VIII. New Business

To approve 2022-2023 Committee and Resource Groups.
**Motion (Mr. Arias):** To approve the Committees and Resource Groups for the 2022-23 season as provided to the Board, details of which are provided in Appendix A with the addition of Abdel Salem and Lauryn Deluca as members of the Audit Committee.

Rationale: The committee working group has reviewed all applications and provided the Chair of the Board with recommended appointments for the 2022-23 membership year.

Second: Abdel Salem
Result: Passed by voice vote

To approve Mrs. Christina Pachuta as Secretary to the USA Fencing Board of Directors

**Motion (Mr. Arias):** That the Board of Directors of USA Fencing appoint as Board Secretary Mrs. Christina Pachuta, and remove Ms. Catherine Bouwkamp PLY as Board Secretary.

Rationale: Mrs. Pachuta’s training as a legal processional, together with her role at USA Fencing’s HQ makes her the appropriate resource for the Board, and fits within her existing role overseeing our Compliance area.

Second: Abdel Salem
Result: Passed by voice vote

To approve new disciplinary processes as proposed by Mr. Stephen Hess, Outside General Counsel.

**Motion (Mr. Arias):** That USA Fencing adopt as stated the disciplinary process and instruct the staff to proceed to provide updated policies and procedures as appropriate to the board which fit with this new process.

Rationale: The disciplinary process streamlines our approach to discipline off of the field of play and brings our disciplinary processes into anticipated compliance with USOPC and US Center for SafeSport requirements.

To approve a pool of disciplinary panel members for non-athlete representative positions.

Arias: Motion withdrawn to further review proposed disciplinary process and it’s impacts on current bylaws.

**Motion (Mr. Arias):** That the following individuals be appointed as a pool of membership for the disciplinary panel process, subject to the approval of the above motion.
Jonathan Hirsch
Samuel Cheris
Selina Kaing
Vickie Miller
David Eldridge
Paul Levy
Jack Weiner
Mario Trimble
Mark House
Jessica Saxon
Arielle Andrews
Lauri Lewis
Rachel Crass Wood
Anna Sasaki
Regis Becker
Aimee Rice
Michelle Ku
Lloyd Hancock
Amy Bianchini
Samuel Lillard
Lewis Siegal

+ All members of the existing USA Fencing Legal Resource Group:
Donald Alperstein, Vic Bianchini, Thomas Hanahan, Sada Jacobsen, Julio Mazzoli, Emil Pehlivanov, Roger Pierro, Raymond Snytsheuvel, Rick Torres and Paul Lewis.

Rationale: In order to provide for efficient panels, a pre-approved group to call from who are dis-interested in any particular issue. Athlete representatives are essentially pre-approved since there are only a number who are recognized under the “10 year” rule, Ms. Holmes and Ms. Deluca will remain in position to recommend participation from this pool on behalf of the USA Fencing AAC.

Arias: Motion withdrawn until disciplinary process is ready for review.

Change of Bank Authority.

**Motion (Mr. Arias):** That Mr. Jack Gierhart be removed from the USA Fencing bank accounts, and Mr. Phil Andrews be added to the USA Fencing bank accounts, reflecting the change in the CEO role.

Rationale: As we have now appointed a permanent CEO for USA Fencing, and Mr. Gierhart has moved on, we need to change the authority on our banking functions to the appropriate approver.

Approval of 2022 Financial Policy and Procedures.

**Motion (Mr. Arias):** That the 2021 Financial Policy and Procedures now updated to the 2022 Financial Policy and Procedures be approved as our USA Fencing policy subject to review by Treasurer, Sam Cheris, and an independent auditor.

Rationale: The previous approved policy dates from 2018, but in practice we have been using a policy produced in early 2021. There is no material change from the practical policy, but an accounts receivable policy has been added.

The revised Policy & Procedure is attached as Appendix D, with the specific addition as Appendix M

Second: Donald Alperstein

Approval of Vice Chairs.

**Motion: (Mr. Arias)** To appoint Selina Kaing as Vice Chair and Advisor to the USA Fencing Board of Directors for the current Season.

Rationale: Ms. Kaing, a graduate of USA Fencing’s Leadership Academy, brings to the Board experience, connections and abilities not present among the voting members of the Board. These include, but are not limited to, her extensive and technology experience in private industry. Ms. Kaing has also been of considerable assistance to the Chair in the discharge of certain of his duties, including, for example, her leadership role in this year’s Committee and Resource Group Task Force work. Ms. Kaing’s resume is attached to this Agenda as Appendix E.

Second: Abdel Salem  
Result: Passed by voice vote

**Motion: (Mr. Arias)** To appoint Ivan Lee as Vice Chair and Advisor to the USA Fencing Board of Directors for the current Season.

Rationale: Mr. Lee, a graduate of USA Fencing’s Leadership Academy, is a retired police officer and currently serves as head coach of Long Island University’s NCAA fencing team. In the latter role, he has developed and grown a moribund program into one with vibrant women’s and men’s teams. Mr. Lee has also served on the board of an educational institution. His experience in those roles provides perspectives not otherwise present among members of the Board of Directors but which are important to the Board’s work. Mr. Lee’s resume is provided with this Agenda as Appendix F.
Second: Kat Holmes
Result: Passed by voice vote

Re-Appointment of the USA Fencing Treasurer.

Motion (Mr. Arias): That the Board of Directors reappoint Mr. Samuel Cheris as USA Fencing Treasurer pursuant to Bylaws Section 6.2.a.

Rationale: Mr. Cheris has served USA Fencing as its Treasurer for the past year and successfully guided the financial operations of the organization through a period of staff changes. Additional staff changes are forthcoming as open accounting positions have yet to be filled. Mr. Cheris is intimately familiar with USA Fencing finances and has successfully discharged the duties of the office as set forth in Bylaws Section 6.1.c.

Mr. Cheris’ resume is attached a Appendix G.

Task Force regarding Multi-Sport Membership

Motion (Mr. Alperstein): That the Board of Directors of USA Fencing appoint a task force comprised of members and staff to consider the advisability and practicality of partnering with two other NGBs to offer a single payment multi-sport membership for young athletes, and to report its finding and recommendations to the Board no later than the Board’s Winter Meeting in February 2023.

Upon approval of this motion, the members of the task force will be named at the next meeting of the Board based on staff recommendations and indications of interest received in the interim.

Rationale: USA Fencing has formally embraced the “American Development Model.” The ADM includes among its “Core Values” and “Goals” participation in multiple sports and advises multi-sport activities for young athletes in the early stages of athletic development, particularly for ages 6-12. Engaging with two other NGBs will allow young athletes the opportunity to participate in several sports and athletic activities, including fencing, in furtherance of the ADM approach. But of equal or greater importance, a multi-sport membership will expose young athletes who would not otherwise try fencing to our great sport. Other sports with whom we might partner, by way of example, could include archery and taekwondo. While we may lose some members to other sports, those individuals would probably not in any event dedicate themselves to fencing for the years needed to achieve high performance and would probably not, in the words of our Vision Statement, engage in “a lifetime enriched by fencing.” As a result, a multi-sport membership stands not only to increase our membership in the long run, but also to open a new stream of competitively successful fencers.

Bylaw Amendment Vice Chair to Vice President.

**Motion (Mr. Arias):** That the following prospective amendments to the USA Fencing Amended and Restated Bylaws be approved for publication pursuant to Bylaw Section 14.2.a, and that these amendments be considered for adoption at the next meeting of the Board following the required comment period:

That all references in the Amended and Restated Bylaws of The United States Fencing Association, effective as of January 5, 2002, be further amended to change to “Vice-Chair,” “Vice Chair,” and “Vice Presidents” to read “Board Advisor,” except for such references in Section 12.11, which shall remain unchanged.

**Rationale:** The terms “Vice-Chair” and “Vice Chair” appear numerous times in the Bylaws but do not reflect the role of the positions to which they refer. For example, the Vice-Chairs do not stand in the line of succession to the duties of the Chair of the Board. Instead, as described in Section 6.1.d, these positions exist to “advise the Board of Directors, assist the Chair of the Board in the discharge of the duties of that office, and perform such other duties as may be assigned by the Board of Directors.” The term “Board Advisor” more accurately describes those functions. “Vice Presidents” appears once in the Bylaws (in Section 9.3), apparently as an artifact of earlier terminology that was apparently overlooked when use of that term was abandoned in previous amendments. Section 12.11 is excluded from the proposed amendment because it refers to Vice-Chairs of the Referees’ Commission and the designation remains accurate and appropriate in that context.

Arias: Motion withdrawn in order to address all clerical areas within the bylaws at once.

Approvals of United States Fencing Foundation Trustees

**Motion (Mr. Arias):** That the following individuals be approved as re-appointed as trustees of the United States Fencing Foundation.

Selina Kaing
Lianne Merchant

**Rationale:** Per Article 4 of the United States Fencing Foundation Articles of Incorporation, the Board of Directors shall have final approval of all elected trustees.

Second: Abdel Salem
Result: Passed by voice vote

**Motion (Mr. Arias):** That Laura Johnson be approved as a newly appointed trustee of the United States Fencing Foundation.
Rationale: Per Article 4 of the United States Fencing Foundation Articles of Incorporation, the Board of Directors shall have final approval of all elected trustees.

Second: Donald Alperstein
Result: Passed by voice vote

Motion (Mr. Arias): That Jake Hoyle be approved as a newly appointed athlete representative on the United States Fencing Foundation Board of Trustees.

Rationale: Per Article 4 of the United States Fencing Foundation Articles of Incorporation the Board of Directors shall have final approval of all elected trustees.

Transgender and Non-Binary Athlete Policy

Motion (Mr. Arias): That USA Fencing adopt as stated the USA Fencing Transgender and Non-Binary Athlete Policy provided in a separate document (to be attached as Appendix I)

Rationale: As USA Fencing continues to expand access to the sport of fencing, we recognize the importance of creating inclusive and safe spaces that promote equality and fairness for all. As it currently stands, the existing transgender policy places considerable limitations that have the potential to exclude transgender and non-binary athletes from competing in our sport. Additionally, enforcing a nanomole requirement for transgender women (MTF) has the potential to exclude persons not intended to be impacted by this policy (i.e., intersex individuals and others born with genetic gender deficiencies). The proposed policy, which was developed in collaboration with other USA Fencing Staff, members of the DEIB committee, legal counsel and medical working groups, leans on the most available scientific data pertaining transgender athlete performance broadly. In accordance with our mission to foster a fencing community of diversity, equity, inclusion, and belonging, the proposed policy centers fairness in the sport while also promoting inclusion of transgender and non-binary athletes.

Youth Fencing Task Force – Y10 and Y12

Motion (Mr. Alperstein): That the Board of Directors of USA Fencing appoint a Youth Fencing Task Force to consider the advisability and propriety of conducting Y10 and Y12 events at national tournaments, with the report of its findings and recommendations to be delivered no later than the Board’s Winter Meeting in February 2023. The Task Force
will comprise the chairs of the Tournament Committee, Sports Medicine Resource Group, and Youth Development Resource Group, (or their designees) the CEO and Membership Director of USA Fencing (or their designees), the USA Fencing Education Manager, two coaches with a background in youth development with differing perspectives on the issue, and such other experts inside and outside of USA Fencing who, in the judgement of the foregoing members, can inform the Task Force’s work.

Rationale: There are many reasons to consider whether USA Fencing should continue to offer national level competition at NACs in the Y10 and Y12 age groups, and good considerations on both sides of the question.

Among the points suggesting that such competitions are not beneficial are the following:

- USA Fencing has formally embraced the “American Development Model.” The ADM model provides that activities for beginning athletes (generally under age 12) should “Emphasize practice over competition; if competing, not beyond local or regional levels.” During Stage 2 of the ADM approach (normally for athletes aged 10-16), emphasis should be on “furthering skill development through challenges, such as recreational competition, organized sport programs or club participation,” and that this should occur through “Recreational competition at local and regional levels.” Stressful travel and competition at national tournaments seem antithetical to these principles.

- With the reduction in the number of NACs being conducted by USA Fencing, we have seen the loss of national level competitive opportunities for a large segment of USA Fencing’s membership, notably those who fence developmentally or recreationally in Divisions 2 and 3. Discontinuing or reducing the number of Y10 and Y12 events at the NACS would allow us to again provide services to these constituencies.

- The increased number and higher quality of SYCs, RYCs, and other regional and local opportunities for young fencers provide ample competitive experience, are more consistent with the ADM, and save family resources while providing clubs and divisional organizers with income to support their businesses and objectives.

- Referees and other observers have noted anecdotally that parent and coach misbehavior seems particularly acute and more troubling in younger age events, disrupting the tournaments and diminishing the enjoyment of athletes affected by poor adult conduct.

Among the points suggesting that such competitions are beneficial are the following:

- USA Fencing’s international success began after the adoption of youth fencing and our results progressed through Cadet, Junior, and Senior ranks as the youth fencers aged. Eliminating or reducing the number of national level youth events jeopardizes future international results.
The viability and success of some clubs and financial support for some coaches may depend on having Y10 and Y12 events at the national level.

Children are safer in national venues where FenceSafe and MAAPP are in the forefront.

These considerations for and against are by no means the only ones bearing on the issue, but are offered as examples of the reasons why USA Fencing should reassess its approach to Y10 and Y12 competition.

Second: Lauryn Deluca

Motion to Amend (Ms. Holmes): Amend the original motion to replace all references to “Y10 and Y12” with “Y8, Y10, and Y12”.

Paralympic Amendment to USA Fencing Strategic Plan

Motion (Ms. DeLuca): To amend the USA Fencing Strategic Plan by the addition of a new Objective 7 “Position USA Fencing’s Paralympic Program for Optimal Success in the 2024-28 Quad”.

Rationale: Investment into the Parafencing program is needed to grow it into a force that can position USA Fencing to dominate at the 2028 Los Angeles Paralympics. Proposed Objective 7 sets benchmarks designed to position the Parafencing cadre consisting of athletes, referees, and medical classifiers for success at the 2028 Los Angeles Paralympics. The proposed objective lays out benchmarks such as:

- Developing 10 National Level Parafencing referees
- Having a minimum of 3 IWAS, international certified referees
- A minimum of 1 IWAS certified classifier
- Host a Parafencing World Cup at least every other year.

These benchmarks will be met by systematically supporting athletes, focused program fundraising, engaging and educating coaches, recruiting quality referees, and implementing incentives for clubs, athletes, coaches, and athletes.

Deluca: Motion withdrawn to bring together a review group to ensure Paralympics is properly included in our Strategic Plan.

Rules regarding Agenda Timelines.
Motion: (Mr. Salem) to request submission of an agenda and other available information about subjects that will be discussed in board meetings at least two weeks before the day of the meeting.

Rationale: To give board members time to review items in order to facilitate discussion.

Mr. Salem: Motion withdrawn as USA Fencing staff committed to making meeting agenda and support materials available a minimum of two weeks in advance of meetings when feasible.

IX. Other New Business

Motion (Mr. Alperstein): To revise the current policy mandating Covid-19 vaccination or preapproved exceptions from mandatory vaccination for USA Fencing event attendees by discontinuing said mandates unless and until pandemic conditions make reinstitution advisable; however, USA Fencing will maintain, on a voluntary basis, the ability of members to indicate their confirmed vaccination status in their member profiles.

Rationale: The pandemic circumstances that motivated the existing policy have moderated. Organizations and governmental entities that once required vaccination have largely abrogated those requirements. USA Fencing has consulted its sports medicine and epidemiologic experts at Mt. Sinai, who advise that the organization should continue encouraging its members to take precautions including vaccination, but that under current conditions it not require them to do so. Should a change in conditions so indicate, the requirement could be reinstated, and continuing to allow members to record their vaccination status in their member profiles would facilitate reinstatement, if needed.

Motion (Ms. Holmes): Russian and Belorussié nationals are not allowed to compete in USA Fencing competitions unless:

- They display no physical manifestation of Russian or Belorussian affiliation within the venue, including but not limited to uniforms, warm-ups, equipment bags, or accessories; and

- For the previous three years, they have not held an FIE license indicating Russian or Belorussian sport nationality, unless they have officially been approved for a change of sport nationality from the FIE.

USA Fencing Staff is directed to develop and publish procedures for the implementation of this policy.

Second: Lauryn Deluca
Result: Passed by voice vote
**Motion (Ms. Holmes):** With respect to initiatives to allow Russian and Belorussian athletes and technical officials to participate in international competitions, USA Fencing will support and vote at the ComEx and FIE Congress to confirm the IOC policy as it exists on this date, October 30, 2022. Regardless of the outcome of the overall FIE vote, USA Fencing staff and Athlete Council will discuss how to best support athletes throughout this process.

**Rationale:** USA Fencing’s athletes strongly stand on the principle that Russian and Belorussian participants should not be allowed to participate in FIE competition while the illegal invasion of Ukraine continues, and that should they be permitted to participate over such objection, that athletes not be disadvantaged, to the extent within the control of USA Fencing, due to actions taken as a matter of conscience. USA Fencing’s Board of Directors and staff are aligned with these notions as a statement of USA Fencing policy.

**X. Good and Welfare**

**XI. Adjournment**

**Motion (Mr. Arias):** to adjourn with a note that no executive session is scheduled.

1. Background
On July 28, 2022, the USA Fencing Board of Directors voted to approve the composition of the Task Force on Committees and Resource Groups and appoint the following members of the Board of Directors to the Task Force, with the first person named below to serve as chair:
   - Selina Kaing (Chair)
   - Donald Alperstein
   - Nzingha Prescod
   - Kat Holmes
   - Peter Burchard

The Task Force with assistance from Sarah Ross, Suzie Riewald, Bryan Wendell, and Amanda Mastera from the National Office reviewed, updated, and revised the application form and communications plan. The application window for all applicable committees and resource groups was open from August 8 - 22, 2022 to the general membership and appropriately communicated on USA Fencing’s website and standard social media platforms.

