

## 2025 Gopher State Football League (GSFL) Game Day Sheets

This survey will assist us in scheduling games for your teams for the upcoming 2025 youth football season. Please be as specific as possible with your responses and complete by August 1st. Do not leave any area blank that is required. List NA (not applicable) if you do not have an answer.

Please use the link provided to you in an email to access the document and use the tabs at the bottom of the page to complete the following four areas:

**Home Game Hosting Sheet: Field availability for our teams to host our teams at home field.**

**No Play Request Sheet: Conflicts to avoid for scheduling our teams.**

**Home Game- Special Play Request Sheet: Special home game request for our association.**

**Bowl Games Host Sheet: Request to host multiple bowl games at home on the last weekend.**

Please see below for detailed information needed to complete the Game Day Sheets

### Home Game Hosting Sheet

If you want to host league games, please complete the information sheet completely and consideration will be given when scheduling games.

Please list your Association, Field Name of Field if there are more than one field, Field Address, Field Size for play (80 yd or 100 yd), Day/Date (s) available with Start Time and End Time for Field Access:

### No Play Request Sheet

If a grade level/team cannot play on a certain date or time frame due to special circumstances (sport tryouts/School functions/religious holidays) please complete below and consideration will be given.

NOTE: teams will play every weekend unless there are odd numbers of teams in a group so not playing an entire weekend will likely not be possible. A morning tryout will not stop you from playing an afternoon game, for example.

Please list below: Association, Team Grade, Day, Date, No play start and end time each day.

### Home Game – Special Play Request

If a grade level/team wants to host a special play date or time frame due to special event (special field access/youth homecoming/all teams play at home) please complete below and consideration will be given.

Please list below: Association, Team Grade, Day, Date, Location/Field(s) and reason.

### Bowl Games Host Sheet

On the last weekend of the season, we will have BOWL GAMES. If you would like to host games at your site and have a series of games on Saturday or Sunday, October 11 and/or 12 please complete accordingly. Our preference is to have bowl games on artificial turf sites, if possible, due to possible inclement weather or have them at multi-field sites to create a great end of season atmosphere for all involved.

Please list your Association, Field Name, Field # if there is more than one field, Field Address, Field Size for play (80 yd or 100 yd), Day/Date (s) available with Start Time and End Time for Field Access.
