tryouts/skill evaluation session dates and times are outlined above.

Club/Rec Fees

Our fees are much more affordable and the structure is different than most other clubs. We don't want anyone to lose out on this opportunity for financial reasons. Additional info to be provided at parent meeting.
