

**WASATCH FRONT
FOOTBALL LEAGUE
2025 MINI-BOWL**

To All Players, Coaches, Parents, and Participants:

Congratulations — You Made It to Mini-Bowl 2025!

Welcome to the 58th year of the Wasatch Front Football League, proudly promoting youth football across our communities. As a player or coach, this is a day you'll remember for the rest of your life — the reward for all your time, hard work, and dedication that brought you here.

The WFFL Executive Board hopes everyone in attendance today will celebrate the success these young athletes have already achieved and focus on the positive journey that led to this moment.

No matter the outcome of today's games, these 20 teams represent something much bigger — a community of over 200 teams, 4,000 players, 750 coaches, and more than 1,300 games played this season. Each participant, coach, and volunteer has contributed to making this season a success, and we thank you for it.

The Executive Board extends sincere appreciation to the Association Directors for their tireless work throughout the year. While formal meetings begin in April, the planning and collaboration started months earlier — with discussions, meetings, and coordination since February to ensure another successful season.

As you enjoy today's games, please take a moment to thank your Director and the Executive Board for their dedication, leadership, and commitment to youth football. It's been a long, productive, and truly rewarding year — and today is the celebration of that effort.

Thank you for your support.
