Meeting was called to order at 2:00pm.

- Discussion and Selection of officials for the 2023 Regional Championships took place. At the conclusion of the meeting, Michele will email Pat Panichas with the recommendations for MA, as well as notify those selected to be on the lookout for the availability form and resume from Pat Panichas when it becomes available.
- Reviewed the three week prior to states qualification date. Discussion took place with giving more notice to the clubs for such an impactful change when facilities need to be booked so much in advance.
 - Motion to maintain the two week qualification deadline for Dev. Program and Xcel meets occurring in March and April.
 - Motion: Marlyce
 - Second: Jenn
 - Vote: 4-0
- Discussion regarding upcoming dates for the Annual Membership Meeting and Meet Director meeting. The hope is to be able to have them on Zoom (greater attendance by more clubs), in back to back meetings. Tentatively scheduled for September 17th, time TBA (likely late afternoon so that people having workout later will be able to attend).
- Meeting adjourned at 2:20pm. Next meeting – August 17th at 1:00pm via Zoom.
