

2021 ANNUAL SPONSORSHIP

Thank you for taking the time to consider sponsoring the Nipmuc Youth Field Hockey program. Nipmuc Youth Field Hockey (NYFH) is a non-profit organization that is staffed entirely by volunteers who love the game of field hockey. This fall will be our third season having a youth field hockey league in Mendon/Upton. Because of you, our families, and the passion of your players, we had a tremendous 1st year with over 60 players. Our second year, looked different due to the Covid-19 pandemic, but we had great participation in our modified clinic structure for all and indoor season for some of our upper grade players. We anticipate more players for the 2021 season as our momentum grows and new players become eligible and interested in our league.

The Nipmuc Youth Field Hockey goals are the following:

- Teach the fundamentals of the game of field hockey in a positive and fun environment
- Promote organized youth field hockey through sportsmanship and competition
- Teach values, teamwork, discipline and the love of the game
- Develop relationships that promote health and fitness in a safe environment

At this time, we are formally seeking sponsors. As you know, managing a league can be costly. Your support is greatly appreciated to ensure we are able to provide an excellent experience to all of the field hockey participants. Your sponsorship helps offset the cost of equipment, clinics, field rentals, insurance, and registration fees.

If you are interested in teaming up with us this season and becoming a sponsor of the NYFH program, we encourage you to preview the packages available and let us know which one you may be interested in. We greatly appreciate your generosity.

Thank you for your support,
Nipmuc Youth Field Hockey Board

Kara Boates & Amy Magazzu
Co-Presidents

Alanna Bodio
Vice President