Link to the call for applications:
   - [https://www.usafencing.org/page/show/7388675-apply-to-join-a-usa-fencing-committee-or-resource-group](https://www.usafencing.org/page/show/7388675-apply-to-join-a-usa-fencing-committee-or-resource-group)

2. Review Process
The Chair assigned each member of the Task Force to the review panels for approximately 8 - 10 committees and resource groups and ensured that each one had at least two Task Force members for the initial round of reviews. Each individual was responsible for reading, evaluating, and providing a preliminary recommendation of the applicant’s qualifications for serving in the areas of indicated interest.

- **Review Panel Assignments**: Care was taken to balance the review panel assignments of each Task Force member to ensure workload parity, knowledge where appropriate if acting as current Board liaisons, specific expertise, and to avoid any conflicts of interest in the selection process.

- **Task Force Advisory**: The Task Force also solicited additional advisors and National Office staff with specific areas of expertise to provide input as needed regarding Leadership Academy performance, DEIB considerations, specialized areas of knowledge such as parafencing, high performance, SafeSport, sports medicine, operations, marketing, finance, etc. Special thanks to Sam Cheris, Lauryn DeLuca, Lee Shelley, Kate Reisinger, Glen Hollingsworth, Shannon Jolly, Cat Bouwkamp, Suzie Riewald, Sarah Ross, Peggy Chin, and Bryan Wendell.
• **Independent Review**: Each Task Force member was responsible for independent review of each applicant before the Chair convened the full Task Force for discussion and alignment.

• **Alignment & Discussion Sessions**: The Task Force officially met on Aug 31st and Sept 15th for 3+ hours in each session to discuss all applicants across 20 committees and resource groups. Any necessary follow up consultations were held at the Chair’s discretion with appropriate Task Force members and advisors previously referenced.

3. **Applicant Summary**

USA Fencing received 82 applications (26% increase from the prior year). The Task Force recognizes the importance of DEIB and the value of diverse representation across our committee and resource groups. With guidance from Shannon Jolly, USA Fencing’s Senior Manager for Diversity, Equity, Inclusion and Belonging, the Task Force piloted the collection of demographic data this year to help inform our selection process and provide data on how to improve in future application cycles.

- **Gender Identity**: While the majority of applicants were male (51%), there was still a fairly significant number of female applicants (44%)

- **Age Group**: 77%+ of applicants fell into the veteran age categories (45 and older). There was one applicant under 18, but the Task Force confirmed that per current USA Fencing bylaws, committee and resource group members must be 18+ to serve. Future application cycles should ensure that this age requirement is clear.

- **Able-bodied**: There is an opportunity to reach more individuals in the parafencing community as USA Fencing continues to grow the program nationally.

- **Ethnicity**: 67% of applicants identified White/Caucasian. USA Fencing must develop strategies to identify and encourage more diverse applicants.

- **Top 3 Committee Choices**: The Veterans Committee was the top choice among applicants (aligned with the demographic info collected) followed closely by the Tournament Committee and Division Resource Group.

5. Summary

The Task Force makes the following recommendations to the Board of Directors:

- **Member Approval**: Approve the full slate of recommended members for the committees and resource groups listed in Section 4, Tables A & B of this report.

- **Committee Chair Approval**: Approve the full slate of recommended Committee Chairs listed in Section 4, Table A of this report.

The Task Force also makes the following recommendations to improve the process for subsequent application cycles:

- **Process Timeline**: The extensive review process by the Task Force requires significant time commitment and coordination. As more applications are received in the future, the process must a) kick off earlier to allow the Task Force and National Office a reasonable prep period to update application forms and communications and b) the date for the annual board meeting must be set well in advance to ensure adequate time for review.

- **Application Requirement for Current Committee & Resource Group Members**: Communications to current committee and resource group members should explicitly state that an application is required to be considered for continued service. This requirement should be listed in the call for applications and be communicated consistently by all Committee Chairs and Board/Staff liaisons to their respective members.
• **Age Requirement Per USA Fencing Bylaws**: As previously mentioned in this report, the age requirement of 18+ years old to serve should be explicitly stated in the application form and communications.

• **Bylaw Requirements for Certain Committees**: The criteria required of applicants for certain committees including the Budget and Nominating Committee need to be explicitly stated as part of the application form to ensure that only members meeting that criteria can apply.

• **Committee Chair Succession Planning & Formal Expressions of Interest**: The current application process does not contemplate a formal expression of interest for service as Committee Chairs. A process should be put into place to ensure succession planning and equity in the nomination process.

• **Term Tracker**: Data was available on past committee and resource group members who served from 2020-21 and 2021-22. The review process would have benefited from insight into years prior to 2020 to ensure a balance of new and continuing members. A centralized term tracker should be maintained and provided to future Task Force members (already being actioned by the National Office) to ensure that a) term limits are adhered to per USA Fencing bylaws and b) the composition of committees and resource groups represent a diversity of experiences and perspectives to reflect the evolving nature of the sport.

Financial Policies and Procedures

General

The United States Fencing Association, dba USA Fencing, intends this manual to be used as a set guideline for day-to-day business operations. This manual must be approved by USA Fencing’s Board of Directors annually and will serve as the sole authority for financial policies and procedures in USA Fencing. Interpretation of the policies and procedures will be at the reasonable discretion of the executive director and director of finance. USA Fencing reserves the right to modify any or all of the material contained in this manual with or without notice, but only with the approval of the board of directors.

Financial Planning and Reporting

USA Fencing’s fiscal year officially coincides with the USA Fencing membership year (August 1 to July 31).

The organization’s financial statements are prepared in accordance with Generally Accepted Accounting Principles (GAAP). The presentation of the Financial Statements shall follow the recommendation of the Financial Accounting Standards Board (FASB) No. 117, “Financial Statements of Not-For-Profit Organizations.” Under GAAP, revenues are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the organization are classified as unrestricted, temporarily restricted and permanently restricted.

Internal Controls

The internal controls of USA Fencing are designed to ensure that the financial transactions of the Association are recorded in accordance with generally accepted accounting principles and represent actions desired by USA Fencing’s Board of Directors.

The objective of internal controls is to provide reasonable assurance that assets are protected and that reliable financial records are maintained in order to prepare accurate financial statements in a timely manner.

USA Fencing is dedicated to ensuring that all financial operations are conducted under the highest standards of integrity and ethics in compliance with strict internal controls. It is the responsibility of all members of USA Fencing to follow established policies and procedures and to be alert to opportunities of improvements in internal controls.
Lines of Authority

While the ultimate responsibility rests with the board of directors, the day-to-day supervision of the controls is the responsibility of the director of finance, reporting to the executive director.

- The board of directors are required to approve the annual budget.
- The audit committee is responsible for selecting the auditors annually. The board of directors are required to approve the selected auditors annually.
- The director of finance is responsible for reviewing all contracts. Review by in house counsel is optional and utilized on a case-to-case basis. See below for more detail on contracts.
- Contracts must be signed by the director of finance or executive director. See below for more detail on contracts.
- Departmental director and/or director of finance approval is required for all expenses, unless there are unbudgeted expenses that create a variance of $50,000, in which case board of directors approval is required.
- The executive director is responsible for all hiring, firing and compensation adjustments.
- The Financial Policies and Procedures should be reviewed annually and any changes must be approved by the board of directors.
- The Operations Manual should be reviewed annually and approved by the executive director.
- The Employee Handbook and Athlete Handbook should be reviewed annually and any changes must be approved by the executive director.

Contracts

Contracts must be specifically reviewed and approved by the board of directors when:

- The contract, by its terms, purports to impose requirements on the individual members of USA Fencing;
- The total value of the contract in the present fiscal year (i.e., the potential monetary obligation incurred by USA Fencing under contract) exceeds $50,000;
- The term of the contract exceeds three (3) years, regardless of value;
- The term of the contract exceeds one year, and either:
  - The total obligation undertaken would cause a variance to the approved budget of more than $25,000 or
  - Ten percent (10%) of the relevant budgetary line item; or
  - The total value of the contract in any single fiscal year is not provided for by a specific dedicated budgetary allocation and exceeds the greater of $50,000 or ten percent (10%) of the general budgetary line item to which the contract is to be charged.
Contracts for which provisions are otherwise specifically provided by resolution of the board of directors (including provisions of the Operations Manual, contracts related to the renting of venues and running of tournaments and existing policies for reimbursement or payment of volunteers) are exempt from this requirement.

In addition to the foregoing requirements, all contracts or obligations in aggregate or related financial exposure exceeding $100,000 or that meet any of the following criteria must be reviewed, prior to their execution, by General Counsel (or under his direction by a member of the Legal Resource Group designated by him) or by such other legal counsel as the board of directors may approve in specific cases:

- Any contract that has rights and or commitments extending for more than one (1) year; or
- Seeks to limit the amount of types of liability of the other contracting party, its subcontractors, agents or USA Fencing successors.

Conflicts of Interest and Confidentiality Policy

Conflict of interest, confidentiality and whistleblower policies are provided for in the employee handbook.

- All employees are provided with the employee handbook upon hire and USA Fencing maintains signed acknowledgement letters.
- In the event that changes are made to the employee handbook, employees are notified, in writing, of the change.
- All employees, board, committee, resource team and task force members are required to submit a Conflict of Interest form annually.

Segregation of Duties

The organization’s financial duties are distributed among multiple people to help ensure protection from fraud and error. The distribution of duties aims for maximum protection of the organization’s assets while also considering efficiency of operations.

- All mail is opened daily by a non-finance department employee and date stamped. Checks are immediately endorsed “for deposit only”, currency receipts are marked “CASH” on accompanying documentation. Copies of checks from membership are made prior to turning the checks in to the finance department, all other checks are copied prior to making the deposit.
- Checks are signed by an authorized check signer with the ability to review documentation attached to the invoice in the online accounting system. It is not permissible that any member of the finance department to be an authorized signer on any account. For check payments in excess of $5,000, two authorized check signers are
required to sign. Payments are not returned to the check preparer and are immediately mailed.

- The same person is not permitted to initiate and approve any wire or ACH transaction.
- Deposits are completed and recorded in the accounting system by the finance manager. Supporting documentation is reviewed and reconciled with the deposit by the director of finance.

**Computer Security**

The organization maintains physical and cyber security of its assets and information to ensure that only people who are authorized have physical or indirect access to money, securities, real estate, personal information, member data and data systems.

- Personal access passwords must be kept secured and protected and should be changed every three months. Passwords, user-names, safe combinations and access procedures for any system should not be left on desks, posted on computer monitors or otherwise left unsecured.
- The finance department will exit from the accounting system at the end of each day. The accounting system is not to be left open when unattended.
- Anti-virus software firewalls and other IT security will be kept updated.
- Sensitive information must be encrypted prior to being emailed.
- Unsecured internetworks should be avoided whenever possible.

**Budgeting Process**

The organization’s annual budget is prepared and approved by the board of directors annually for all departments. The budget is prepared by the director of finance in conjunction with the department directors, executive director and treasurer. A draft budget is submitted to the Budget Committee for review, edit, comments and approval prior to being presented to the board. The budget is to be approved by the board of directors prior to the start of each fiscal year. Budget revisions during the year, internally known as the “Working Budget”, do not require board approval as long as the net income target is not affected. If the budget is revised during the year and this affects the target net income the board of directors approval is required.

- The board of directors are required to approve the annual budget.
- The director of finance will work together with the executive director, department directors and treasurer to ensure that the annual budget is an accurate reflection of programmatic and infrastructure goals for the coming year.
- Operating reserve goals should be considered in drafting the budget.
- The director of finance will present a draft budget to the Budget Committee at least 90 days prior to the end of the fiscal year and at least 30 days prior to its submission to the full board of directors.
• The Budget Committee shall review and approve a recommended fiscal year budget and submit it for approval to the board of directors. The budget shall contain a report of all of the sub budgets income and expense totals, as well as a comparison to prior years and a narrative for each sub budget.
• The board of directors will review and approve the budget by no later than the last meeting prior to the start of the fiscal year.
• A 4 year rolling quad budget will be maintained and updated annually.

Internal Financial Reports
The organization prepares regular financial reports on a monthly basis. All reports are finalized no later than 30 days after the close of the prior month with exception to the fiscal year end.

• The director of finance is responsible for producing the year-to-date reports within 30 days of the end of each month.
• In addition to the year-to-date reports, the director of finance prepares a narrative report that summarized the organization’s current financial position and includes explanations for budget variance.
• Budget variances over $25,000 year to date and 5% annual budget by department discrepancies are explained.
• The department directors, executive director and treasurer review financial reports each month, and the director of finance and treasurer presents reports to the full board of directors on a monthly basis.
• All directors and senior managers are provided limited access to the online accounting system. This provides real time reports with the ability to drill down to account detail.

Audit
To ensure that correct accounting and financial practices are being implemented, USA Fencing will appoint an Auditor to perform a general audit annually. This auditor will be chosen by USA Fencing’s Audit Committee with the approval of the board of directors on an annual basis. This is in addition to any audits conducted on behalf of the United States Olympic Committee (USOC) or other grant provider.

• The Audit Committee is responsible for recommending the selected auditors, reviewing and overseeing the financial procedures, controls, reports and regulatory filings of USA Fencing, and reporting on the foregoing to the board of directors.
• The board of directors approves the selection of the auditor.
• The director of finance works directly with the auditors and oversees the audit until its completion. Additional finance and non-finance department staff may be asked to assist with obtaining information needed by the auditor.
• The draft audit report is presented to the audit committee and treasurer for review and approval.
• The annual audit report will be presented to the board of directors for approval and posted on the USA Fencing website.

**Tax Compliance**

**Exempt organization returns**

• Form 990 is due to the IRS on the 15th day of the 5th month following the end of the organizations taxable year or December 15th. Extensions may be allowed if the 990 Form is not completed by that date.

• The same audit company selected for the annual audit should be used to prepare the 990. The director of finance works directly with the tax preparer and oversees the 990 report until its completion.

• The Draft 990 Form report is presented to the director of finance and treasurer for review and approval and signed by the executive director.

• The 990 Form Report will be presented to the board of directors and posted on the USA Fencing website.

• The USA Fencing’s Colorado Charities and Fundraisers Electronic Registration number is: 20043011244. Registration is completed online.

• State of Colorado personal property declaration paper form is due annually on April 15th.

**The 1042 Annual Withholding Tax Return**

USA Fencing is required to withhold taxes for non-resident alien independent contractors. This applies to non-resident alien contractors that are selected and employed by USA Fencing. This does not include non-resident alien independent contractors that are hired by the Federation Internationale d’Escrime (FIE). Documentation of the interpretation of the requirements under this tax law is on the QuickBooks drive in Taxes\1042 Filing.
The finance department calculates the required tax withholding on a monthly basis. This expense is entered into the accounting system.

The director of finance reviews the calculation and approves payment by means of EFTPS.

Annual returns listed below are prepared by the director of finance and are due by March 15th.

Copies of completed returns are saved on the QuickBooks drive in Taxes\1042 Filing and filed.

Annual returns due March 15th:

1. Form 1042 Annual Withholding Tax Return – This form is used to report the liability, if any, and serves as a reconciliation of liability to payments made for the year.
2. Form 1042-T – Annual Summary and Transmittal of Forms 1042-S – This form serves as the cover sheet that summarizes the 1042-S forms.
3. Form 1042-S – Foreign Person’s U.S. Source Income Subject to Withholding – This form reports the income and withholding information for each individual payee.

Extensions:

1. Form 7004 – Application for Automatic Extension of Time – This extends the time to file form 1042 (#1 above) six months. Note that this is only an extension of time to file the report and not an extension of the time to pay.
2. Form 8809 – Application for Extension of Time to File Information Returns – This automatically extends the time to file Forms 1042-T and 1042-S (#2 and #3 above) for 30 days. If USA Fencing requires additional time, the form may be submitted again before April 14th to request an additional 30 days but the second extension is not automatic, and only granted in extreme circumstances.

Payments

- All deposits are required to be paid via EFTPS. The frequency the deposits are required depends on the amount of withholding.

See Form 1042 instructions

1099 Forms

USA Fencing is required to provide the independent contractors with 1099 forms no later than January 31. In February, copies of the IRS Forms 1099 will be forwarded to the IRS with the appropriate summary report.

- The finance manager is responsible for sending out the 1099 forms and forwarding them along with Form 1096 to the IRS.
- The finance department will prepare form 1099 and mail to the individual’s last known address, for each individual who was paid $600 or more in the calendar year.
These procedures will be revised automatically to comply with any statutory or regulatory changes.

Quarterly/Annual Payroll Reports

USA Fencing currently employes a PEO to handle payroll and all applicable tax withholding and payments. Employees will received a W-2 directly from the PEO. In February, copies of the IRS Forms W-2 will be forwarded to the IRS with the appropriate summary report from the PEO.

Accounting Procedures

Basis of Accounting

USA Fencing follows accrual basis of accounting. Accrual accounting is an accounting method that measures the performance and position of a company by recognizing economic events regardless of when cash transactions occur. The general idea is that economic events are recognized by matching revenues to expenses (the matching principle) at the time in which the transaction occurs rather that when payment is made (or received). This method allows the current cash inflows/outflows to be combined with future expected cash inflows/outflows to give a more accurate picture of a company’s current financial condition.

