Tony Wood was present to discuss the registration process for the 2018-2019 season. It was determined registration would take place from September 1st thru October 15th with one in person registration occurring on September 18th at the RoughRider Center from 3:30 – 7:00 PM. It was decided during the registration process the parents will be accepting the new policies that will be going into place this year regarding the \$500.00 penalty for not fulfilling volunteer hours. We also decided that the rental prices will stay the same unless someone only needs to rent one piece of equipment. That one piece of equipment will cost \$25.00 for the season.

Jada will be posting the registration times and hours on Facebook.

The golf scramble was discussed and we will posting this on Facebook as well to get additional people signed up.

The co-ed softball game was discussed. There were currently 4 teams signed up for the softball tournament.

Tim and Jeff will be conducting coaching interviews in August and any additional discussions that need to occur will happen later in August.

Jaret will be finalizing the handbook in August and will try to have the final copy to the board by the September meeting.

Jaret will be working on the dashboards throughout the month of August and securing a sponsor for the zamboni once it is determined who donated or paid for the zam.

Chad and Linsey Cox will be doing the gear for the 2018-2019 season.
