A portion of the PBTA lease agreement is paid using general funds from The Pirate Baseball Club. These funds are generated through Pirate Tournament Team participation fees, beef jerky and golf outing fund raisers, and home tournament profits. Therefore, Tournament Team Participation Fee is required to receive the standard Pirate Baseball Club membership fee. **OR** - For current/future BPHS baseball players that are not playing Pirate Baseball in the summer, a \$75 per player additional fee is required to help offset the facility costs.

Daughters of Pirate Club baseball family are eligible for above membership fee rates using the non-Pirate Tournament Team player \$75 additional fee.

We will continue to honor a family rate of \$600 for past 4th Quarter members that are not current/future BPHS baseball players. Separate registration process. Call Coach Simoens at 920-366-5010.

Disclaimer: we are still finalizing the exact practice and workout schedules. Occasionally a clinic may be added where the facility will be in use. However, we do not foresee much change in facility availability to members than in the past. Our goal is to utilize the facility as optimal as possible for Pirate Tournament Team players and still keep it available as much as possible for members to use.
