

Registering Your Swimmer for the New Season

Before the first day of practice, all girls wanting to participate must get cleared to practice. So please make sure you:

1. complete the CHS Athletics **Registration Form with Emergency Contact Information** on your student's Skyward account (go to online forms for your student)
2. sign the **concussion form** in the CHS Athletics Registration above - these need to be filled out EVERY year (so if you completed one for last season it will NOT be valid for the upcoming season).
3. have a recent **physical** on file with the CHS Athletic Department (these should last 1.5 years from any given Fall. So if you completed one last year, you should be good. If you are unsure whether your student's physical is still valid, check with the Athletic Secretary. All the information is in the Skyward Registration process.*
4. Pay the athletics Swim & Dive **fee** of \$75 (through the Skyward Family Access Fee Management site)
