

Return to Play – COVID-19 Facility Protocol and Procedures

The following guidelines have been put together as an effort to provide a safe return to play. It is important to stress that these guidelines are just guidelines. They are not meant to replace or supersede any federal, state, or local guidelines. These guidelines will be consistently reviewed and revised with current best practices.

Anyone attending a program or event at TSE should answer the following questions before coming to TSE. If the answer is yes to any of the questions, individuals should stay home.

- knowingly been in close or proximate contact in the past 14 days with anyone who has tested positive for COVID-19 or who has or had symptoms of COVID-19 in the past 14 days.
- tested positive for COVID-19 in the past 14 days; and/or
- has experienced any symptoms of COVID-19 in the past 14 days

Activity Participants (players and coaches)

- For outdoor activities, individuals should ensure a distance of six feet is maintained at all times unless safety or the activity (playing/practicing) do not allow. If a shorter distance is required, individuals should wear acceptable face coverings, unless players are unable to tolerate a face covering for the physical activity. Players, coaches, trainers, and other individuals who are not directly engaged in physical activity are required to wear a face covering when not able to maintain a distance of 6 feet.
- For indoor activities, individuals should ensure a distance of six feet is maintained at all times unless safety or the activity (playing/practicing) do not allow and wear acceptable face coverings, unless players are unable to tolerate a face covering for the physical activity. Players, coaches, trainers, and other individuals who are not directly engaged in physical activity are required to wear a face covering.

Spectators

- Limited to two per player
- For outdoor activities
 - Must maintain six feet of physical distance between individuals and/or family/household units at all times and must wear face coverings in common areas and situations where six feet of distancing is not able to be maintained, so long as they are over the age of two and medically able to tolerate such coverings.
- For indoor activities
 - Must maintain six feet of physical distance between individuals and/or family/household units at all times and must wear face coverings at all times, so long as they are over the age of two and medically able to tolerate such coverings.
- No spectator groups may exceed the gathering limit that is currently in place for the Finger Lakes Region

Ensuring a Fun and Safe Environment

At TSE our guests and employees health and safety are our top priority. We are following all NYS guidelines regarding Reopening NY to ensure a healthy environment and our programs will be modified accordingly. Our procedures include:

- More frequent, detailed cleaning and disinfecting of high touch areas throughout the facilities
- Plastic shields are in place at our front desks to protect Team Members and guests
- Hand sanitizer stations are available throughout the facilities
- Floor decals and signage in place to encourage social distancing
- Facility flow and seating have been adapted to allow for ample spacing
- Daily health screenings will be performed on all employees
- Employees will receive education and training on prevention