- Throughout the fiscal year, expenses are accrued in the month in which they are incurred*. The books are closed no later than twenty (20) days after the close of the month. Invoices received after closing the books will be counted as a current month expense.
- At the close of the fiscal and calendar years, this rule is not enforced. All expenses that should be accrued in the prior fiscal year or calendar year, are so accrued, in order to ensure that year-end financial statements reflect all expenses incurred during the fiscal and calendar years. Year-end books are closed no later than ninety (90) days after the end of the fiscal year.
- Revenue is always recorded in the month in which it was earned or pledged.

*As noted above, immediate recognition of sport performance expense and revenue is acceptable for management ease of use of financial data as long as the calendar and fiscal year end of accrual cut offs are strictly followed.

Journal Entries

Journal entries are made for transactions that do not hit the accounts receivable (AR) or accounts payable (AP) ledgers. All expenses and revenue should be entered by use of the AR and AP ledgers whenever feasible. Journal entries are used for transactions that do not hit the AP and AR ledgers, reclassifying of accounts or dimensions, accruing for expenses, recognizing deferred income or expenses and other accounting corrections.

- Journal entries may be made only by the finance department.
• All journal entries are reviewed by the director of finance and executive director on a monthly basis.

**Bank and Credit Card Reconciliations**

All bank and credit card statements will be opened and reviewed in a timely manner. Bank reconciliation and approval will occur within twenty (20) days of the close of the month.

• Bank statements and cleared checks are reviewed monthly by the director of finance.
• Once reviewed the finance manager reconciles the accounts.
• Any adjustments resulting from the reconciliations will be entered in the accounting system immediately.
• The director of finance will review and approve reconciliation reports by signing and dating the report in the upper right hand corner.
• In the case that the director of finance completes the reconciliations or the credit card charges are from the director of finance’s business credit card, the executive director will review and approve reconciliation reports by signing and dating the report in the upper right hand corner.

**Monthly Close**

The books are closed no later than twenty (20) days after the close of the month. Invoices received after closing the books will be counted as a current month expense. At the close of the fiscal and calendar years, this rule is not enforced.

• All credit card charges, invoices, receivables and deposits are entered by the finance manager and finance coordinator.
• Monthly journal entries are completed by the finance department.
• The director of finance monitors and assists with the monthly close where needed.
• Bank and credit card reconciliations are completed and reviewed monthly.
• Monthly financials are reviewed by the director of finance and treasurer for variances and unusual transaction or balances.

**Revenue & Accounts Receivable**

**Invoice Preparation**

All products or services not available for purchase directly from the online portals should be invoiced within one week of purchase to ensure all revenues are captured and to maintain a regular healthy cash flow for the organization.

• The USA Fencing staff that takes the order is responsible for providing all relevant expense documentation to the finance department within seven (7) days of the date the order was placed.
- The finance department will enter the receivable and send out the invoice immediately upon receipt.
- As part of the monthly close process the director of finance reviews and Accounts Receivable Aging Report for accounts more than 60 days overdue. The director of finance determines appropriate collection efforts for long outstanding invoices.
- The CEO is notified of any account above $1000.
- An accounts receivable register is to be sent to the CEO, Treasurer, Board Chair and Staff at the end of each calendar month.
- Unpaid balances will be periodically reviewed for uncollectable items. Uncollectable balances will be written off as bad debt at least annually.
- Bad debt allowance will be reviewed at least annually.

**Accounts Receivable Process**

- After 30 days, an email reminder will be sent to the account. An email, with payment link, will be re-sent each 7 days until such time as the amount is paid.
- After 60 days, a call will be placed by the Director of Finance, CEO or Treasurer of the organization each 14 days until the amount is paid.
- After 90 days, services will be withdrawn from the account until such time as a payment plan is put in place to the satisfaction of the Director of Finance, or the amount is paid in full.

**Revenue Recognition**

All revenues and contributions will be recorded in accordance with GAAP, with specific attention to standards FASB 116 and 117. Contributions are recorded as pledged or received in accordance with FASB 116, and must be credited to the appropriate revenue lines as presented in the annual budget and coded as designated in the organization’s chart of accounts.

- The finance manager records the deposits and revenue. The director of finance reviews the deposits monthly as part of the monthly close to ensure the proper period, account and dimensions are utilized.
- Revenues from membership related transactions are recognized in the fiscal year it relates. National and international* event revenue is recognized in the month of the event. Contributions are recorded as pledged or received in accordance with FASB 116.
  *For non-championship international events immediate recognition of sport performance expense and revenue is acceptable for management ease of use of financial data as long as the calendar and fiscal year end accrual cut offs are strictly followed.

**Receipts**

USA Fencing Financial Policies and Procedures
Check Receipts

- Checks are immediately endorsed “for deposit only” and currency receipts are marked “CASH” on accompanying documentation by employee opening the mail.
- Checks/money orders, and all documentation is date stamped and provided to the finance department. Copies of checks from membership are made prior to turning the
checks in to the finance department, all other checks are copied prior to making the deposit.

- Miscellaneous funds (contributions, accounts receivable and non-membership) are processed by the finance department.
- Contributions/donations are acknowledged via a standard letter prepared by the development department and signed by the executive director.
- The finance department marks accounts receivables as paid at the time of entry into the accounting system by applying the deposit to the receivable.
- Returned checks will be charged a $25.00 fee in addition to the amount of the returned check. Amounts are invoiced and payment is expected in the form of a money order or cashier’s check.
- Membership applications/renewals are forwarded to a member services representative. The processed checks are turned in daily to the finance coordinator, who pulls the report and balances the deposit. The finance coordinator turns the checks and report into the finance manager for entry into the accounting system.
- Tournament entries for national events are processed as received by the finance department.

**Credit Card Receipts**

- Payments made by credit card, received either via mail or fax, that are not membership dues or a national tournament entry, are forwarded to the finance department for processing through the online virtual terminal.
- The virtual terminal company closes and deposits daily. The finance manager will pull a batch report from the virtual terminal company, and inputs into the accounting in the accounting system.
- Memberships are processed by the member services department through the USA Fencing database.
- National event entries are processed by the national events department through the USA Fencing database.

**Cash Receipts**

At times it may be necessary for staff members to handle cash at events. The following procedures will be used to limit the possibility of loss.

- At the point of receipt, cash is placed in a secure receptacle.
- The staff member that is responsible for the cash and a second party will open the receptacle and count currency onsite. The amount collected should be recorded on the daily register report and initialed by both individuals that counted the cash.
- Once the cash has been counted, secure it in a location that can only be accessed by authorized individuals.
- Cash payments made at tournaments are delivered to the office by the events staff member that is responsible for the money with the accounting sheet and documentation for processing. The finance department reconciles the cash receipts using the account sheet and prepares the deposit.
- It is preferable that a finance department staff member attend international events hosted by USA Fencing, when a large amount of cash is expected to be collected, to collect and track all cash that is received and disbursed per event requirements.

**Deposits**
- Deposits are transported to the bank by a finance department staff member who did not prepare the deposit. Deposit slips are returned to the finance department to accompany the deposit documentation.
- Receipts not deposited on the day of receipt are kept in a locked fireproof file cabinet or safe. UNDER NO CIRCUMSTANCES IS A DEPOSIT TO BE LEFT UNSECURED.
- Deposits will be made whenever funds exceed $10,000. However, deposits are to be made a minimum of once a week regardless of the amount and deposits should never be left over a weekend or when the office will be closed longer than one full day.

**Grants**

**USOC Grants**
The USOC provides grant funding for specific projects and purposes. It is the responsibility of the director of sports performance and the director of finance to ensure USOC grant funds are properly accounted for and properly expended.

- USOC grant fund payments will be recognized as revenue when received. The use of funds will be reviewed against qualifying expenses at the fiscal year end. If revenues do not match up with qualified expenses, an adjustment for the remaining revenue balance will be recorded as “deferred USOC revenue” until qualifying expenses can support the recognition of the revenue.
- All USOC supported projects will have separate budgets and/or be accounted for with accounting system dimensions that can be isolated to the funded activity.
- The director of finance and director of sports performance will collaborate to complete semiannual reports. The director of sports performance has the ultimate responsibility to review reports for accuracy and complete the narrative for the annual USOC report.
- The USOC report will be reviewed and signed by the executive director.

**Other Grants**
Accounting for grants from sources other than the USOC shall be in accordance with the requirements of the grant provider.
• Grants will have separate budgets and/or be accounted for with the accounting system dimensions that can be isolated to the funded activity.

**Expense and Accounts Payable**

The employees of USA Fencing pay will commensurate with position duties, experience and specific skills sets as determined by the human resources manager and executive director. All employees are paid on a bi-weekly basis. Regular full time exempt employees are paid through the end of each pay period. Non-exempt employees are paid one week in arrears.

• Salary must be authorized by the director of finance, executive director and should be documented by an offer letter or salary increase form. Acceptance of the offer, the signed offer letter, should be kept in the employees personnel file. • The finance department prepares a journal entry of the payroll transactions.

• Employees must submit any changes to withholding to the payroll processing company by entering the changes in the manner specified by that company or by working through the finance department.

• The executive director, director of finance and human resources manager are responsible for choosing a payroll processing company (PEO). If such a company is not utilized, the finance department will be responsible for the following activities:
  o Issuing payroll checks
  o Setting aside into accounts payable the sums withheld for such items as FICA and federal and state withholding taxes.
  o Paying federal and state government the amounts due as noted in the accounts payable dependent on the reporting requirements (weekly, monthly or quarterly)

- Access to all accounting systems, membership databases, website, email and other platforms will be removed no later than the end of the work day on the final day of employment.
- Notification of available coverage with COBRA will be provided by the PEO along with additional notifications. The notifications will be documented by the PEO.

**Purchase & Procurement**

Any expenditure in excess of $5,000 for the purchase of a single item or service should have bids from three (3) suppliers if possible. These bids will be reviewed by the department director and director of finance.

**Purchase Orders**

Purchase requisitions (PRs) and purchase orders (POs) are used for purchases that will be invoiced to ensure purchases are reviewed, approved and in line with budget prior to making financial commitment.

- Purchase requests (PR) are entered electronically in the accounting system. The staff person will enter the PR data including the vendor name, cost per item, total cost including taxes and shipping, accounting dimensions, description of goods or services and attach all documentation electronically pertaining to the estimated costs and comparative bids received.
• While the vendor with the lowest bid will generally be the most desirable, other factors such as the reputation of the vendor, financial history of the vendor and the vendor’s relationship with USA Fencing should also be considered.
• Attachments should be saved to the company shared folders in the folder designated by the finance department.
• The PR is then routed by the accounting system to the department director and then director of finance approval. If PR is entered by the department director, it will be routed directly to the director of finance.
• If approved the PR will be converted into a PO. POs will be converted to an invoice once the invoice has been received.

• All contractors must pass the 20-factor test used by the IRS to be considered for employment by USA Fencing as a contractor.
• All independent contractor agreements should be documented in writing and a copy of those agreements maintained by USA Fencing in the finance department.
• All independent contractors must submit an IRA form W-9 before any payments are made. All W-9’s will be retained for all individuals receiving payments, other than reimbursements and per diem. W-9’s do not expire.
• Certificates of insurance should be obtained from all independent contractors that are not USA Fencing members and thus not covered by the USA Fencing secondary insurance.
• Contractors will receive a form 1099 if they were paid $600 or more in the calendar year. See Tax Compliance, Form 1099.
• For contractors that are eligible for expense reimbursement the following applies:
  o Expense reports and reimbursement requests are forwarded to the appropriate department director for review and approval.
  o An email is sent to the submitter, confirming receipt of the item, with a scanned copy of the approved form attached. The appropriate department director, as well as the finance department will be copied on all communications.
  o The approved documents are then submitted to the finance department for entry into the accounting system.
  o Eligible expenses and per diem rates are listed on the USA Fencing website.

**Cash Disbursement**

To ensure accounts are kept in good status and bills are paid bi-weekly.

- The director of finance or designee will pull the vendor aging report from the accounting system and select the bills to be paid. Each bill will be reviewed to ensure proper accounts, accounting dimensions, amounts and all supporting documentation is attached.
- Bills approved for payment will be marked on the vendor aging report and provided to the check signer and finance manager or designee to cut checks.
- Check signers should ensure that the related invoice has been either marked for payment or approved for payment by email as supporting documentation is electronically maintained and not accompanying the check. If in doubt the check signer should log into the accounting system to ensure that supporting documentation supports payment.
- Checks are not returned to the check preparer and are immediately mailed.
- It is not permissible that any member of the finance department be an authorized signer on any account.
- For check payments in excess of $5,000 two authorized check signer’s signatures are required.
- All pre-printed blank checks are to be secured in a locked cabinet.
Check Requests

Check requests are used for disbursements that will not have an invoice.

- The requestor will complete a check request and forward it to the appropriate department director for approval. Once approved the request is submitted to the finance department. The request should include documentation of the expense.
- Check requests should be submitted at least one week prior to the day that the check is needed.
- The finance department will review for completeness and accuracy and enters the request into the accounting system. The check request is then input into the active A/P file.

Wire Requests

In some instances it may be necessary to wire funds.

- Outgoing wire transfers must be documented on a wire request form or by email.
- Wire requests should be submitted at least one week prior to the day that the wire is needed.
- Wire transfers are performed online and require two parties to process. Wire transfers are initiated by the finance department and released by the director of finance or executive director. Upon completion the wire transfer is recorded in the accounting system and the transaction confirmation is sent to the requestor.

Cash Expense Advances

Due to the nature of USA Fencing’s business, it is often necessary to furnish funds in advance of their use. In some cases, trip to major competitions often require staff members to have funds available in the local currency, to pay entry fees or to cover unexpected contingencies.

- Where there is a need for such an advance the staff member in need of the advance will submit a request for the funds to the finance department.
- Cash advance requests should be submitted at least one week prior to the day that the funds are needed.
- Foreign currency requests will be sent to the bank by email. The bank representative will order the currency and send an invoice showing the amount owed for the order. Once the currency is received by the bank, a check made out to the bank, will be cut and the requestor will go to the bank to pick up the currency.
- A check in the amount of US currency requested will be made out to the staff member making the request. The staff member will cash the check at the USA Fencing bank.
- The person receiving the advance has the responsibility of accounting fully for the use of these funds, as well as to return any unused portion.
• The staff member must submit an expense report as outlined above, and account for all funds. Original receipts and adequate documentation are required for all advanced funds.
• All unspent funds must be returned to USA Fencing with the original expense report.
• Failure to adhere to these procedures will result in disciplinary action. Disciplinary action may include, among other things, verbal and/or written warning, suspension of employment without pay or termination of employment. Funds not paid back to USA Fencing will be deducted from the staff member’s income from future paychecks. Non-employee members will receive a 1099-MISC subject to federal and state taxes.

Credit Cards

USA Fencing (“Company”) will issue company credit cards to certain employees for use in their jobs. This policy sets out the acceptable and unacceptable uses of such credit cards.

- The director of finance and the treasurer have the authority to adjust the available line of credit with credit card companies to meet the needs of the organization.
- Use of company issued credit cards is a privilege that the company may withdraw at any time, with or without cause. Upon an employee’s termination of employment at the company, all cards must be returned to the Company’s finance department.
- The employee in possession of the company credit card is solely responsible for all purchases on the card and for ensuring that the card is not used by unauthorized
personnel. Card numbers may not be distributed and should not be saved in online accounts.

- Any credit card USA Fencing issues to an employee must be used for business purposes only, and for purposes in conjunction with the employee’s job duties. Employees with such credit cards shall not use them for any non-business purpose. Non-business purchases are considered any purchases that are not for the benefit of the company.

- Business related expenses, such as food, baggage fees, ground transportation and lodging while on company approved business travel, may be purchased on the company credit card as long as these purchases are consistent with the company’s travel and expense reimbursement policy. No alcoholic beverages may be purchased with the Company credit card unless approved by the director of finance or executive director.

- Any purchases other than airfare and hotel accommodations in the amount of $500 or above must be approved prior to purchase. The employee must submit the purchase request in writing to their immediate supervisor or director of finance and receive approval in writing before making the purchase. The employee should attach a copy of the purchase approval to the receipt and submit them together when submitting the receipt to the finance department.

- The employee in possession of the credit card is responsible for receiving, printing and retaining all receipts related to purchases made on the company credit card. If a receipt is lost, a “No receipt explanation form” must be maintained and submitted in the same manner in which a receipt would be maintained and submitted.

- Receipts, need to be coded and submitted via the Visa IntelliLink system within 14 days of the date of purchase, return from travel and within 7 days of the end of the statement period. All receipts should be labeled with a description of what the purchase was for to ensure proper accounting of the purchase. Meals or entertainment purchases must indicate the names of all persons attending the meal or entertainment and the business purpose of such event.

- If any employee uses a company credit card for a personal purchase in violation of this policy, the cost of such purchases(s) must be repaid to USA Fencing as soon as possible. If the cost of such purchase(s) is not repaid to USA Fencing within one week after purchase, this will be considered an advance of future wages payable to that employee, and will be deducted from subsequent paychecks until the wage advance is fully repaid. These deductions may take the employee’s wages below minimum wage for the pay period(s) in question.

- If any employee uses a company credit card for a non-personal purchase that is not within the scope of the employee’s duties or the employee’s authorization to make business related purchases, the cost of such purchases will be the financial responsibility of that employee unless otherwise expressed in writing by the executive director. The employee will be expected to reimburse the company via deductions from pay until the
unauthorized amount is fully repaid. These deductions will at no time take the employee’s wages below minimum wage.

