USA Hockey Report

- Winter meeting coming up December 3rd and 4th in Columbus, OH to go over the budget.
- Averaged about 2-3 match penalties per week for the district. Having a quick meeting, reviewing footage, talking to referees and making player penalty offers without having to have hearings has been very successful. Most have been accepting. We have had a few hearings, majority of infractions are attempts to injure or swinging sticks.
- States will be at Ice Castle. Please remind everyone to get their payments and final applications in by December 31st.
- Parent behavior is very poor and needs to be addressed as a district. Education is important. Parents need to act like adults.
