## **Application Process:**

The Glenbrook South Titan Booster Club looks for board members based on the needs of current booster club members rolling off and/or specific needs of the committees. The application process is a multi step process including the application, a telephone interview and final Board Approval. This process is done to ensure that the board membership position is mutually and successfully beneficial for both parties.

*\*Being a Glenbrook South Titan Booster Club board member does not, in any way affect their child's  
Glenbrook South athletic team participation or playing time\**