- In addition to financial responsibility and liability for wage deductions, any purchases an employee makes with a company credit card in violation of this policy will result in disciplinary action, up to and including termination of employment.
- The policy will remain in effect as long as the employee has a company credit card or until a new policy has been issued and which clearly indicates that it is intended to be a replacement of this policy.
- Credit card rewards points earned on credit cards paid by USA Fencing, including airline miles and gift cards, will be used at the executive director’s discretion.

- Such authority may be general or confined to specific instances or amounts. - The payroll company is responsible for depositing the employee and employer retirement contributions to the investment company in a timely manner and never to exceed 10 days after funds were withheld from the employee.

**Operating Reserve**

The purpose of the operating reserves policy for USA Fencing is to ensure the stability of the mission, programs, employment and ongoing operations of the organization. The operating reserve is intended to provide an internal source of funds for situations such as sudden increase in expenses, one-time unbudgeted expenses, and unanticipated loss in funding or uninsured losses.

Operating reserves are not intended to replace a permanent loss of funds or eliminate an ongoing budget gap. It is the intention of USA Fencing that the operating reserves have an established range which will be replenished in the next budget cycle when used. The operating reserve policy will be implemented in concert with the other governance and financial policies of USA Fencing and is intended to support the goals and strategies contained in these related policies and in strategic and operational plans.

**Definitions and Goals**

The operating reserve fund is defined as the designated fund set aside by action of the board of directors. The minimum amount to be designated as operating reserve will be established in an amount sufficient to maintain ongoing operations and programs for a set period of time, measured in months. The operating reserve serves a dynamic role and will be reviewed and adjusted to internal and external changes.
The initial target minimum operating reserve fund is equal to three months of average operating costs (25% of budgeted annual operating expenses).

The amount of the operating reserve fund target minimum will be calculated and an optimal schedule for meeting this target will be created and adopted by the budget committee. Each year the operating reserve fund target minimum will be reviewed in conjunction with the approval of the annual budget, reported to the finance committee/board of directors and included in the regular financial reports.

**Accounting for Reserves**

The operating reserve fund will be recorded in the financial records as board designated operating reserve.

The fund will be funded by and available in cash or marketable securities. Operating reserves will be maintained in an account with the United States Olympic Endowment, in accordance with investment policies.

**Funding of Reserves**

The operating reserves fund will be funded with surplus unrestricted operating funds. The board of directors may from time to time direct that a specific source of revenue be set aside for operating reserves. Examples may include one-time gifts or bequests, special grants or special appeals.

**Use of Reserves**

Use of the operating reserve requires three steps:

1. **Identification of appropriate use of reserve funds.**
   The executive director and staff will identify the need for access to reserve funds and confirm that the use is consistent with the purpose of the reserves as described in this policy. This step requires analysis of the reason for the shortfall, the availability of any other source of funds and evaluation of the time period that the funds will be required and replenished.

2. **Authority to use operating reserves.**
   Authority for use of operating reserve is delegated to the executive director in consultation with the treasurer. The use of operating reserves will be reported to the board of directors at their next scheduled meeting, accompanied by a description of the analysis and determination of the use of funds and plans for replenishment to restore the operating reserve fund to the level it was at before the use. The executive director must receive prior approval from the board of directors to take funds from the reserve if the replenishment will take longer than 12 months.

3. **Reporting and monitoring**
The executive director is responsible for ensuring that the operating reserve fund is maintained and used only as described in this policy. Upon approval for the use of operating reserve funds, the executive director will maintain records of the use of funds and plan for replenishment. He/she will provide regular reports to the budget committee/board of directors of progress to restore the fund to the target minimum amount.

Review of Policy

This policy will be reviewed annually, by the budget committee, or sooner if warranted by internal or external events or changes. Any changes to the policy will be recommended by the budget committee to the board of directors.

Fees for list and label generation will be set by the national office or, in special situations, by the board of directors (e.g. for elections).

All entrants who have not resolved their payment issues prior to the tournament will do so before they are allowed to compete. The national events personnel will forward all payments received to the finance department with a reconciliation accounting sheet upon return.

American Fencing Magazine and electronic communications are journals of record of USA Fencing. However, the board of directors has established that the magazine is at the same time an independent medium in regard to its general and editorial content.

- The editor is responsible for, and has the sole authority over, the content of the magazine outside of announcements and reports required as a journal of record.
- The editor may alter or reject an ad for content or graphics but may not reject an advertiser. The editor must consult with the executive director or his designee and the advertiser before altering or rejecting an ad and must also make every effort to arrive at an amicable agreement.
- The editor is responsible for producing four quarterly issues of the magazine annually. These issues may be a combination of print and digital.
- The national office is responsible for soliciting advertising for the magazine, and may engage a marketing firm to assist, always with the proviso that the editor has final approval over ad content and graphics.

In the case of in-kind or sponsor ads, the office will credit the magazine revenue account with the appropriate cost of the ad placement.
- The national office has the authority to solicit advertisers of its choosing and to promise a certain size ad. It must be sensitive, however, to the concerns of the editor regarding the addition of extra pages or the elimination or previously planned articles. The editor on the other hand must make every effort to accommodate the office and the advertisers regarding the ad size, content, graphics and placement.
- In regard to publication dates of the magazine, the national office is responsible for submitting reports, announcements and other written materials to the editor by the announced deadlines.

**Recordkeeping**

Complete and detailed records will be maintained of all financial transactions as well as select national event documentation. Records will be retained in a secured location until the period which the document must be maintained has expired. The guidelines in the tables below indicate the number of years a record is to be kept after the close of the fiscal year in which the transaction took place.

- Paper documentation for any fiscal year financial transactions should be maintained and secured in office filing cabinets until both the annual and USOC audits are complete.
- Once the audits are complete, paper documentation should be boxed and stored in a secure location. Boxes of records for storage are to be clearly marked as to their
Permanent records shall not be boxed with non-permanent records, and each box of non-permanent records is to have a destroy date indicated.

Appendix G – Sam Cheris Bio

Samuel (Sam) Cheris.

During almost 60 years in fencing, Sam contributions at all levels of the sport are unparalleled.

As USA Fencing President (1988-90), Sam oversaw the introduction of age group fencing and the junior/cadet national circuit. He instituted point systems for team selection and tournament seeding, direct athlete funding and diversity in cadre appointments.

As Treasurer (1986-48; 2012-16), he twice directed successful efforts to restore USA Fencing from near insolvency to a firm financial footing with strong credit and the reserve fund that is allowing the organization to survive the COVID19 disruption. His budget reforms continue to guide the organization. Three times he served as Vice-President, 1982-84, 2004-08, and 2016-present).

Sam organized the 1989 Senior World Championships and the 1993 Junior/Cadet World Championships, both on an emergency basis. Beyond refereeing foil and epee at World Cups from 1982 to 1996, he was FIE Chief of Protocol six times, at Junior/Cadet World Championships, Senior World Championships and Olympic Games, and as a member of four World Championship Directoire Techniques. He has supervised World Cup competitions for over thirty consecutive seasons

His international contributions resulted in election as an FIE Member of Honor (1998) and induction into FIE’s Hall of Fame (2014). Those contributions include representing the U.S. at over 25 congresses and his tournament activities, but also his organizational work as a member, of the Executive Committee (1996-2004), the Publicity Commission (1989-92) and the Legal Commission (1996-present), where he has served as president for 16 years. Among his accomplishments in these roles are securing full U.S. team representation at the Atlanta Olympics; restructuring of World Cup championship and Olympic qualifying systems; expanding referee gender and nationality representation at World Cups, championships and Olympic games; promoting Americans in all aspects of FIE competitions and operations; and persuading the FIE to allow uniforms with the fencer’s name and national colors. Under his leadership, the Legal Commission, modernized FIE’s bylaws and administrative regulations and opened previously unavailable opportunities to persons of all genders, nationalities and ethnicities. He counts among his proudest FIE achievements authorship and securing the adoption of its ‘SafeSport’ Policy, adding English and Spanish as working languages and defending the World Cup system against efforts to advantage European athletes.

In the U.S., Sam organized the 1979 National Championships and America’s first national age group competitions. He remains active on domestic bout committees, and worked as U.S. Chief of Mission at seven World Championships. While serving on the Sport Performance Resource Team (and its predecessor committees) he influenced and guided selection systems, created the Athlete Handbook and developed athlete funding programs.

Sam’s career as a three-weapon referee began in 1968 and continues to this day. Appointed to the Fencing Official’s Commission in 1980, he has served continuously since, most recently developing and overseeing the FOC’s transition to the modern Referees’ Commission and serving as its first Chair.

Sam is also Treasurer and a trustee of the U.S. Fencing Foundation, where he began the process of growing its fund, which makes annual grants to USA Fencing.

Appendix I: Proposed USA Fencing Transgender + Non-Binary Policy

USA Fencing is committed to ensuring athletes have the opportunity to participate in USA Fencing sanctioned events on a fair, inclusive and safe basis without discrimination. Currently USA Fencing has two divisions – men’s and women’s – that default to using the gender binary to determine participation in each division (for youth players, the divisions are boys, girls). However, we recognize not all individuals’ gender identities are binary, and a gender binary default for participation could potentially cause harm - leaving some individuals to feel excluded and unsafe. Within our divisions, USA Fencing will not discriminate on the basis of gender identity, regardless of sex assigned at birth, or any other form of gender expression for participation in any division. As such, athletes will be permitted to participate in USA Fencing sanctioned events in a manner consistent with their gender identity/ expression, regardless of the gender associated with the sex they were assigned at birth in accordance with the guidelines listed below.

A. Registration and Participation for Athletes participating in domestic competitions

To participate in a USA Fencing sanctioned event, athletes are to register with USA Fencing as the gender in which they identify and wish to compete during registration/renewal. Please note, this selection will be logistically binding and athletes will not be permitted to modify their gender during the season. If the athlete registers as a gender other than their gender associated with the sex assigned at birth, they should adhere to the following requirements:

Youth athletes (Y10,Y12,Y14):

- Transgender and non-binary athletes competing in youth events are permitted to compete in the gender category with which they identify, without restriction.
- Registration and/or other documents submitted on behalf of a minor must be submitted by, or with the express approval of, a parent or guardian.

Cadet:

- Transgender and non-binary athletes competing in youth events are permitted to compete in the gender category with which they identify.
- Registration and/or other documents submitted on behalf of a minor must be submitted by, or with the express approval of, a parent or guardian.
- Transgender Cadet athletes who qualify to compete in junior and/or senior competitions must adhere to the requirements for transgender athletes in those divisions (see below).

Junior, Senior and Veteran athletes: See requirements below for national ranking competitions

- **Transgender male (FTM) athletes:**
  - Athletes who have received a medical exception for treatment with testosterone for purposes of USA Fencing sanctioned competitions may compete in men’s events team, and are no longer eligible to compete in women’s events team.
  - Athletes who are not taking testosterone related to gender transition may participate in either men’s or women’s events team.

- **Transgender female (MTF) athletes:**
  - Athletes being treated with testosterone suppression medication, for the purposes of USA Fencing sanctioned competitions may continue to compete in men’s events, but may only compete in women’s events after completing one
calendar year (12 months) of testosterone suppression treatment. Proof of compliant hormone therapy must be provided prior to competition.

- **Non-binary athletes:**
  - Athletes are permitted to compete as the gender of which the athlete identified as at the time of registration. However, if an athlete wishes to compete as a gender opposite of the gender associated with the sex assigned at birth, they must adhere to the aforementioned guidelines for transgender athletes.

**B. Registration and Participation for Athletes participating in International competitions**

Any athlete who qualifies for the International Fencing Federation (FIE) World Championship and/or any competitions hosted by the FIE, are to adhere to the compliance requirements set forth by the FIE Transgender Policy. Failure to adhere to FIE transgender policy guidelines impact the athlete’s participation in international competition. Refer to Section C.3(c)(i).

*For the most up-to-date international transgender policies, refer to the following sites: [International Olympic Committee](https://olympic.org/en/)

**C. USA Fencing Classification**

Transgender athletes will be permitted to keep the fencing classification that was held prior to transitioning. For example, a transgender woman who held an A classification in the men’s division will keep her A classification in the women’s division.

**D. USA Fencing National Rankings (points)**

If an athlete changes their gender category, points earned under their previous gender category will be forfeited and not applied to the athlete’s record.

**E. National Championship Qualification**

Athletes who qualify for USA Fencing National Championships must compete in the National Championship event as the gender in which they qualified under.

**F. Appeals**

All appeals are to be reported to the office of Diversity, Equity, Inclusion and Belonging for review.

**G. Anti-Doping Requirements Remain Applicable**

In accordance with the FIE, it is the responsibility of the athlete to monitor testosterone level(s), and submit appropriate documentation to satisfy anti-doping policies.

If hormonal medications utilized for gender transition are listed on the World Anti-Doping Agency’s Prohibited List USADA can grant a Therapeutic Use Exemption (TUE). The TUE application process is
thorough and designed to balance the need to provide athletes access to critical medication while protecting the rights of athletes to compete on a level playing field.

Further information regarding the TUE application process can be found at the link below:

TUE Application: [https://www.usada.org/athletes/testing/tue/](https://www.usada.org/athletes/testing/tue/)

Report of Grievance:
Abuse and/or harmful acts towards the transgender and non-binary community will not be tolerated. Any instances or grievances should be immediately reported to the USA Fencing Safe Sport coordinator and the Office of Diversity, Equity, Inclusion and Belonging. Complete the short online form, which can be found below.

[https://www.usafencing.org/fencesafe-report](https://www.usafencing.org/fencesafe-report)

*Policy development governing the inclusion of transgender and non-binary athletes is an emerging endeavor. As new research on the participation of these athletes and the physiological effects of gender transition on athletic performance becomes available, policies are subject to re-evaluation and change to ensure they reflect the most current evidence-based information.*
Other Option Considered but not recommended by Stakeholders:

USA Fencing is committed to ensuring athletes have the opportunity to participate in USA Fencing sanctioned events on a fair, inclusive and safe basis without discrimination. Currently USA Fencing has two divisions – men’s and women’s – that default to using the gender binary to determine participation in each division (for youth players, the divisions are boys’, girls’). However, we recognize not all individuals’ gender identities are binary, and a gender binary default for participation could potentially cause harm - leaving some individuals to feel excluded and unsafe. Within our divisions, USA Fencing will not discriminate on the basis of gender identity, regardless of sex assigned at birth, or any other form of gender expression for participation in any division. As such, athletes will be permitted to participate in USA Fencing sanctioned events in a manner consistent with their gender identity/ expression, regardless of the gender associated with the sex they were assigned at birth.

A. Registration and Participation for Athletes participating in domestic competitions

To participate in a USA Fencing sanctioned event across levels (local, regional and national), athletes are to register with USA Fencing as the gender of which they identify as and feel most comfortable competing with. If the athlete wishes to register as a gender other than their gender associated with the sex assigned at birth, they should adhere to the following requirements:

- **Transgender male (FTM) athletes**: No additional requirements
- **Transgender female (MTF) athletes**: Athletes (or their parents/legal guardians in the case of a minor) are to provide a sincere letter of attestation confirming their gender identity. This letter should be sent to membership at information@usafencing.org
- **Non-binary athletes**: Are permitted to compete as the gender of which the athlete identified as at the time of registration

Commented [1]: This gives more flexibility to those that are non-binary than it does to those that are MTF. Is that fair/consistent?

Commented [2]: This is for the completely inclusive option, which I imagine we will not propose.

NCAA Policy:
Those who transition from female to male are eligible to compete in the male category without restriction.
Those who transition from male to female are eligible to compete in the female category under the following conditions:
2.1. The athlete has declared that her gender identity is female. The declaration cannot be changed, for sporting purposes, for a minimum of four years.
2.2. The athlete must demonstrate that her total testosterone level in serum has been below 10nmol/L for at least 12 months prior to her first competition (with the requirement for any longer period to be based on a confidential case by case evaluation, considering whether or not 12 months is a sufficient length of time to minimize any advantage in women's competition).
2.3. The athlete's total testosterone level in serum must remain below 10nmol/L throughout the period of desired eligibility to compete in the female category.
2.4. Compliance with these conditions may be monitored by testing. In the event of non-compliance, the athlete’s eligibility for female competition will be suspended for 12 months.

The Division Resource Group, pursuant to the authority delegated by the Board of Directors at its meeting of October 17, 2020, has diligently worked for the past two years to prepare a uniform set of bylaws for mandatory use by USA Fencing’s Divisions, a Division Operating Guide addressing implementation of the bylaws and related operational matters, and a set of instructions for use of the bylaws and Division Operating Guide. Copies of all three documents are attached to this report. The bylaw and Operating Guide templates are in a format that allows for certain changes to be made to accommodate local conditions.

The Division Resource Group will in the near future cause the publication of these documents for implementation effective as of the membership year beginning August 1, 2023. During the intervening months, the Resource Group will introduce the documents to division leaders and acquaint them with the documents’ contents, implementation, and tailoring to accommodate local conditions.

The Division Resource Group wishes to express its appreciation for the work done by Bryan Wendell and Amanda Mastera in formatting and designing the document presentations and to Christine Simmons, Bob Bodor, Sarah Ross, and Beth Mahr who served as staff liaisons to the Resource Group during this process.

Section 1.2. **Authority.** THE DIVISION exists by authority and at the will of USA Fencing as an administrative unit of that organization to further its purposes. THE DIVISION exercises its powers under, and subject to, the Articles of Incorporation, Bylaws, policies, rules, and directives of USA Fencing. The conduct of THE DIVISION's financial and other affairs shall be subject to policies established by USA Fencing from time to time. In the event of conflict between these Bylaws or any policies of THE DIVISION and the Articles of Incorporation, Bylaws, policies, rules, and directives of USA Fencing, the latter shall prevail.

