**Action Items**

- 1) League will send spreadsheet of games scheduled April 14th to May 3rd (this will give us remaining game count)
- 2) Teams must reschedule any games between March 23rd and April 6. Do not schedule over any games currently scheduled during April 14th to May 3rd. - Due date not determined yet.

CTYLA will send weekly updates as new information comes in. We will have another conference call board meeting on Monday, March 30th 7pm.

**Possibilities if suspension goes longer**

1. Extending season to May 17/18
2. Programs that have fields are willing to host play day style (shorten games) over 2 weekends multiple locations to make up games.
3. If suspension goes further we may not be able to make up all games, but programs are ok w 6 game season.
4. If needed, 1st - 4th grade games will be coach refed (if this is the case please plan accordingly), priority of certified officials for 5th - 8th.
