Chili Youth Baseball is a non-profit organization made up of volunteers that develop and run a youth baseball league in Chili, NY. It was founded in 1954 and is still thriving today thanks to the generous sponsors that have helped fund the league over the years. With sponsorship funds, CYB is able to purchase uniforms, equipment, insurance, and umpires for kids ages 4-15 to play organized baseball in the community they live in. Chili Youth Baseball believes that partnerships with businesses and organizations like us help strengthen our community. Our families will see your generous sponsorship and want to do business with you because you care about their kids. We hope that the joy that baseball brings to these kids over the years will make them want to raise their own children in this community some day. We have several options for sponsorship opportunities for the 2026 season for your consideration.

WEB SPONSOR

\$100 FEE

With a web sponsorship, your logo, address and phone number will be posted on the sponsor page of chilibaseball.org as well as our facebook group and at league events. 300 or more baseball families will visit these sites each season.

FUNDRAISER/DONATION

CYB participates in several community events throughout the year and hosts an Opening Day event to kick-off the start of the season. Extra funding or donations are needed to help make these events a success. Every dollar counts and is greatly appreciated and will be recognized on our site or at the event.

TEAM SPONSOR

**\$250/Team
\$150/Additional Team(s)**

With a team sponsorship, your business name will be printed on the back of the team jerseys. The teams field 12-13 players per team and wear the jerseys to games/events from May-August and beyond. Your business information will be posted on the sponsor page of chilibaseball.org, shown in our Opening Day program and printed on lawn signs to be displayed at our events.
