

Port Washington Legends

Frequently Asked Questions

- 1) *Are team placement decisions based solely on the tryouts?*
No. The evaluations are just one consideration. Current and past Legends coaches, as well as PYA intramural coaches (for those players who haven't played Legends in the past), provide evaluations based on past performance.
- 2) *For kids who attend sleep-away camp or take extended summer vacations, will there be a spring/fall only team at all age levels?*
Maybe. If we have enough interest from both players and coaches, we will consider creating teams from 8u and above.
- 3) *Are teams based on grade or birthdates?*
Teams are largely based on birthdates. Teams will generally follow the travel league cutoff calendar of May 1 – April 30.
- 4) *Do only blue team players play for the PYA Little League All-Star (Williamsport) team?*
No. We will be selecting players for our PYA Little League All-Star (Williamsport) teams (10u – 12u) in June 2024.
- 5) *How much of a commitment is Legends?*
In general, Summer is the primary season (12+ league games June – August with a weekly practice). Some teams also enter tournaments. Summer games can be on weekends or weeknights depending on the league and the availability of teams and fields.

Spring and Fall seasons are generally each 5 games (plus playoffs) with a weekly (weeknight) practice. Each team treats Fall and Spring differently (not all teams have a Fall season).

During the winter, teams will meet on a weekly basis (Friday, Saturday or Sunday) for an indoor winter workout.
- 6) *When/where are winter workouts held?*
Winter workouts are held at a local indoor facility. Each team will be given a timeslot of approximately 1 – 2 hours, during the weekend (Friday eve – Sunday).
- 7) *How do I volunteer to serve as a coach on a Legends team?*
Please notify us at legends@pyasports.org if you are interested in serving as a Legends coach.
- 8) *What is the fee for Legends travel baseball?*
Each season is invoiced individually and will vary by team and season. The invoiced amounts will include outside league costs, instructor fees, fields/workout facility charges, administrative fees, tournaments, etc. Uniforms are purchased separately.
