New England District Regional Tournament Teams

Subject: Cancellation of the 2020 New England District Regional Tournaments

Dear NED Players and Families,

As we all know, the dangerous coronavirus (COVID-19) has hit the United States and forced the cancellation of many academic institutions and all levels of athletics around the country, including USA Hockey nationals.

Unfortunately, this means that we are cancelling the 2020 NED Regional Tournaments.

We hope you all stay well

Respectfully,

The New England Hockey District Presidents and Directors

New England Hockey District is a member of USA Hockey consisting of the states of Connecticut, Maine, New Hampshire, Rhode Island and Vermont.