Section 1.3. **Petition.** THE DIVISION, by action of its membership or Executive Committee, may petition USA Fencing Board of Directors for variance, dispensation or alteration of any provision of these Bylaws to meet special needs and circumstances of THE DIVISION.

Section 1.4. **Jurisdiction.**

a. **Territory.** THE DIVISION has jurisdiction to exercise powers granted by USA Fencing in the following geographic area: _____ [insert official description]______________.

b. **Powers.** THE DIVISION may adopt policies, rules, and procedures that are not inconsistent with these Bylaws or the Articles of Incorporation, Bylaws, policies, rules, and directives of USA Fencing. However, THE DIVISION shall take no action that jeopardizes USA Fencing’s standing as the National Governing Body of Fencing or its 501(c)(3) tax status.
ARTICLE II: PURPOSES

Section 2.1. **Purposes.** The purposes and objectives of THE DIVISION are:

a. To aid and assist USA Fencing in all its objectives, purposes and obligations;
b. To promote, develop and encourage the sport of fencing;
c. To provide local competitions and tournaments; and
d. To assist fencers to reach their full potential.
ARTICLE III: MEMBERSHIP AND DUES

Section 3.1. **Individual Members.** Subject to the rules and policies of USA Fencing, every individual member of USA Fencing who resides within the boundaries of THE DIVISION, belongs to a fencing club within the boundaries of THE DIVISION, or represents a school within the boundaries of THE DIVISION who is not a member of another division of USA Fencing shall be a member of THE DIVISION.

Section 3.2. **Club Members.** All club members of USA Fencing who are recognized by USA Fencing as being located in THE DIVISION shall be club members of THE DIVISION.

Section 3.3. **Exclusivity.** No member of THE DIVISION may be a member of any other division of USA Fencing. If any member claims simultaneous membership in THE DIVISION and in another division of USA Fencing, or in the case of ambiguity regarding such membership, the issue shall be referred to USA Fencing for resolution and its determination shall be final.

Section 3.4. **Classes of Membership.** Membership classes in THE DIVISION shall be the same as those designated from time to time by USA Fencing. Except as may be limited by USA Fencing, members shall have the same rights in THE DIVISION as they are granted by USA Fencing.

Section 3.5. **Transfer of Membership.** Membership may be transferred into or out of THE DIVISION, provided the transferring member receives the approval of USA Fencing or complies with any self-executing rules of USA Fencing with regard thereto.

Section 3.6. **Voting Rights.** Only members who would be entitled to vote in an election of USA Fencing held at the time of any election conducted by THE DIVISION are entitled to vote in THE DIVISION election.

Section 3.7. **Dues and Fees.** Annual membership dues shall be as determined by USA Fencing. THE DIVISION may not charge other or additional dues, but may charge reasonable fees for participation in Divisional activities. Members of THE DIVISION with a history of insufficient funds checks, declined credit card charges or other failures to make good payment may be placed by the Executive Committee on a cash-only basis.

Section 3.8. **Discipline of Members.** Except for penalties set forth in USA Fencing “Rules of Competition” and adopted competition policies of USA Fencing, all matters pertaining to the discipline of any member of THE DIVISION shall be referred to the Board of Directors of USA Fencing for appropriate action.
ARTICLE IV: DIVISION COMPETITIONS

Section 4.1. **Competition Calendar and Oversight.** The Executive Committee of THE DIVISION shall prepare and publish the schedule of its sanctioned competitions and shall determine, in accordance with the rules and policies of USA Fencing, the conditions and restrictions governing the qualifications for, entry into, and conduct of all competitions under its jurisdiction.

Section 4.2. **Membership Required.** All persons entering a tournament sanctioned by THE DIVISION must be current members in good standing with USA Fencing in a class that includes the right to compete.

Section 4.3. **Enrollment of New Members.** The bout committee at each tournament sanctioned by THE DIVISION will have the proper materials to enroll a non-member into USA Fencing at the time of registration and check-in, and shall admit new members in accordance with USA Fencing policies at that time. Membership dues collected by THE DIVISION shall be the property of USA Fencing and THE DIVISION shall be answerable therefor to USA Fencing.

Section 4.4. **Competition Organization.** THE DIVISION may act as the organizer of competitions it sanctions or may allow USA Fencing Member Clubs within THE DIVISION to organize Division tournaments. THE DIVISION shall approve the conditions, qualifications, and restrictions of all tournaments before sanctioning them. At least one official DIVISION representative shall be present at every sanctioned tournament, with full authority to assure that the conditions set by THE DIVISION are being carried out. In case the stipulated conditions are not being adhered to, THE DIVISION shall withdraw its sanction, either before or after it occurs, and give notice of that withdrawal to the members of THE DIVISION, to non-members of THE DIVISION who are registered for competitions, and to USA Fencing National Office.

Section 4.5. **Results.** In its Operating Guide THE DIVISION shall provide for the prompt reporting of the results of competitions sanctioned by THE DIVISION to USA Fencing National Office in accordance with its published procedures.
ARTICLE V: OFFICERS AND DUTIES

Section 5.1. Officers. The officers of THE DIVISION shall comprise a Chair, one or more Vice-Chairs, a Secretary, and a Treasurer. The latter two offices may be combined and held by a single individual. All officers shall take office at 12:00 midnight local time on August 1st of each year and hold office until 11:59 PM on the following July 31st, or until their successors are elected and qualified.

Section 5.2. Qualifications. Only individual members of THE DIVISION who are in good standing with USA Fencing and hold a class of membership that entitles them to vote in national USA Fencing elections at the time of their selection to office and who maintain such status during their full tenure in office are eligible to hold offices of THE DIVISION. All individuals who serve as officers must be and remain USA Fencing members in good standing and must meet USA Fencing’s requirements for U.S. Center for SafeSport certification, background check clearance and other qualifications.

Section 5.3. Duties of Officers. The duties of the officers shall be as follows:

a. The Chair shall preside at all meetings of THE DIVISION and of its Executive Committee and perform such duties as are assigned by these Bylaws, by USA Fencing, by the Division Operating Guide and as usually pertain to that office and are not inconsistent with these Bylaws. The Chair has responsibility to ensure that all reports required by USA Fencing are filed in a timely manner. The preparation of these reports may be delegated to the Secretary or Treasurer of THE DIVISION. The Chair may, from time to time, appoint officers and other members of the Executive Committee to chair standing or ad hoc committees. The Chair shall be an ex officio member of all committees. The Chair is responsible for the custody and maintenance of all equipment owned by THE DIVISION. If no other person is assigned responsibility for FenceSafe or Diversity, Equity and Inclusion communications and compliance, the Chair shall serve that in that capacity.

b. The Vice-Chair(s) shall perform such duties as the Chair and the Division Operating Guide may assign, and should the Chair be absent or unable to perform the duties of that office, the Vice-Chair shall perform the same until the Chair is again present and able to act. THE DIVISION, in its Division Operating Guide, may prescribe the number of Vice-Chairs to be elected and the duties assigned to each. If more than one Vice-Chair is to be elected, the Executive Committee shall select one to perform the duties of the Chair in his or her absence.
c. The Secretary shall conduct all official correspondence; shall issue timely notice to all members of meetings of THE DIVISION, its sanctioned competitions, and other functions of THE DIVISION; shall keep the minutes of all meetings of THE DIVISION and of its Executive Committee; shall prepare and submit, when due, all reports concerning membership as required by USA Fencing; and shall perform any other like duties that may be assigned by the Chair or the Executive Committee.

d. The Treasurer shall keep the accounts of THE DIVISION; receive and account for all monies, fees & dues payable to or collected by THE DIVISION; pay all bills approved by the Executive Committee and preserve all invoices and vouchers for such disbursements; and prepare and submit all financial reports required by USA Fencing. The Treasurer shall, at the Annual Meeting of THE DIVISION, submit a report of the financial transactions of the preceding period. All disbursements shall be made from THE DIVISION's checking account. Such disbursements must be supported by receipts stating the nature of the transaction and the payee. All funds of THE DIVISION shall be maintained in one or more federally insured accounts under the name of THE DIVISION. Unless a lower amount is stated in the Operating Guide, no disbursement over $250.00 may be made without Executive Committee approval. Payment by THE DIVISION shall be made only for expense items benefiting THE DIVISION and consistent with the purposes and policies of USA Fencing. The Treasurer shall perform such other duties as may be assigned by the Chair of the DIVISION or other proper authority.

e. Responsibility for communications and compliance concerning USA Fencing's FenceSafe and its Diversity, Equity and Inclusion policies shall be assigned by THE DIVISION to a member or members of THE DIVISION in a manner determined in the Division Operating Guide. If these responsibilities are not assigned to a voting member or voting members of the Executive Committee, then the persons discharging them shall act as advisors to the Executive Committee under Section 6.4 of these Bylaws. In default of such assignment, the Chair shall be responsible for those duties.

f. Records. The outgoing officers shall transfer to the incoming Officers, in good order, the complete records of their respective Offices by the beginning of the administrative year or as soon thereafter as possible.
ARTICLE V: OFFICERS AND DUTIES (CONT.)

Section 5.4. **Combined Offices of Secretary and Treasurer.** Unless otherwise provided in THE DIVISION's Operating Guide, the offices of Secretary and Treasurer may be combined for any year by a majority of those voting, in person or by proxy, at the Annual Meeting of the Membership.

Section 5.5. **Removal of Officers and Executive Committee Members.**

a. **Removal for Cause.** Officers and Executive Committee members of THE DIVISION are subject for removal for cause, including failing to perform the duties of the position, upon the petition of ten percent (10%) of the voting members of THE DIVISION, majority action of the Executive Committee, or instruction from USA Fencing. In the absence of procedures for removal prescribed by USA Fencing, the Executive Committee shall establish procedures for removal that provide the accused with notice of the asserted grounds for removal and due process during removal proceedings, including but not limited to the rights to a hearing before the Executive Committee, representation by counsel or another individual of the accused's choice, and confrontation of the evidence and witnesses offered against the accused. Removal shall occur on the affirmative vote of two thirds (2/3) the disinterested members of the Executive Committee voting on the matter, with abstentions counted as “no” votes.

b. **Automatic Removal.** Upon becoming no longer qualified to hold office or serve on the Executive Committee for any reason, the officer or Executive Committee member shall be automatically removed from the position without further action of the Executive Committee, the members or USA Fencing.

c. **Appeal.** Appeal of a decision of removal shall be to USA Fencing Board of Directors or its designee.

Section 5.6. **Vacancies.** If a vacancy in any office occurs before April 1, a meeting of the membership shall be called and a special election shall be conducted to fill the vacancy. In the meantime, and if the vacancy occurs on or after April 1, the Executive Committee shall appoint a qualified individual to hold office until the next election occurs.
ARTICLE VI: MANAGEMENT BY THE EXECUTIVE COMMITTEE

Section 6.1. Management. The management of THE DIVISION shall be vested in an Executive Committee.

Section 6.2. Composition and Qualification. The voting members of the Executive Committee shall consist of the officers of THE DIVISION and such At Large Members who have been elected at the Annual Meeting as prescribed by the Division Operating Guide, provided that each USA Fencing Member Club in THE DIVISION is entitled to be represented on the Executive Committee. To be eligible for election to the Executive Committee, candidates must meet the qualifications for officers of THE DIVISION. If any Member Club fails to put forward a qualified candidate, then that club shall forfeit the right to representation on the Executive Committee until the next Annual Meeting.

Section 6.3. Tenure. All members of the Executive Committee take and leave office concurrently with the terms of the officers of THE DIVISION.

Section 6.4. Advisors. The Chair may appoint advisors to the Executive Committee who meet the qualifications of officers, and the Division Operating Guide may provide for the election of persons to discharge specific duties on behalf of THE DIVISION, but these individuals will not have voting privileges at meetings of the Executive Committee.

Section 6.5. Quorum. A quorum at duly noticed meetings of the Executive Committee shall consist of one-third of the voting membership of the Executive Committee or 4 members, whichever number is larger. Once a quorum has been established, the departure of a member of the Executive Committee shall not defeat the quorum.

Section 6.6. Meetings. Meetings of the Executive Committee shall be held on a regular basis, not less frequently than quarterly, at a time and place designated by the Chair. Meetings may also be called upon the written request of 4 voting members of the Executive Committee. All Executive Committee members must receive at least 48 hours prior notice of all Executive Committee meetings unless all Executive Committee Members waive such notice in writing. If all members of the Committee have access to the Internet, meetings or voting on specific questions or proposals may be conducted by email or a virtual meeting platform to which all Executive Committee members have free access. The Secretary shall keep a record of each vote for THE DIVISION that cannot be readily edited by unauthorized persons. No voting by proxy is permitted at meetings of the Executive Committee. Unless contrary to regulations established by USA Fencing or in these Bylaws, meetings shall be conducted and actions shall be taken in accordance with Roberts Rules of Order, Newly Revised.
ARTICLE VI: MANAGEMENT BY THE EXECUTIVE COMMITTEE (CONT.)

Section 6.7. **Removal.** Members of the Executive Committee may be removed for cause or becoming no longer qualified for the position. The procedures for removal of Executive Committee members are as set forth in these Bylaws for the removal of officers.

Section 6.8. **Vacancies.** The Executive Committee may by majority vote replace a member (other than officers, for whom provision is made elsewhere) who has resigned, been removed from office, or no longer qualifies for the position. The individual selected to fill a vacancy must meet the qualifications for the vacated position.

Section 6.9. **Division Operating Guide.** The major rules and policies of THE DIVISION and the items prescribed therefor in these Bylaws shall be set forth in a Division Operating Guide. The Executive Committee may adopt a Division Operating Guide for THE DIVISION or may operate under the USA Fencing Standard Division Operating Guide as it may exist from time to time, provided:

a. Nothing in the Operating Guide adopted by THE DIVISION shall contravene these Bylaws or any governmental law or regulation or the Bylaws, policies, rules, and directives of USA Fencing as they may from time to time exist;

b. The current USA Fencing Standard Division Operating Guide shall control as to any matter addressed therein that is not addressed in the Operating Guide adopted by THE DIVISION; and

c. Any Operating Guide adopted by THE DIVISION is subject to review by USA Fencing, which may take such actions, or require the Executive Committee to take such actions, as USA Fencing deems necessary to assure compliance with this Section 6.9.
ARTICLE VII: MEETINGS OF THE MEMBERSHIP

Section 7.1. **Annual Meeting.** The Annual Meeting of THE DIVISION for the purposes of electing officers and Executive Committee members and such other business as may come before the meeting shall be held not earlier than May 1st or later than July 31st of each year. The date, time and place of the meeting shall be designated by the Executive Committee, and notification must be communicated to all members of THE DIVISION so as to be received no fewer than 21 days before the meeting. Notification shall be made in the manner prescribed in the Division’s Operating Guide, which may provide for electronic notice, provided the method chosen provides reasonable assurance of reaching all members of THE DIVISION.

Section 7.2. **Special Meetings.** Special Meetings of the membership may be called at any time and place by the Chair and shall be called by the Chair upon written request of not less than 10% of the eligible voters of THE DIVISION. The same notification requirements as for the Annual Meeting apply, except that only items of business stated in the notice may be considered at a Special Meeting.

Section 7.3. **Conduct of Meetings.** At the discretion of the Executive Committee, meetings of the membership may be conducted in person or through an electronic meeting platform that provides reasonable assurance of being accessible to all members of THE DIVISION at no cost and that allows all participants to view each other, to hear each other, and to be heard.

Section 7.4. **Quorum.** A quorum at meetings of the membership shall consist of 10 voting members in person or by proxy, and a majority of those present shall control, except as herein otherwise provided. Should membership in THE DIVISION drop below 20 individual voting members, a quorum shall consist of one-half of the voting members.
ARTICLE VIII: ELECTIONS

Section 8.1. **Nominations.** In the absence of contrary procedures set forth in THE DIVISION’s Operating Guide, candidates for all voting positions on the Executive Committee (including officers) shall be made by prior announcement to the Secretary or by nomination from the floor at the Annual Meeting. The Secretary shall include in the meeting notice the names of all eligible individuals who have announced their intention to seek an elected position. Alternatively, the DIVISION’s Operating Guide may provide for nomination of candidates by a nominating committee. In that case, the Nominating Committee shall be composed and populated to assure that a fair cross-section of clubs and other constituencies is represented in the process.

Section 8.2. **Balloting.** If not more than one nomination is made for a position, the Secretary of THE DIVISION shall cast a unanimous ballot for that candidate. When two or more candidates are nominated for a position, then a vote may be taken by secret ballot cast in person or by proxy, and the candidate receiving a majority of the votes will be elected; and in the event the meeting is being held electronically, provision must be made for the submission to and tallying of votes by neutral tellers by email or other means. If no candidate receives a majority, then a runoff election will be conducted immediately by the same balloting method between the candidates with the two highest vote totals. If the runoff election results in a tie for second place after two rounds of runoff voting, the winner shall be the candidate receiving a plurality of the votes. If the runoff election results in a tie between the two highest vote recipients, then the winner shall be determined by the drawing of lots.

Section 8.3. **Proxies.** Members eligible to vote and in good standing may appoint as their proxy any other member of THE DIVISION who is eligible to vote and in good standing. All appointments of proxies shall be in writing and signed by the appointing member and must be submitted for verification to the Secretary at the beginning of the meeting at which they will be exercised. THE DIVISION may adopt a deadline for the submission of proxy forms for verification that is not longer than two hours before the scheduled beginning of the meeting at which they will be exercised. Each person designated as a proxy must be in attendance at the Meeting in order to exercise the appointment. The appointment of proxies will be considered withdrawn if the person making the appointment appears at the meeting, gives written notice of withdrawal to the Secretary at any time, or unambiguously appoints another proxy at a later time.
ARTICLE IX: AMENDMENT, VARIANCES AND SUPPLEMENTAL ACTIONS

Section 9.1. Amendment. These Bylaws may be amended at any time by USA Fencing Board of Directors or by any body to which the Board of Directors delegates that authority.

