

## BALL SPORTS ACADEMY

200 Intertech Pkwy, Angola, IN 46703

[www.teampineapple.com](http://www.teampineapple.com)

We are excited to announce the new home of Team Pineapple! BSA (Ball Sports Academy) is open and in full swing. The facility will be 25,000 square-feet with three full-size volleyball courts, a 2,500 square-foot Parkview Sports Medicine clinic, BodywRx massage group, an Olympic style weight room for additional strength training, and a state-of-the-art CryoSpa for recovery and injury prevention.

# BSA - HOME OF TEAM PINEAPPLE

Our mission is to bring high level volleyball to the communities we live in and help create a volleyball culture that leads our student athletes onto great things, on and off the court.

## OUR IDEOLOGY

Teach and emphasize the basic fundamentals of volleyball. Teach court awareness and strategy. Give a positive experience to all club members while pushing them to a higher standard than they push themselves. All while they enjoy a great sport that promotes health, teamwork, communication, and the competitive spirit. We at Team Pineapple also try to use the Christian foundation that I was brought up in to instill life lessons into our players that will last them a lifetime.

## THIS YEAR WITH PINEAPPLE

Team Pineapple is constantly growing and evolving. We had 6 teams go to USAV Nationals last season. Our 14's won MEQ's in Indy to qualify and our 12's won the Hoosier Bid Challenge to qualify. Our 11-14's 1's teams were all ranked in the top five in our Region.

**Recruiting Services** - *Videos & College Coordinating* (Included in Open package, can be added to Club package for \$50.) Proud that we have many athletes committing to schools monthly!

**Strength Training** - *Speed, Agility, and Weight Lifting in our new training center* (Included in Open package, can be added to Club package for \$100.)

**Enhanced Schedule** - Each year we have added new tournaments and new collaborations. To continue the trend and add onto last year's great schedule, all Open Level Teams will attend *Lakeshore Volleyfest (NEW)*, *JVA World Challenge (NEW)*, Bluegrass, Mideast Qualifier, Central Zones, giving them more opportunities to qualify for USAV Nationals. Other events include MLK, President's Day, Smack Series. Additional events may be added on a line-item basis based on the teams needs; these events may include USA Challenge, Can-Am Classic, JVA Summerfest, ASICS Junior National Championships.

## GREAT COACHING STAFF

We are blessed to have so many experienced coaches with so many years of experience. Here are just a few: Lloy and Sarah Ball, Brian and Lisa Harris, Chris Gisslen, Lisa "Cheeks" Hormann, Rachelle Gilbert, Bobbie Thompson, Lydia Gard, Trisha Perschke, Pat Tolin and many others!! These coaches are the reason Pineapple has become such a positive influence in so many student athletes' lives!
