Refund Policy

It is the policy of the Kansas State Referee Committee that all registration fees paid for USSF registration, in-class instruction, and other administrative fees will be considered non-refundable unless otherwise approved by the State Referee Administrator. If a bookkeeping error involving a double-charge, an incorrectly charged amount, or other error occurs, it will be rectified promptly provided the error is reported by the referee involved to the State Referee Administrator in writing within 7 days of observing the error. Any listed administrative fee, i.e. credit card transaction fee, program administrative fee, will be retained by the Kansas Referee Development Association for all registrations.