Section 9.2. Effect. Amendments shall take effect immediately unless delayed effect is stated by USA Fencing Board of Directors.

Section 9.3. Supplemental Actions and Policies. THE DIVISION, acting through its membership or Executive Committee, may take actions and adopt policies it deems appropriate for management and operation of THE DIVISION, provided such actions and policies are not inconsistent with these Bylaws, the Articles of Incorporation, Bylaws, policies, rules, and directives of USA Fencing, or, except by proper amendment thereof, THE DIVISION’s Operating Guide.
INTRODUCTION

USA Fencing has adopted a set of Uniform Bylaws to be used by all Divisions. The Uniform Bylaws address matters of common concern, and Section 6.9 of the Uniform Bylaws provides that each Division must function under a Division Operating Guide. USA Fencing provides the following template Division Operating Guide, but recognizing that circumstances vary from Division to Division, the Uniform Bylaws allow Divisions that wish to do so to modify this template in certain ways to accommodate local conditions and concerns. By default, Divisions that make no modification will operate under the Operating Guide as set forth below. For those Divisions that do wish to customize the Operating Guide, USA Fencing also provides Division Operating Guide Instructions for doing so.

1.0 Purpose of this Operating Guide

This Operating Guide has been written to document the established procedures, best practices, and rules of the ____________ Division of USA Fencing (“the Division”). It is not intended to supersede, nor may it contradict, the division Bylaws. If a policy in this Operating Guide conflicts with the Division’s Bylaws, that policy is null and void. Changes and variances to this Operating Guide may be adopted by the Division provided such modifications do not contravene USA Fencing policies or the Division Bylaws and have been submitted to and approved by USA Fencing acting through its Division Resource Team.

2.0 Who May Modify this Operating Guide

This Operating Guide may be modified in certain respects from time to time as procedures and rules change in the Division or USA Fencing. Changes to the Operating Guide do not need a vote of the Executive Committee (sometimes herein, “EC”) of the Division unless the Division Bylaws or Operating Guide provide otherwise. However, the Division EC should review the Operating Guide on a timely basis -- at least once every three years -- and approve its continued use, or request that it may be modified as necessary. In the absence of another officer being assigned direct responsibility for this Operations Manual, the Secretary of the Division has the responsibility to maintain this document. All changes made to this document must be approved by USA Fencing, specifically the Division Resource Team.

This document is public to all members of the Division and shall always be maintained in its current form on the Division’s website.
3.0 Executive Committee

The Executive Committee comprises the officers, at-large members, and any member clubs in the Division who desire to have a voice on the Executive Committee. Officers and At-Large members of the Executive Committee may, but need not be, affiliated with a club.

3.1 Officers

The Division By-Laws define the roles and responsibilities of each officer position, which may be augmented by this Division Operating Guide.

3.2 At-Large Members

The Division may (but need not) in this Operating Guide provide for additional members of the Executive Committee to be elected from the membership as a whole.

3.3 Club Representatives

Each USA Fencing member club in good standing in the Division is entitled to representation on the Executive Committee by one individual member of that Committee who meets the qualifications stated in Section 3.0, above. If any officer or At-Large member of the Executive Committee is affiliated with a club, then that club is deemed to be represented. However, if any member club is not represented by an officer or At-Large member of the Executive Committee, then such club may, but is not required to, appoint one of its members to serve on the Executive Committee.
4.0 Annual and Special Membership Meetings

The Division shall have at least one general membership meeting held in accordance with the Bylaws of the Division during each membership year. The Chair of the Division may call additional general meetings as necessary, and such will be held in accordance with the Bylaws of the Division.
5.0 Division Elections

Elections are held in accordance with the Bylaws of the Division and the procedures listed here, if any.

[The Division should insert its selected procedures here if they differ in an allowed way from the default provisions of the uniform Division Bylaws. See the Operating Guide Instructions.]

Proxies in the form attached to this Operating Guide as Appendix A are sufficient, but this form is not required. However, any submitted proxy must unambiguously identify the voting member conferring the proxy, the person holding the proxy, the date or meeting for which the proxy is given and expires, and whether the votes to be cast by proxy are specified or discretionary with the holder.
6.0 Tournament Sanctioning

Only USA Fencing or the Division may sanction a USA Fencing tournament within the Division boundaries as provided in the Bylaws. Tournaments organized by USA Fencing within the Division's boundaries (such as North America Cups and regional tournaments) are not considered sanctioned by the Division and need not meet any requirements specific to the Division.

6.1 Requirements for Division Sanctioning of Tournaments

To be a Division sanctioned USA Fencing tournament, the tournament must meet these minimum requirements:

1. The tournament must be announced at least 14 days before it begins. That announcement must be in a public forum, such as a publicly accessible web page, flyer, or announcement on “AskFred” or its equivalent, and must state the competitions to be contested, all fees that will be charged, and the name and contact information of the person to whom notices of withdrawal must be sent (See Section 10.1, below).

2. The tournament must appear on the official Division calendar as published on the Division web site (see Section 11, below) and such social media and other sites as the Division may utilize.

3. The hosting club or location and organizer must be insured for the full course of the tournament, in compliance with guidelines published by USA Fencing. This insurance must be through the USA Fencing club insurance program, or the equivalent from a third-party vendor. If the insurance is written by a third-party vendor, the Division reserves the right to obtain and approve a copy of the insurance policy (or its declarations) before sanctioning a tournament.

4. The competition must follow the rules of USA Fencing.

5. The competition must use a tournament format approved by USA Fencing (See USA Fencing’s current Athlete Handbook for approved formats).

6. All tournament officials (e.g., bout committee, referees, armorers, medical staff) and such other persons as USA Fencing policy designates must meet USA Fencing’s requirements for U.S. Center for SafeSport certification, background check clearance and other qualifications, and where mandated, one or more referees of the required level must be present for the duration of the competition.
7. If a competition results in classification changes, they must be sent to both the USA Fencing National Office and the Division secretary via email and the competition results shall be posted on AskFred, Fencing Time Live, or the organizing club's website within 48 hours of the tournament's completion. Unexcused failure to meet this deadline could result in loss of an organizer's privileges to host sanctioned tournaments.

7.0 Division Tournament Schedule

All USA Fencing member clubs in the Division have equal access to the Division Calendar for hosting competitions. Early in August, when the new season begins, the Division will announce the “opening” of the season's calendar for tournaments on both the Division web page and on social media or by email to the Clubs.

7.1 Scheduling Process

The Executive Committee sets the Division Calendar for the season at an Executive Committee meeting held no later than August 15 of each calendar year. The Executive Committee may set the first half of the calendar (August through December dates) and leave the remaining dates (January through July) for a meeting held no later than November 15th of the current year.

The scheduling process shall be as follows:

[The Division should insert its selected procedures here. See the Operating Guide Instructions.]
7. If a competition results in classification changes, they must be sent to both the USA Fencing National Office and the Division secretary via email and the competition results shall be posted on AskFred, Fencing Time Live, or the organizing club's website within 48 hours of the tournament's completion. Unexcused failure to meet this deadline could result in loss of an organizer's privileges to host sanctioned tournaments.
7.0 Division Tournament Schedule

All USA Fencing member clubs in the Division have equal access to the Division Calendar for hosting competitions. Early in August, when the new season begins, the Division will announce the “opening” of the season’s calendar for tournaments on both the Division web page and on social media or by email to the Clubs.

7.1 Scheduling Process

The Executive Committee sets the Division Calendar for the season at an Executive Committee meeting held no later than August 15 of each calendar year. The Executive Committee may set the first half of the calendar (August through December dates) and leave the remaining dates (January through July) for a meeting held no later than November 15th of the current year.

The scheduling process shall be as follows:

[The Division should insert its selected procedures here. See the Operating Guide Instructions.]
Once the calendar is approved, it shall be posted on such media as the Division uses to communicate with its members (see Section 11, below). The Executive Committee or its delegate shall arrange for notification of the posting of the schedule with a link to where it is posted to be emailed to the Division membership as it exists on the date of posting. Such notification may be sent from the USA Fencing National Office or may be sent by the Division utilizing a current and official membership list.

Clubs may request additional tournaments after publication of the schedule by sending an email to the Division Secretary providing the information needed for sanctioning. The Secretary will send a request to the Division Executive Committee requesting approval. If no objections are received within 5 days, the tournament is added to the calendar.

7.2 Schedule Changes

Deviations from the published calendar will be allowed with the approval of the Executive Committee or its designated subcommittee for good cause and shall be announced to the membership of the Division in the same manner as the calendar was publicized.
8.0 Division Tournaments

The following are considered Division Tournaments, for which the Division serves as the sanctioned organizer:

• Junior Olympic Qualifiers;

• Division II, Division III, and Youth 14 Summer National Championship Qualifiers; and

• Such other competitions for which the Division serves as the organizer.

8.1 Tournament Official Honorarium, Per Diem and Meals Policy for Division Events

The Division has set the following honoraria and per diem for individuals serving as officials at Division Tournaments:

[The Division should insert its selected honorarium, per diem and meals policy here. See the Operating Guide Instructions.]
8.2 Travel and Hotel

The Division may provide additional compensation for tournament officials traveling an unusual distance. In addition, hotel accommodations are provided, as needed, for Division Tournaments. The officials may be asked to share a room with another official of the same gender and appropriate age.
9.0 Club Tournaments

Clubs are encouraged by the Division to host competitions throughout the year. These may be “Unsanctioned” or “Sanctioned”.

Unsanctioned competitions may be of any type and may conflict with any tournament on the Division Calendar but do not award USA Fencing classifications. These competitions should state clearly that they are being held “unsanctioned” when advertised/posted on AskFred, social media or by other means.

Clubs and other private organizers holding Division sanctioned tournaments are responsible for posting the results of the competitions and reporting any classification changes as provided in Section 6.1.7 of this Operating Guide. The reports shall include a list of SafeSport qualified officials, indicating their positions at the tournament, the ratings of all referees used in the competitions and the name of the Division representative in attendance, as provided in Section 4.4 of the Division Bylaws.
10.0 Tournament Fees

The Division does not have any official position on the fees that a club may charge for tournament registration or entry, but such fees must be stated in the official announcement of the competition. Such fees must be uniform for all competitors, except for any complementary entry or other allowance given to Division Officers/Executive Committee members.

If an organizer intends to charge an entrance or other fee to non-competitors, it must apply equally to all such individuals, including, for example, to affiliates of the organizing club. The Division will not sanction any club competition in which excessive fees are charged by an organizer to non-club members or if any other deliberate pattern of discouraging attendance is employed. Organizers may, however, limit access to the venue where space or safety considerations require, so long as such limitation is not discriminatory.

10.1 Division Tournament Refund Policy

Any fencer who has pre-paid fees for a Division Tournament and is unable to fence in that tournament due to a family emergency, injury or other valid emergency excuse will have all paid fees refunded within a reasonable time after the conclusion of the tournament if the organizer was timely notified of the withdrawal in advance of the competition.

Fencers who withdraw for non-emergency reasons will not have the registration portion of the fee (if one is charged) refunded, and entry fees will not be refunded unless the fencer withdraws more than 72 hours in advance of the competition to which it applies.

For those cases in which a fencer qualifies to a national tournament by another route after paying to fence in the Division qualifier, the fencer’s competition entry fees for the qualifier will be refunded, but not the registration fee.
11.0 Division Website and Social Media Presence

The Division shall establish an internet presence that is made known to and is accessible by the Division members. That presence may be in the form of a proprietary URL, a dedicated Facebook page, or similar social media outlet. The Division website (www.sampledivision.com) is self-managed by the Secretary of the Division unless the Bylaws or this Operating Guide assign that function to another officer. The Division has the following additional social media accounts that it manages:

[list as appropriate or “none.”]

12.0 Division Equipment and Usage

The Division does not maintain equipment for use by its member clubs.

13.0 Division Club Rental Policy

The Division will pay an agreed sum to any Division Member Club whose venue is used to host a Division Tournament or Division sponsored clinic or other function. The amount and terms of payment for this service requires approval of the Division's Executive Committee.

DIVISION OPERATING GUIDE INSTRUCTIONS
USA Fencing has adopted a pattern or template Operating Guide pursuant to which all USA Fencing divisions must function. The template Operating Guide, however, allows each division a certain amount of latitude to craft provisions that reflect the needs or preference of that division. These Instructions specify which provisions of the Division Operating Guide may be modified and, where applicable, to what extent modifications may be adopted. These Instructions also provide certain examples to assist the divisions in customizing the Guide. Any questions about the Division Operating Guide or these Instructions should be directed to the USA Fencing Division Resource Team through its USA Fencing staff liaison. The numbers of the following instructions correspond to the numbered sections of the Operating Guide.

1.0 Purpose of the Operating Guide

This section should not be modified except for insertion of the Division’s official name.

2.0 Who May Modify the Operating Guide

This section should rarely require modification, but can be, consistent with the Division’s Bylaws.

3.0 Executive Committee

The Division may in its Operating Guide make certain revisions to the default composition of its Executive Committee to meet its unique needs.

3.1 Officers

This section may be modified, so long as it remains consistent with the Division’s Bylaws, which specify the minimum responsibilities of Division Officers. The Division may choose to assign additional responsibilities to those officers. Such additional responsibilities would then be defined in this section of the Operating Guide. The Division must have a member or members whose defined duties include responsibility for communications and compliance concerning USA Fencing’s FenceSafe and Diversity, Equity and Inclusion policies. These duties may be assigned to an officer or officers, or they may be assigned to non-officer advisors to the Executive Committee, as provided in Section 6.4 of the Bylaws. Possible additional duties to be assigned to officers, appointed individuals or committees may include, but are not limited to:
• Regional tournament proposals and coordination
• Division Points lists and updates
• Website upkeep (when not done by the Secretary)
• Collegiate fencing club coordination / support
• Support for Division sponsored tournaments and/or qualifiers (either onsite or otherwise, i.e., adding Division Tournaments on AskFred)

Any such additional assigned duties should be detailed in this section.

If the Division offers some benefits to officers (e.g., paying for the upgraded Professional membership of an officer, paying for mandatory background checks, or allowing Division officers to compete in local sanctioned competitions for no cost), these should be specified in a subsection to Section 3 called “Officer Benefits.”

3.2 At-Large Members for the Executive Committee

The Division may at its option in its Operating Guide increase the size of the Executive Committee by adding positions to be elected by the Divisions' membership as a whole. If the Division so opts, the Operating Guide must specify the number of At-Large members.

3.3 Club Representatives

If no member of a USA Fencing member club in good standing within the Division has been seated on the Executive Committee as an officer or At-Large member, that club may then select one of its members to represent it. Any person so selected must meet and maintain the qualifications of an officer.

4 Annual and Special Membership Meetings

The Division should define how the General Membership Meeting or Special Membership Meetings are run, beyond what is stated in the Bylaws. These may include, for example, required agendas, meeting order, etc. Document any Division specific procedures in section 4 of the Operating Guide, as appropriate.
5 Division Elections

In this section set forth in detail the election process for the Division, beyond what is required and already stated in the Bylaws. Considerations include but not limited to:

- Limits on or requirements for the number of officers from a single club
- Does the Division have an order of election? Chair 1st? At Large Members?
- How are proxy votes authenticated and tabulated?
- Does the Division have Nominating and Election committees or a combined Nominating and Election Committee? If so, how does the Division form the Committee(s), and what is the process for collecting nominations for elected positions?

Two examples of such provisions are provided below:

Example 1: Elections are held in person, virtually or hybrid, and each USA Fencing Member of the Division with voting privileges may cast one vote for each position in order, one position at a time. Valid Proxy votes are allowed. If a USA Fencing Member holds multiple proxies, that person may not split them up among multiple candidates for the same office. Chair is the first to be elected, Vice Chair is the second, and so on until the entire Executive Committee is chosen including At Large Members and all elected positions are filled. Voting will not be held for positions where there is only one qualified candidate. If a vote is tied, the election will be decided by coin toss or similar randomized method. All proxy votes will be validated by the current division secretary prior to the election. A sample proxy form is provided in the appendix of The Division Operating Guide.

Example 2: The Division selects a group of members to serve as a Nominating and Election committee. The Committee solicits membership for interest in running for office (including the current executive committee) and provides them a candidate statement to be filled out. This information is collected and published on the division website 14 days prior to the election. Members may run for more than a single position. On election day, Chair is the first to be elected, Vice Chair is the second, until the entire Executive Committee is selected including At Large Members, and all elected positions are filled. Each voting member (whether voting in person or by proxy) may cast one vote for each the positions available. Voting will not be held for positions where there is only one candidate. If a vote is a tie, the election will be decided by coin toss or similar randomized method.
The following is a sample provision that may be added to The Division Operating Guide regarding providing candidates with approved proxy forms:

The use of Proxies is allowed in accordance with the Bylaws of the Division. A sample Proxy form is attached as Appendix A to the Division Operating Guide and will be sent to all known candidates when they announce to the election committee their intention to run. The proxy form will also be posted on the Division website at the time of the Membership meeting announcement.

6 Tournament Sanctioning

The provisions of Section 6.0 may not be changed, but further processes or policies used in the Division's sanctioning processes may be added to them, so long as such further processes or policies are consistent with the Operating Guide template, the Division Bylaws, and USA Fencing policies.

