A Message from the Bellevue High Football Booster Club

Welcome!

Thank you for becoming part of the Wolverine Football family.

This season, our 76<sup>th</sup>, continues a long tradition of community involvement in a program that values character, teamwork, and a strong work ethic.

Volunteer effort in support of our kids begins with coaches helping eight year olds "suit-up" for the first time as Rookies in the Greater Eastside Junior Football Association. Countless hours of coaching, carpooling, videotaping, working the chains, snack-bringing, scoreboard-keeping, and field-managing now bring us together on Friday nights to celebrate the many years of hard work and commitment on past Saturdays!

The Bellevue High School Football Booster Club is the 501.c.3 organization of parents and other Wolverine football supporters that continues a tradition established by volunteers over the years. As this year's club President I applaud the enthusiasm and selflessness of our members. Their energy and generosity create a thriving program. Although many serve, some deserve special thanks. #### A Message from Bellevue Junior Wolverine Football

While Bellevue High School was busy last year winning another state title, the youth Program was winning titles of its own. Out of the five Greater Eastside Junior

Football Association levels in which we compete Wolverine Jr. Football captured four Titles. Our Rookie. Cub, J.V. & Varsity teams all brought home the Trophy! At the Rookie level, both teams in the championship game were from the Wolverine system.

This year our program continues to grow. We have added another team bringing our total to Eleven teams. Over 250 kids are learning the "Bellevue Way" of playing football. With the added playing fields. Not only is football affected by this shortage, but all other sports as well

growth comes the need for more

I would like to thank all those that help to make our system the best of the best. Wolverine Jr. Football has over 50 coaches and dozens of other volunteers

that teach our children not only the X's and O's of the game but more importantly discipline, team work and sportsmanship.

> Come by and see tomorrow's High School players today in the junior program. We play games in Bellevue Highs Memorial Stadium from early September until mid November.

#### "Two years prior to coming to see Dr. Levine I began suffering from constant headaches and neck pain as the result of an auto accident. After two years of suffering I decided to give chiropractic care a try. After learning what was happening to my spine and what was causing the pain, I knew that the treatment offered could actually work.

After a short time of receiving regular spinal adjustments, I noticed my neck pain and headaches went away. I feel great and I have more energy for fun and work! With regular spinal health check-ups, better eating habits and exercising, I know I'm living a better life."

## "All Hail the Blue And Gold" Trygve Carl Skoglund Spirit Bell

In the memory and spirit of Trygg Skoglund, Class of 2000, a newly replaced bronze bell proudly rings at Bellevue High School football games. Senior players will continue the tradition of ringing the spirit bell as they embark upon the field on game night. In addition, the bell will be rung after touchdowns.

The dedication and original bell was built in 2001, from loving donations of our school families, friends, and Booster Club. Unfortunately, the old historical cast iron bell had a crack in it. So that our tradition wouldn't be lost, the Skoglund family replaced the bell. A school landmark, this bell symbolizes the spirit of Trygg and his love of Bellevue Football.
