

Game Day Checklist:

- **Monitor local weather...**Any schedule changes please make sure Nathan is informed and the one who decides what changes can be/are made to the schedules. If weather related field closures during the week, please try to advise coaches of it by 3 pm the affected day
- **Nathan has credentials for Remind 101 system.**
 - Send out announcements through the Remind system to the coaches.
 - Login is michaelavejar@gmail.com and password is CCSA@WAC0860!!
- **U6/U8 field set-up:** Can set-up field numbering flags Friday evening if you want...Goals and Bags can be placed Saturday before games.
 - **Do not use Yellow Stakes to secure Kwik Goals...**doing so can damage them when the kids pull or run into them. Better they're unsecured.
- **U10/U12 Fields:**
 - Goals are staked in and are to remain in place after games. They are far enough removed from the sideline of the 11v11 (white lines) field that they do not need to be moved for any reason.
- **Kratz (Drew @ 502-550-1503)** should have uniforms delivered by 9/12.
 - Coaching shirts for new coaches will be available by 9/12 game day
- **Lock Combinations:**
 - Small gate by HVAC = 9839 (Do not open this one on game day)
 - Double Gate Entry = 9839
 - Small Gate separating grass fields Turf Field = 5424 (Do not open this one on game day)
 - Gate on former playland = 6408
 - Locks on small goals inside play area – keys are hanging inside Concession Stand door
 - Lock codes to parking lot-facing Turf Field gates:
 - Closest to fag pole = 6331
 - Closest to garages = 2272
 - Lock to full size goals on Turf Field = 7425 (i.e. RICK)
- **Complex Signage:**
 - Make sure A-Frame signs are along fence in primary walkway (one of each) and inside double gate entry (again) by walkway adjacent to old playland. Try not to obstruct walkway though
- **Miscellaneous (all items left on front concession stand counter)**
 - **Drew Starck**, Kratz (uniforms): 502-550-1503