6.1 Requirements for Division Sanctioning of Tournaments

The provisions of Section 6.1. subsections are mandatory and may not be changed. The Division may augment these subsections with additional provisions that do not conflict with or reduce the efficacy of the mandatory requirements.

7 Division Tournament Schedule, and

7.1 Scheduling Process, and

7.2 Schedule Changes

The tournament scheduling process and communication of the schedule (and any changes to the schedule) should be designed to give all member clubs, fencers and other interested parties reasonable advance notice of the time and place of all sanctioned tournaments and to provide a fair basis for awarding sanctioning to interested organizers. Below are some examples of acceptable methods of scheduling and announcing division tournaments. The Division may tailor the scheduling and notification processes to meet its needs and traditions, provided those processes are fair, reasonable and, if different from the default text of the Division Operating Guide template or the examples below, have been approved by the USA Fencing Division Resource Team. It is recommended that when reviewing and awarding sanctioned tournaments to member clubs the Division consider (but is not bound by):
• USA Fencing’s national and regional calendar;
• Local high school or college competitions;
• Division organized events (Qualifiers, Clinics or other Division run competitions);
and
• The calendars of other USA Fencing Divisions that are in proximity to the Division.

Examples of approved scheduling processes are as follows:

Example 1:

Bids from member clubs wishing to hold tournaments should have the following minimum information:

   a. Date of competitions
   b. Name of the tournament
   c. Type of competitions (classification)
   d. Location
   e. Competitions to be contested

Any unusual situations (parking, strip layout, location) should also be communicated to the Division.

A club may submit a “save the date” bid to the Division without all the required information but should respond with complete details within 21 days of posting the tournament to AskFred or a similar service. The Division will respond in time to support the 14-day advance notice minimum.

Example 2:

Email invitations to bid for tournaments are sent to all clubs within the Division. One club member from each club will represent their club in providing dates for competitions. In person attendance is not mandatory for awarding of tournaments, but clubs should provide desired dates in email to the Division Chair and Secretary.

Each club representative chooses a number out of the hat. In numerical order clubs are then able to secure the date(s) desired and type of competition. Once everyone has had a pick another round begins until all dates or desired competitions are depleted.
8 Division Tournaments
The text of Section 8.0 of the Division Operating Guide template is mandatory. But it may be augmented. Every division is required to hold a Junior Olympic qualifier before the deadline established by USA Fencing, as well as a Youth 14, Division II, and Division III Summer National Championship qualifiers in the spring of each year. Some divisions may serve as the organizer for additional tournaments (e.g., high school league, collegiate club, or larger non-regional competitions), and they should be listed here.

8.1 Tournament Official Honorarium, Per Diem and Meals Policy for Division Tournaments and

8.2 Travel and Hotel
Sections 8.1 and 8.2 of the Division Operating Guide template may be modified to reflect the Division's adopted practices for compensating, feeding and housing tournament officials who work Division Tournaments.

Here is an example of what might appear at Section 8.1:

The Division has set the pay scale and per diem at the same level as USA Fencing’s National tournaments for Division run tournaments (e.g., Junior Olympic and Summer National Championship Qualifiers):

<table>
<thead>
<tr>
<th>National Referee Rating</th>
<th>Daily Honorarium</th>
<th>Per Diem</th>
</tr>
</thead>
<tbody>
<tr>
<td>N1 (and any international rating)</td>
<td>$125</td>
<td>$35</td>
</tr>
<tr>
<td>N2 (and Bout Committee/Armory)</td>
<td>$100</td>
<td>$35</td>
</tr>
<tr>
<td>R1, R2, L1 and L2</td>
<td>$75</td>
<td>$35</td>
</tr>
</tbody>
</table>

In addition, referees working more than 4 hours will be fed one “time appropriate” meal (i.e., breakfast, lunch, or dinner) and referees working more than 6 hours will be fed two “time appropriate” meals.

Because the Division Operating Guide has the approval of the Executive Committee, inclusion of these amounts in Section 8.2 satisfies the requirements of Division Bylaws Section 5.3.d.
9 Club Tournaments

This section may be modified by the Division. Some divisions have clubs that host both sanctioned and unsanctioned competitions. If the Division has a policy or procedure around this process, it belongs in Section 9. If the Division charges a sanctioning fee to Clubs, that needs to be detailed here and how payment can be made to the Division.

10.0 Tournament Fees and

10.1 Tournament Fees and Refund Policy

These sections may be modified by the Division. If the Division has a specific policy for what an organizer may charge for a Division sanctioned competition, it should be stated in Section 10.0. The sections should also address whether organizers may charge for visitors/spectators and how refunds are to be managed for pre-competition withdrawals and for competitions scheduled but not held (e.g., for a JO Qualifier competition not held because it did not have four entrants.)

11.0 Division Website and Social Media Presence

In this section the Division will identify its official website and all social media accounts it uses to communicate with its members.

12.0 Division Equipment and Usage

This section should be modified if necessary to conform to Division policy. If the Division has equipment to lend out, its conditions and any charges for its use should be specified, as should the process for requesting equipment from the Division and remedial measures if damage occurs during the rental. If the Division does own equipment or does not make its equipment available to organizers, that policy should be stated here.

13.0 Division Club Rental Policy

This section should be modified to reflect local practice. The Division hosts at least two annual qualifier tournaments, and possibly additional tournaments, referee clinics, or other functions. In this section, specify the Division's policy for renting facilities for Division competitions and functions.
SEMI Board Report

Current Members: Kathy Walters Chair, Liz Morey Vice Chair, David Blake, Irene Edgerton, Ron Herman, Alice Kee, Ted Li, Joe Moore, Al Merritt, Brian Rosen

Board Liaison: Donald Alperstein

Staff Liaisons: Glen Hollingsworth, Michael Aiken

Meetings:

SEMI meets monthly on a previously selected Thursday night at 8:30 pm ET. Meetings are conducted Zoom. Meeting minutes are reviewed/approved at the following meeting and then submitted to USA Fencing. General meetings have focused on hiring for and logistics related to operating National Events.

Other recent meetings have included:

- Head Tech meeting on August 11, 2022 to organize assignments for 2022-2023 season and discuss points of emphasis in control, set-up, teardown, dress code, and code of conduct.
- An extended Zoom meeting held on October 1, 2022 in lieu of an in person annual meeting. Minutes from this meeting are pending approval at the next monthly meeting.

Currently, the next meeting is scheduled for November 17, 2022 at 8:30 PM via Zoom.

Additionally, we have three operating subcommittees: Metrics, Education, and Website. These subcommittees meet on their own schedule and report to the SEMI.

- The Metrics Subcommittee was established with the goal of being able to better predict number of armorers required at an event and the time required to accomplish armory related activities.
- The Education Subcommittee is developing a curriculum and seminar schedule to allow for training of new armorers, as well as educating fencers and parents regarding care and maintenance of their personal equipment.
- The Website Subcommittee is developing the topics and information for an Armorer’s webpage to be added to the USA Fencing webpages.

Topics/Issues in Process:

- Metrics – We continue to collect and refine data regarding control and armory tasks. A simplified form that can be completed by a head tech from phone has been developed and implemented.
- Inventory checklists — Data and usage for 2021-2022 reviewed. Minimum/Maximum levels set for consumables. Form has been developed and is in testing.
- Contour fit masks — Secondary strap was required as of first date competition of Summer Nationals 2022.
- Code of conduct — A code of conduct regarding dress code and compensation for repair work was drafted, approved, and implemented.
• **Set up/tear down improvements**—
  o We continue to work to improve set up and tear down processes including the replay area and finals strip.
  o The finals strip assembly and breakdown procedures document has been revised.
  o SEMI has developed a standardized truck loading plan to simplify and speed up loading and unloading the three trailers used to ship equipment between events.

• **Head tech manual**—A Head Tech Manual is under discussion and topics and outline have been proposed.

• **Floor cords**— The exchange of equipment that is part of the new contract did not initially include floor cords due to an oversight. This was added to the contract later and we continue to swap old floor cords for new ones at each national event. This is the only portion of the new equipment contract that is still in process of being provided. The complete changeover of these is expected to be completed before Junior Olympics.

• **Website**—The Website Subcommittee continues to develop topics and layout for a webpage to be included on the USA Fencing webpage. A list of topics has been developed, and policies regarding management and information to be listed are under development.

Pending Topics/Issues:

• **Crate Numbering and Color Code** – Renumbering and remarking shipping containers was delayed by need to develop and revise the standardized truck load plan. We continue to work on developing the new system that will appropriately and quickly identify each crate while allowing for additional growth as needed. This will be revisited once the standardized load plan is finalized.

• **Planning annual August 2-day SEMI meeting**—Since the Covid shutdown, SEMI has not had an in person annual meeting. We are planning to meet in person in August 2023 and will continue to work closely with the National Office staff to coordinate this meeting.

USA Fencing Black Card Policy

All black cards issued by tournament officials shall be tracked and draw additional action as follows, effective October 18, 2019, as amended by the Board of Directors on February 16, 2022:

Level 1, Standard Black Card

Standard Black Cards are those issued given for disrespect of referees, staff or other official personnel, unsportsmanlike conduct, throwing of equipment, disruptive behavior, issues of safety and other incidents that are neither administrative nor so extreme or severe as to warrant a Level 2 Black Card. Standard black cards shall be recorded and stored in the USA Fencing National Office database and result in a follow-up email from the USA Fencing National Office (with copies to the Ethics Committee and Black Card Review Group), advising the individual that: 1) the black card has been recorded, 2) the individual has been placed on probation for 12 months from the date of issuance of the black card, 3) the black card will be reviewed by National Office Staff and Ethics Committee, and 4) an additional Level 1 Black Card received during the probationary period will trigger a review by the Black Card Review Group, which can determine that the repeated violation warrants a Level 2 Black Card sanction of the individual.

Level 2, Severe Offenses

Level 2 Black Cards are those issued for extreme or severe offenses including but not limited to repeated Level 1 offenses, deliberate physical violence, verbal and verifiable threats, and verifiable cheating.

Level 2 Black Cards may trigger sanctions that could include, but not be limited to, competitive penalties within the Rules of Competition such as temporary exclusion from tournaments for a period of up to two months. Such sanctions will be determined in the first instance by the Black Card Review Group. The Black Card Review Group shall make its initial determination upon written submissions required from the issuing referee and Head Referee or from the Bout Committee, and from any written response thereto that the carded individual may timely submit. Following the initial determination, the individual who received the card shall have the right to request a hearing, as set forth below. In the event a hearing is requested, the Black Card Review Group shall determine whether any tournament exclusion initially imposed shall be stayed pending the outcome of the hearing. As used herein, “individual” shall refer to the parent or guardian of record of any carded individual who is a minor.
Promptly following a determination of the Black Card Review Group that upholds a Level 2 Black Card, the USA Fencing National Office shall transmit a follow-up email to the carded individual (with copies to the Ethics Committee and Black Card Review Group), advising the individual as follows:

1) The black card has been recorded.

2) If applicable, a sanction has been issued and recorded. The sanction(s) shall be described in detail.

3) The offending individual has been placed on probation 24 months from the date of issuance of the black card.

4) Any additional black cards received during the probationary period will trigger (i) the offending individual’s removal from the entirety of the tournament in which the subsequent black card was received, (ii) a renewal of the 24 month probation period beginning from the date of the issuance of the additional black card, and (iii) review by the Black Card Review Group for possible additional sanctions.

5) Failure to abide by any sanctions imposed by the Black Card Review Group shall be considered severe misconduct and the violator shall be referred to the Board of Directors for disciplinary action.

6) The individual may, within 5 business days of receiving the follow-up email, appeal the Group’s initial determination via email to the National Office, Ethics Committee and Black Card Review Group. A hearing will then be conducted before members of the Black Card Review Group who meet the requirements for a disciplinary panel as set forth in the Athlete Handbook. If the individual does not demand a hearing, then he or she shall be deemed to have accepted the initial determination. Any hearing demanded by the individual shall be conducted under the procedures set forth in the Athlete Handbook. Following such hearing, the Black Card Review Group members who conducted the hearing shall issue a final determination, which may adhere to the initial determination or may impose measures either more or less stringent. Any suspension of membership privileges shall be subject to Board review as set forth in the Bylaws. The individual shall have rights of appeal according to the procedures set forth in the Athlete Handbook.

Additional Tracking of Rescinded Black Cards
Black cards given and rescinded will be recorded. The referee issuing the rescinded black card, and the Head Referee for the relevant event must each, separately, submit a written report that sets forth in detail: 1) the reason for the initial Black Card, 2) the rationale for rescission of the black card and 3) any disagreement with such rescission. All such reports shall be stored in the Black Card
database and available to be reviewed by the Referees’ Commission, National Office and Ethics Committee.

**Black Card Review Group**

The Black Card Review Group shall be comprised of two members each from the Tournament Committee, Referees’ Commission and Ethics Committee and three athletes selected by the Athlete Council. It shall review both given and rescinded Black Cards annually, and it shall convene promptly to review and conduct required proceedings with respect to all Level 2 black cards. The Black Card Review Group shall create, update, and maintain internal guidelines for how various black cards should be handled for how hearings will be conducted. The Black Card Review Group shall react timely when reviewing cases.

GRIEVANCE AND DISCIPLINARY COMMITTEE

COMPLAINT and HEARING PROCEDURES
SECTION 1.
INTRODUCTION

The following Complaint and Hearing Procedures (“Procedures”) apply to complaints that are filed with the United States Fencing Association (“USFA”) and are within the jurisdiction of the Grievance and Disciplinary Committee (“Committee”). Any person who becomes a member of USFA or participates in USFA-sanctioned events agrees to be subject to these Complaint and Hearing procedures.

SECTION 2.
JURISDICTION

The USFA Grievance and Disciplinary Committee is created and governed by the USFA Bylaws and the policies, rules, and practices adopted by USFA. The purpose of these Complaint and Hearing Procedures is to provide a mechanism for adjudicating cases that fall within any of those policies or that allege conduct detrimental to USFA, and to adjudicate the grievances of USFA members. Nothing in these Procedures shall be construed as expanding or limiting the jurisdiction of the Committees.

The Committee shall not have jurisdiction over the following complaints: (a) complaints involving disputes over matters covered by USFA’s Black Card policy; (b) complaints concerning the resolution of disputes arising in the context of traveling teams where such resolution is directed to other personnel under separately stated USFA policies, and (c) complaints over which the Referees Commission is given exclusive jurisdiction. With respect to any matter over which the Referees Commission has non-exclusive jurisdiction, the Manager shall determine which tribunal will adjudicate the complaint.

SECTION 3.
COMPLAINTS

§3.1 Contents. A Complaint alleging a violation of the Ted Stevens Olympic and Amateur Sports Act, USOPC Bylaws, USFA Articles of Incorporation, USFA Bylaws, any USFA rule, regulation or policy (except as set out below), or any grievance of a USFA member against another member or the USFA itself shall

§3.1.1 Identify the individual or body filing the Complaint (“Complainant”), with membership number where applicable, and the individual(s) or body(ies) against whom the complaint or grievance is filed (“Respondent”) including, where available, the membership number and any contact information the Complainant has for the Respondent. The USFA or any of its committees may act as the Complainant

§3.1.1.1 A Complaint may be filed anonymously, and information concerning misconduct may be submitted to USFA through other informal channels. In either event, the Manager in consultation with the Chair of the USFA Board of Directors may decide that USFA will become the Complainant.

§3.1.2 The USFA Senior Manager of Compliance & Athlete Safety (hereinafter, “Manager”) may request that the Chair appoint a representative to undertake responsibility for pursuing any Complaint in which USFA serves as the
Complainant.

§3.1.2 Set forth a statement in clear and concise language of the conduct or omission that is alleged to constitute a violation or upon which the grievance is based;
§3.1.3 Identify where possible any specific policy or rule that the Complainant alleges has been violated;
§3.1.4 Be signed by the person making the Complaint or, where the Complainant is a minor, by their parent or legal guardian, who shall attest to its validity, under express affirmation that all factual statements contained in the Complaint are true to the best of the Complainant’s knowledge, information and belief;
§3.1.5 Provide a telephone number and sufficient contact information for the Complainant or the Complainant’s counsel or representative (or, for a minor, the minor’s parent or legal guardian) to permit the exchange of information in written or electronic form (address or e-mail);
§3.1.6 State the relief sought, except that the relief specifically requested shall not serve as a limitation on the relief that the Hearing Panel may grant.
§3.1.7 Attached documentation or materials to support initial review of the Complaint. Attachment of information or materials shall not serve as a bar to the Complainant’s subsequent provision of information in accordance with the Hearing Panel’s procedural orders or at the hearing.
§3.1.8 If the Complaint alleges denial of an opportunity to compete in a Protected Competition, the Complaint shall also identify the Protected Competition and any other person whose opportunity to participate may be affected by the Committee’s adjudication.
§3.1.8. With respect to any Complaint alleging the denial of an opportunity to compete in a Protected Competition, USFA shall be named as a Respondent and shall have the right, in its discretion, to defend against that Complaint.

§3.2 Filing and Distribution. A Complaint shall be filed online through the USFA Grievance and Disciplinary Committee Portal. The Committee will supply a copy to the Chair of the USFA Board of Directors and the Manager. In the event that the respondent is a member of the Board of Directors, the Committee need not supply a copy to the Chair but must notify the Chair that such an individual is a respondent. If the Respondent is the USFA Senior Manager of Compliance & Safety, the Committee will supply a copy to the Chief Executive Officer or other senior executive who is not a respondent

§3.2.1 Upon receipt of the Complaint, the USFA Manager shall assign a case number to the matter. The Manager, in consultation with the Chair of the Board of Directors shall determine whether USFA will serve as the Complainant. That determination shall not be subject to review, and no Complainant shall have the right to have USFA serve as the Complainant in any case.

§3.2.1.1. In the exercise of their discretion, the Chair of the Board of Directors and the Manager shall be guided by consideration (among other factors) of whether the Complaint was filed by an individual acting in an official USFA capacity or whether there
is a key organizational interest at stake in the matter.

§3.2.1.2. The Manager may request that the Chair appoint a representative to undertake responsibility for pursuing any Complaint in which USFA serves as the Complainant.

§3.2.2 The Committee may waive any defect or insufficiency in any Complaint filed hereunder or accept an insufficient Complaint provisionally, conditioned on the Complainant furnishing necessary additional information.

§3.2.3 The Manager shall have the authority to file a Complaint on behalf of USFA even in the absence of a third-person Complainant.

§3.3 Compromise or mediation. With respect to any Complaint the Manager shall have the authority to a compromise or settlement of the Complaint and may enter the same on terms approved by the Chief Executive Officer and Chair of the Board of Directors. With respect to any other Complaint, the Manager may endeavor to mediate the Complaint or may assign a third person to mediate the Complaint.

SECTION 4.
COMPLAINT DISTRIBUTION AND APPOINTMENT OF HEARING PANEL

Upon receipt of a Complaint, the Complaint shall be distributed and served as follows:

§4.1 The Manager shall forthwith forward a copy of the Complaint to the Chair of the Committee.

§4.2 The Committee Chair, or their designee, shall perform an initial review of materials provided with the Complaint to ensure that the Complaint is complete under the provisions of Section 3 and that it is not frivolous, beyond the Committee’s jurisdiction, imprudent in light of existing or available collateral proceedings (such as other civil, criminal, or administrative proceedings) or otherwise inappropriate for the Committee’s consideration. Any decision by the Chair regarding its exercise of jurisdiction over the Complaint may be undertaken by the Committee itself as well and may be made at any stage of the proceedings. A decision to dismiss under this section may be appealed.

§4.3 The Committee may dismiss a Complaint that fails to comply with the provisions of Section 3 fourteen days after giving the Complainant notice of deficiencies and an opportunity to cure them. In the event that the Complainant does not cure the deficiencies within that period, the Complainant shall be barred from filing another Complaint arising from the same transaction or event unless the Committee finds special circumstances warranting an additional extension.

§4.4 In the event that the Chair or the Committee dismisses the Complaint under Section 4.3, the Chair or Committee shall state its reasons for dismissal in writing, which writing shall be communicated to the Complainant.

§4.5 If the Complaint is not dismissed upon initial review by the Committee, the Committee shall instruct the Manager to serve the Complaint on the Respondent, including all supporting documents, not more than 14 days after receipt of the Complaint together with a copy of these
procedural rules through the Respondent’s registered e-mail address.

§4.6 The Respondent(s) shall have fourteen days from service of the Complaint to file a written response to the Complaint, if they wish, or such shorter time as the Committee Chair shall require where the nature of the Complaint requires expedited procedures. When the nature of the Complaint requires expedited procedures, the Chair may impose such deadlines as are reasonable under the circumstances, taking into account the necessity of expedited procedures and the provision of a fair opportunity for the parties to prepare for any hearing to the extent reasonably possible. The failure to file a written response shall be deemed to constitute a denial of the allegations of the Complaint. The Panel shall serve a copy of the response, if any, on the Complainant at the e-mail address set out in the Complaint.

§4.7 After the initial review has been completed and the complaint accepted, the Committee Chair shall assign the Complaint to a Hearing Panel of three (3) members, at least one of whom shall be an athlete satisfying the requirements of the USOPC Bylaws and who shall be appointed by the Chair of the USFA Athlete Advisory Council. Hearing Panel members may be (but are not required to be) members of the Committee, and shall where possible be “independent” as that term is defined in the USFA Bylaws. The Committee Chair shall designate one of the Panel Members to serve as Chair of the Panel.

§4.8 All Hearing Panel members shall be impartial, disinterested and shall be free of any actual or apparent conflict of interest. Within seven days of appointment to a Hearing Panel, each Hearing Panel member shall expressly confirm that they have no known conflicts or shall disclose any conflicts or potential appearances of impropriety. Upon appointment of the Hearing Panel, and after passage of the time specified in this Section, the Committee Chair shall instruct the Manager to notify the parties of the identity of the Panel Members.

§4.9 In the event any party objects to the composition of the Hearing Panel, the Committee, without the participation of any member designated to serve on the Panel, shall determine the validity of such challenge. A challenge shall be upheld if the challenged member’s service involves an actual conflict or reasonably creates an appearance of a conflict or other impropriety, and any member so removed shall be replaced by the Committee Chair, ensuring that the composition of the panel satisfies the requirements set out above.

§4.10 The Committee shall endeavor to maintain a pool of qualified Hearing Panel members approved by the Board of Directors.

SECTION 5. SANCTIONS

A Hearing Panel, after conducting such investigation or hearings as they may determine to be necessary, may impose any of the following sanctions or resolutions:

§5.1 Dismiss the Complaint with or without permission to re-file;
§5.2 Censure a party, publicly or privately;
§5.3 Establish a period of probation, with or without conditions;
§5.4 Deny, grant, suspend or restore the eligibility or right to compete or participate of any member of USFA;

§5.5 Issue such interim orders, prohibitory or mandatory in nature, as may be necessary pending a final decision; and

§5.6 Deny, grant, suspend or restore membership in USFA for a definite or indefinite period of time, with or without terms of probation, or expel any member of USFA, including, without limitation, any administrator, athlete, coach, trainer, manager, official, officer, Board Member, spectator, chair or member of any committee or sub-committee;

§5.7 Assess actual costs to the prevailing party or refund any filing fee paid by the prevailing party; and

§5.8 Assess sanctions in any combination of the foregoing or assess any other remedies deemed appropriate under the circumstances.

SECTION 6.

DOPING AND SAFE-SPORT DECISIONS

The Committee shall not have any jurisdiction to adjudicate complaints that fall within the exclusive jurisdiction of the United States Anti-Doping Agency, or the doping rules of FIE, or complaints over which the US Center for Safe Sport has exclusive jurisdiction or has given USFA notice that it is exercising discretionary jurisdiction.

SECTION 7.

FIELD OF PLAY DECISIONS

The final decision of a referee or other competition official during a competition and within the purview of The Rules of Competition shall not be reviewable through, or the subject of, these Complaint and Hearing Procedures unless the decision is alleged to be the product of fraud, corruption, partiality or other misconduct of the official. For purposes of this Section, the term “official” shall include all individuals designated as officials under The Rules of Competition.

SECTION 8.

PRELIMINARY HEARING and TEMPORARY ORDERS

In appropriate cases, the Committee Chair before appointment of the Panel, and the Panel Chair after such appointment, following an initial investigation and after providing the Respondent an opportunity to be heard, may impose such temporary orders as may be necessary for the good of the sport of Fencing and the protection of USFA or its members. The temporary order may encompass any remedy or order permissible in a final decision (except expulsion). Nothing in this Section shall preclude imposition of temporary orders or interim measures under FenceSafe policies.
SECTION 9.
HEARINGS

§9.1 The Chair of the Hearing Panel shall preside over all proceedings before the Hearing Panel. After the Panel is confirmed under §§ 4.8 and 4.9, the Chair shall conduct a preliminary conference with the parties during which the Panel shall impose dates for (a) any hearing the Panel deems necessary, (b) the parties’ exchange of all exhibits to be used as evidence, (c) the parties’ identification of witnesses, their contact information, and a brief statement as to the subject matter of their testimony, (d) submission of hearing briefs by the parties if desired by the Panel or the parties, and any other preliminary matters. The hearing shall not be set later than ninety days after the last submission by the parties. In the event that both parties waive their right to a hearing, the Hearing Panel may adjudicate the matter on written submissions. Any deadlines established in the preliminary conference shall allow sufficient time for each party to examine evidence so as reasonably to prepare for the hearing.

§9.2 The Panel may impose such sanctions as it may deem advisable for the failure of any party to comply with the procedural orders of the Panel.

§9.3 A hearing before the Hearing Panel may be held in person, telephonically, or through a videoconference service. The which hearing shall be held in real-time and shall provide all parties the opportunity to attend and participate in the entire proceedings (except deliberations by the Hearing Panel) unless the right to a hearing is waived by the parties. Where appropriate and with the consent of the parties, the hearing may be conducted in part through written means and in part by testimony and oral argument, except that the Hearing Panel shall not consider any written or oral evidence that the opposing party has not been given an opportunity to rebut.

§9.4 The Complainant(s), the Respondent(s) and any other person participating in a hearing conducted by a Hearing Panel shall be entitled to be represented by a person of their choice at their own expense. Such representative may, but need not be, an attorney.

§9.5 Judicial rules regarding admissibility of evidence shall not apply to the Hearing Panel, except that the Hearing Panel shall respect all lawful claims of privilege based on Colorado law.

§9.6 Any hearing, or a part thereof, shall be open to members of the Hearing Panel, any attorney advising the Hearing Panel Chair, the Complainant(s), the Respondent(s), any other real party in interest, their representatives and any witnesses, except that the Hearing Panel shall exclude from the hearing any witnesses who have not testified if so requested by any party. The Hearing Panel Chair may, in the interests of justice and the sport of Fencing, direct the participants to keep all or parts of the proceedings and the decision confidential. All of the record of the hearing shall be kept confidential by the Hearing Panel and USFA, except for such public sanctions as may be imposed.

§9.7 Except for emergency hearings, which shall not require agreement of the parties, the Hearing Panel Chair may order, with the agreement of all parties, an accelerated hearing schedule in the interest of justice.

§9.8 In all hearings, the Claimant shall bear the burden of proving any alleged violation by a preponderance of the evidence.
SECTION 10.

PRE-HEARING PROCEDURES

The procedures to be followed in connection with all hearings of the Hearing Panel shall be as follows:

§10.1 The Hearing Panel Chair shall issue a Preliminary Hearing Order setting out the deadlines established under Section 9.1.

§10.2 The Hearing Panel, may, *sua sponte* or upon request of a party and for good cause, amend any of the dates set out in the Preliminary Hearing Order.

§10.3 No party or party representative shall engage in any *ex parte* communication with the Hearing Panel Chair or the members of the Hearing Panel. All requests for relief shall be made in writing and submitted to the Hearing Panel, with a copy to the opposing party. When a party has designated a representative, all communications to that party shall be through the representative only.

§10.4 In addition to the items set out in Section 9 above, the Hearing Panel may impose such other procedural orders as it deems necessary to the fair and efficient conduct of proceedings.

§10.5 A Respondent may seek dismissal of a Complaint on any grounds set out for denial of jurisdiction above by filing a motion with the Hearing Panel, except that the filing of a motion shall not stay the running of any other timeliness hereunder unless ordered by the Hearing Panel. A Claimant shall have seven days to respond to such motion or such additional time as the Hearing Panel may order. The Hearing Panel may deny the motion to dismiss without awaiting a response from the Claimant.

§10.6 Once the Hearing Panel has taken jurisdiction of a matter, the Complainant may withdraw the Complaint only with the Panel’s permission and under such conditions as the Panel may impose, which may include forfeiture of the filing fee and the payment of any costs.

§10.7 In light of the special nature and timing considerations related to Complaints alleging the denial of an opportunity to compete in a Protected Competition, the Hearing Panel may impose additional or different requirements from those set out herein, including but not limited to shortening any time period hereunder.

SECTION 11.

CONDUCT of HEARING

§11.1 Hearings shall be conducted fairly and in an orderly fashion, but without regard for the formalities of traditional courtroom procedures. Any hearing shall be set in a manner that allows each party to participate in person, by teleconference, or by videoconferencing.

§11.2 The hearing may proceed at the duly noticed time in the absence of any party who fails to be available without good cause shown in advance, and the hearing may proceed to judgment despite that person's absence. If the Hearing Panel Chair determines that in the interests of justice and the sport of Fencing the hearing cannot proceed without the absent party, the Hearing Panel
Chair may adjourn the hearing and reschedule it for such time as the absent party can be present. Any subsequent absence may be taken into account by the Hearing Panel in reaching its decision, and the Hearing Panel may impose reasonable conditions on the missing party for continuation of the hearing.

§11.3 The hearing shall be conducted in the following manner, and the Hearing Panel may set reasonable time limits for each portion of the hearing consistent with the nature of the hearing and relief sought.

§11.3.1 The Hearing Panel Chair shall open the hearing and conduct such preliminary matters as may be necessary. The Chair shall endeavor to schedule the hearing within 90 days after the last filing. The Hearing Panel may continue any hearing, or recess a hearing that has been commenced, for good cause shown.

§11.3.2 Each party shall have the opportunity to make a brief opening statement.

§11.3.3 The Complainant shall call each of its witnesses for examination, which witnesses shall be sworn upon their oath, substantially as follows: “I do hereby swear or affirm under penalties of perjury that the testimony I give shall be true and complete.” In lieu of formal examination, the witnesses may make a statement after being sworn. Upon completion of each witness’s examination or statement, the opposing party(ies) or their counsel may cross-examine the witness. The Hearing Panel Chair shall have the power to limit the Examination of witnesses as may be necessary to avoid the introduction of irrelevant evidence, to protect against harassment or intimidation of any witness, or to avoid repetitive testimony, except that the Chair may not bar the cross-examination of any witness as to relevant matters introduced as part of that witness’s direct examination or their statement in lieu of testimony. The Complainant shall then have the opportunity to conduct re-direct examination and the witness shall have the opportunity to make a concluding statement limited to the issues that were raised in cross-examination. No further examination or statements shall be permitted except as the Hearing Panel Chair may permit in their discretion. Exhibits may be presented through witnesses, by stipulation or in any other way permitted by the Panel.

§11.3.4 Following conclusion of the presentation of witnesses or witness statements by the Complainant, the Respondent shall have the opportunity to present witnesses and exhibits in the same manner as above.

§11.3.5 Following the conclusion of the presentation of evidence by the Respondent, the Complainant shall have the opportunity to present rebuttal witnesses and exhibits in the same manner as above to respond to new evidence that was presented by Respondent’s witnesses.

§11.3.6 Following conclusion of the Complainant’s rebuttal evidence, each side shall be permitted to give closing argument. The Hearing Panel Chair shall decide on the time limits for such closing arguments and whether they are to be delivered orally or in writing. The Complainant may divide closing argument time so as to permit rebuttal of the Respondent’s closing argument.

§11.3.7 The Hearing Panel members may question any witness presented by the parties. The Chair of the Hearing Panel shall direct the order of such questioning and any follow-up
questions by the parties.

§11.3.8 The Hearing Panel shall issue a written decision and findings and deliver it to the Manager who shall promptly serve it on the parties. The Panel Chair shall complete any hearing information form utilized by USFA.

§11.3.9 No failure to satisfy the timing requirements of any of these Complaint and Hearing Procedures by USFA or by any Hearing Panel shall serve to invalidate any decision or to deprive the Hearing Panel of jurisdiction over the Complaint.

§11.3.10. The burden of proof shall be on the Claimant to establish the elements of a violation by a preponderance of the evidence.

11.3.11. In the event that the Hearing Panel determines that any Complaint is frivolous, groundless, or vexatious, or if a Complainant fails to appear before a duly scheduled hearing, the Hearing Panel may impose a charge of $250 against the Complainant.

SECTION 12.

ANTI-RETIALLATION AND INTERFERENCE

§12.1 No person shall engage in any retaliation against any person who files a Complaint under these procedures or participates in the prosecution of such a complaint. For purposes of this policy, "retaliation" means any adverse, discriminatory, harassing or abusive action, or the threat of any such action, carried out against a protected individual as a result of any communication, including the filing of a formal Complaint, given in connection with any proceeding conducted under these procedures. The phrase “protected individual” shall be read to include (but not be limited to) any person who serves as a witness, who provides information in support of any investigation, or in any manner is associated with the investigation or pursuit of prosecution of a Complaint filed hereunder, regardless of whether that person testifies. The violation of this Section shall constitute a violation of a USFA rule and shall be subject to sanctions hereunder.

§12.2 No person shall interfere with proceedings under these procedures by intimidating or otherwise imposing on or attempting to influence parties, witnesses, potential witnesses, Hearing Panel or Committee members, or any person associated with the investigation, pursuit, prosecution or adjudication of a Complaint filed hereunder with the intent of preventing, changing or limiting their participation in such proceeding, nor shall any person without good and just cause attempt to delay, disrupt or prevent such proceedings. The violation of this Section shall constitute a violation of a USFA rule and shall be subject to sanctions hereunder.

SECTION 13.

APPEALS

The decision of the Hearing Panel may be appealed to the Board of Directors or, when required by USFA Bylaws or the Ted Stevens Olympic and Amateur Sports Act, to a provider of arbitration and mediation services based in the US and designated by USOPC with the concurrence of the USOPC AAC and the National Governing Bodies’ Council. The standard on appeal to the Board
of Directors shall be the same as the legal standard imposed for the review of decisions of administrative agencies by courts of law under Colorado law. No appellant shall have the right to a hearing de novo before the Board of Directors. For purposes of Section 9 of the USOPC Bylaws, a party shall not be deemed to have exhausted their administrative remedies with respect to an alleged denial (or threat of denial) of an opportunity to compete unless the party has sought relief from the Committee (or been made a party to a Complaint seeking relief from the Committee), and the request for relief has been adjudicated by the Committee.

SECTION 14.
