General Information

Thank you for expressing an interest in the Norwalk Football League. We appreciate your desire to become a valued and integral part of the League. We practice the ideals of sportsmanship, scholarship and physical fitness. Our program stresses learning lessons of value far beyond the playing days, such as, self-discipline, teamwork, leadership and good sportsmanship.

Competent, dedicated and responsible coaching is without a doubt the primary catalyst for achieving these goals. To this end, the League attempts to identify individuals within the community with the same commitment and philosophical attributes that the League itself was founded upon. An application and interview process, conducted by the League Board of Directors and/or their designees (League Coaches Committee), serves as a fair and impartial means by which prospective coaches can be selected and recommended to the full Board for approval. This process was designed and implemented to ensure that all prospective coaches are afforded the same opportunity and consideration for any and all League coaching vacancies. It is the League's purpose and intent to entrust our youth with coaches that are positive role models, display good moral character and have demonstrated the skills and abilities necessary to effectively and positively impact our youth participants.

All Coaches are required to adhere to the provisions and guidelines outlined in the League's **Coaches Code of Conduct**.
