## 8. GENERAL RULES:

Owing to the diverse conditions and terrain over which cross-country running is held throughout the province, it is impossible to lay down any rigid legislation for the standardization of the course.

### a) THE COURSE:

It is recommended the course for the Provincial Cross-Country championship consist of a 2 km loop and a 1 km loop incorporated into the course.

The cross-country run shall be over a course of 3000 m to 5000 m in length. Measurement shall be along the middle of the course. The course shall be clearly marked (by a wide chalk line or by sign posts with large directional arrows wherever the course turns, or by flags about one-foot square mounted on stakes which hold them to the ground).

Flag designations:

A RED flag generally indicates a turn to the LEFT.

A WHITE flag generally indicates a turn to the RIGHT.

A YELLOW flag generally indicates STRAIGHT AHEAD.

NOTE: Running regulations and penalties for failure to follow the course are the same as for other track events.

- b) Cross-country running is intended as an “off-track” activity and, therefore, the competitor must expect a variety of terrain. Prepared surfaces should not be expected, and a variety of footing caused by natural terrain and weather conditions must be accepted as part of the competition. Although a variety of terrain, etc. are to be expected and indeed are desired, when laying out the course, the following two points should be emphasized:
- 1) Very high obstacles should be avoided, as well as deep ditches, dangerous ascents or descents, thick undergrowth, and, in general, any obstacles which would constitute a difficulty beyond the aim of the competition.
  - 2) Narrow gaps or other hindrances which would deny a competitor an unhampered run, must be avoided whenever possible.
- c) The course must be measured prior to the event.
- d) The responsibility for providing a proper course and its markings rests with the host body, who should place course inspectors and umpires at intricate parts of the course to direct competitors and ensure that they keep to the proper course.

e) **THE START:**

A starting grid will be in place as follows. The start line will be divided into 14 zones each 8 feet wide and 8 feet deep. Each district will be assigned an 8-foot by 8-foot box on the start line. The district coach will designate the order in which the runners will be placed in the box (no more than 3 runners may be in a row within the box.) The starting boxes will be shifted each race by two positions.

- f) Competitors in cross-country events are not allowed to receive any assistance or refreshments from any person during the progress of the race. Given this and the recommendation that the course be built as a 1km loop and a 2km loop, the expectation of coaches and parents being allowed on the course is not applicable.

g) **SCORING:**

- 1) At the conclusion of the race the judges shall decide the respective placing of the scoring competitors from each eligible team. The team having the lowest aggregate score by adding the placing of the four scoring runners will be declared the winner.
- 2) In the event of a tie, it shall be resolved in favor of the team whose last scoring member finished nearer first place.
- 3) Scoring shall be as shown in the following scale:

<b>PLACING:</b>	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	5 <sup>th</sup>	6 <sup>th</sup>	7 <sup>th</sup>	etc.
<b>POINTS:</b>	1	2	3	4	5	6	7	etc.

All competitors who finish the race shall be ranked and tallied in accordance with the above table. The team score shall be determined by totaling the points scored by the FIRST FOUR finishers of each team. The team that scores the FEWEST POINTS is the WINNER.

If fewer than FOUR competitors of a team finish, that team will not be eligible for team awards.

h) **OFFICIALS:**

The following officials are considered necessary for provincial events, but organizers are at liberty to vary these where local circumstances require:
