

FALL BASKETBALL LEAGUES BOYS & GIRLS 4TH-12TH GRADE

ALL IN Athletics is the largest basketball program in Illinois, and one of the biggest programs in the nation. In 2020, we had nearly 600 players participate in the ALL IN adidas® Premier Fall Leagues. The fall leagues provide a platform for the youth of the Chicagoland area to achieve excellence in the sport of basketball through intense training, quality coaching and mentoring, competitive experiences, and a family-oriented environment.

- **adidas® Partnership:** ALL IN Athletics is an adidas® sponsored basketball program. We use our relationship with the internationally renowned athletic company to aid our student-athletes in reaching their athletic and academic goals.
- **Jr. NBA Flagship Network:** ALL IN is 1 of 15 Jr. NBA Flagship Network programs nationwide. The Jr. NBA Flagship Network is comprised of a very select group of best-in-class youth basketball organizations that share the Jr. NBA's vision for how the game should be taught and played at the grassroots level, and have committed to pursuing the highest standard of operation in the industry.
- **Statistics:** ALL IN will keep stats for all high school fall leagues. We will track scoring leaders, 3-point leaders, wins and losses. Statistics will be updated weekly at aiathletics.com.
- **Prep Hoops Coverage:** Boys' and girls' high-school fall leagues will be covered by Prep Hoops, the most comprehensive website for year-round player, team, and recruiting coverage and analysis. By covering high schoolers pursuing athletic careers at all collegiate levels – Division 1, Division 2, Division 3, NAIA and Junior College – Prep Hoops helps student-athletes fulfill their dreams.
- **Flexible Scheduling:** We offer flexible scheduling for players that participate in more than one sport or activity during the season. We ask that you provide us with the practice & game schedule for your other team or the complete schedule of your child's other activity so that we can do our best to plan the league schedule around it.
- **College Recruiting Opportunities:** For the boys and girls high school leagues, players will have the opportunity to be evaluated by D2, D3, NAIA, and junior colleges. *(D1 coaches are restricted by NCAA rules and cannot attend fall leagues.) The league will also feature several media outlets and scouting services providing in-depth coverage of the leagues.*
- **Controlled Environment:** A major benefit of the ALL IN Premier League is that it is an "in-house" program. ALL IN has complete control of scheduling and referees. From an organizational standpoint, we do everything we can to provide the most competitive and safe games for the players.
- **Player Development:** The primary focus of the league is on player development. The ALL IN goal is to develop each player. With one game each week, we are able to provide a complete basketball experience that stresses: fundamental skills, game concepts, teamwork, and sportsmanship.

"ALL IN has been a great program for Jeannie. It was important to us to find the right balance - a high quality program that provided the right opportunities and exposure, but also a team-oriented atmosphere where the coaches really care about the players on and off the court. ALL IN provided all of that."

- Rodger Boehm (Father of ALL IN Alum, Jeannie Boehm - New Trier, Harvard University, McDonald's All-American & 2-Time USA Women's National Team Selection)
